**Samuel Robert Ellis**

Characters and Characterization in the Book of Kings Keith Bodner, Benjamin J.M. Johnson, 2019-12-12 This book is an examination of characters in the books of Kings; showing how understanding and interpretation of key characters affects readings of the story. The volume begins with more general pieces addressing how the study of characters can shed light on the composition history of Kings and on how characters and characterization can be considered with respect to ethics, particularly with respect to the moral complexity of biblical characters. Contributors then consider key characters within the Kings narrative in depth, such as Nathan, Bathsheba, Solomon and Jezebel. The contributors use their own specific expertise to analyze these characters and more, drawing on insights from literary theory and considering such approaches as questioning our view of a particular character with based on the character within the text with whom we identify. Contributors also assess whether or not characters as portrayed in the biblical text necessarily match up to their possible counterparts in history.

**The Blind King's Wrath** Ashok Banker,2022-04-26 The Blind King's Wrath brings the tumultuous Burnt Empire Trilogy to a thrilling end. Krushni, the prophesied Dark Queen, has risen in the East, determined to have her vengeance on Jarsun, her father in her past life and murderer of her mother and grandfather. She is joined in her quest by the five children of Shvate, Karni and Mayla, now grown to young adulthood, and a host of other champions all burning with righteous rage against the God Emperor. As old foes emerge and new allies reveal themselves, the stage is set for the greatest clash of all. A great war. On one side are the valiant but hopelessly outnumbered forces of justice and righteous vengeance led by Krushni and the Shvate Five. Looming against them are the brutal, demonic forces of their enemies led by Jarsun and the tyrant king Dronas. In a shocking turn, Emperor Adri despatches the vast armies of the Burnt Empire, countless tens of millions of brutally efficient killing hordes, against the brave champions. On this bloodsoaked field, the fate of the Burnt Empire will be decided once and for all.
