

The Beast Of The East Goosebumps

R. L. Stine

The Beast from the East (Goosebumps #43) R. L. Stine, 2018-06-26 Ginger Wald and her identical twin brothers, Nat and Pat, are lost in the woods. No problem. After all, Ginger did go to that stupid nature camp. Still, there's something odd about this part of the woods. The grass is yellow. The bushes are purple. And the trees are like skyscrapers. Then Ginger and her brothers meet the beasts. They're big blue furry creatures. And they want to play a game. But in this game, the winners get to live. The losers get eaten...

The Art of Goosebumps Sarah Rodriguez, 2021-11-17 Featuring tons of fun facts about the series alongside a walkthrough of all books and covers in the Goosebumps collections, this art book is a must-have for old and new fans alike! In the summer of 1992, Scholastic tasked two terrifyingly talented artists with creating the cover paintings for the books that would premiere the Goosebumps series. At that time, four books in the line were being market-tested by the publisher to see how young readers would react to R.L. Stine's particular brand of humor-tinged horror. One element that was sure to catch the attention of little eyes everywhere was striking cover art, and, boy, did they find it! The imagery provided by the covers of the Goosebumps series is part and parcel to the 90s Kid zeitgeist, helping to create a visual brand for R.L. Stine's smash-hit horror series. The covers helped set the tone for the numerous adaptations of the series, including a television series, a theatre experience, and, more recently, blockbuster films!

Attack of the Beastly Babysitter (Give Yourself Goosebumps #18) R. L. Stine, 2015-09-29 Reader beware--you choose the scare! GIVE YOURSELF GOOSEBUMPS! Rats! You're too old for a baby-sitter. But your mom hired one anyway. And that's the good news. The bad news is the baby-sitter works for a company called KidScare. So what do you do? If you

like to play games, meet Dare. He knows some killer games -- but if you lose, you'll never go home again. Forget about playing nice! Or maybe you'd rather go to the Fun Zone. Look out! Will you drown in the Bottomless Ball Pit? Will you find your way out of the Tomb of the Unknown Rat? Just one bit of advice: Whatever you do, don't eat any of that stuff marked Switch Cheese! The choice is yours in this scary GOOSEBUMPS adventure that's packed with over 20 super-spooky endings!

Science Fiction, Children's Literature, and Popular Culture Gary Westfahl, 2000-04-30 In a constantly changing world, individuals are forever growing to meet the challenges and developments that emerge around them. In contemporary society, technology is at the heart of change. Literature, too, reflects the evolution of culture and increasingly represents and considers technology. And as children become young adults, their reading helps shape their understanding of the world. This book examines representative works of science fiction, children's literature, and popular culture to show how these works reflect the process of growing up in a technological world. The volume looks at the simple picture books and comic books that appeal to small children; the formulaic adventures that fascinate older children; the films and television programs that are watched by children and young adolescents; the music videos and programming that appeal to young adults; and the popular novels that interest older readers. Included are discussions of Superman, the Hardy Boys, Star Trek, science fiction films, and music videos. The book points to similarities among popular culture, science fiction, and children's literature and demonstrates the relevance of these works to contemporary society.

Judy and the Beast (Goosebumps SlappyWorld #15) R. L. Stine, 2021-09-07 Goosebumps now on Disney+! Judy Glassman lives with her brother, Kenny, and father, Noah, in a village at the foot of Evil Rock. Every winter, Kenny accompanies their dad up to the mansion at the top of the mountain to assist the rich, eccentric Grendel family with their house repairs. But this year, Judy convinces her dad to let her come too. Judy has heard whispers about the Beast of Evil Rock -- a half-human creature who stalks the crags. And she's determined to find out for herself if it's true. Will Judy discover the secret of Evil Rock before the Beast finds her first?

What's So Scary About R.L. Stine? Patrick Jones, 1998-11-13 In this spirited defense, Patrick Jones examines Stine's genius for writing pop culture, a craft that has its own skills and value. Jones proposes that debate about Stine has become a prism through which we view questions about youth and popular reading, particularly horror and other paperback series.

Haunted Bloomington, Indiana Klara Lee Sweet, 2021 For many, the most terrifying sight in Bloomington is the bathroom in a freshman dorm, but even more disturbing things lurk in the dark corners of this college town. Two haunted portraits hang in the Indiana Memorial Union Building, and the ghosts from suicides roam the stairwell at Ballantine Hall. At the end of every night, bartenders at a downtown pub pour a shot of whiskey for a not-so-dearly-departed spirit. At a nearby old manor, two ghost children stir up trouble. Farther out of town, in the Morgan-Monroe State Forest, lies Stepp Cemetery, a remote and desolate graveyard that is one of the most haunted locations in Indiana. Join Bloomington native Klara Lee Sweet on a spine-tingling tour of the city's spectral history.
