Black, White, and The Grey Mashama Bailey, John O. Morisano, 2021-01-12 A story about the trials and triumphs of a Black chef from Queens, New York, and a White media entrepreneur from Staten Island who built a relationship and a restaurant in the Deep South, hoping to bridge biases and get people talking about race, gender, class, and culture. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY GARDEN & GUN • “Black, White, and The Grey blew me away.”—David Chang In this dual memoir, Mashama Bailey and John O. Morisano take turns telling how they went from tentative business partners to dear friends while turning a dilapidated formerly segregated Greyhound bus station into The Grey, now one of the most celebrated restaurants in the country. Recounting the trying process of building their restaurant business, they examine their most painful and joyous times, revealing how they came to understand their differences, recognize their biases, and continuously challenge themselves and each other to be better. Through it all, Bailey and Morisano display the uncommon vulnerability, humor, and humanity that anchor their relationship, showing how two citizens commit to playing their own small part in advancing equality against a backdrop of racism.

Show Me a Nigger and I'll Show You a Racist Yahdon Israel, 2009-05-19 History has been taught through illusions in order to divide and establish power. These constant illusions force the Psychopathic Genius to develop a stream of consciousness that evokes a maladaptive schizophrenic disposition. In this schizophrenic state, the Psychopathic Genius manifests recurring illusions that were once used to control as a means of controlling. As the story progresses, these illusions become so cliché that it forces the Psychopathic Genius to rebuke societal doctrine. This epic doesn't evolve, instead, it shows the continual war that we all fight: Protagonist vs. Antagonist, God vs. Satan, Adam vs. Eve, Rich vs. Poor, Old vs. New, Parent vs. Child, Black vs. White, Right vs. Wrong, Morality vs. Judgment, Society vs. Individual, Master vs. Slave and most pertinent to the Psychopathic Genius: Nigger vs. Racist. Step inside the lost paradise of a Brave New World. This book is rated PG: Psychopathic Genius... Vanity is the only sanity.

Illuminating Sanctity Maria R. Grasso,2019-05-06 Maria R. Grasso's monograph on the twelfth-century illustrated vita of Saint Amand, Valenciennes, Bibliothèque municipale MS 500, presents new information regarding its contents. The author's discovery and analysis of a second almost complete set of preliminary drawings beneath another set of the same drawings demonstrates that important alterations were made prior to the execution of the cycle. Grasso's discussion includes

the probable reason for the change: the isolation of the terminating folio depicting the soul of Amand. This important devotional image is the focus of detailed analysis since the soul of Amand rests in the lap of a male figure she convincingly identifies as Christ, an extremely unusual placement for the soul of a saint, demonstrating the creativity of the artists.
