Why Trust the Bible? Rose Publishing, 2021-10-05 Why Trust the Bible Pamphlet answers 6 questions brought up by recent books and TV shows about the reliability of the Bible, including "Was the Bible changed?" Or "Was the Bible edited?" Or "Are there thousands of Bible errors?" The Bible can be trusted. People who have been influenced by skeptics such as Dan Brown and his bestseller, *The DaVinci Code*, or Dr. Bart Ehrman's book *Misquoting Jesus*, will find convincing answers in this booklet *Why Trust the Bible*. The Bible text has not been "changed with reckless abandon." And the Bible is not full of errors as some claim. The bestselling *Why Trust the Bible* reassures Christians about the reliability of the Bible. Dr. Timothy Paul Jones examines six claims, and shows what logic and history actually tell us. *Why Trust the Bible Gives a Critique of Bart Ehrman's Misquoting Jesus* Claim: The Gospels were written long after Jesus lived and were written by people who weren't eyewitnesses. Claim: The stories about Jesus' life and death were not handed down reliably and not recorded accurately. Claim: The Bible is full of textual errors, as proven by the Dead Sea Scrolls. Claim: The New Testament wasn't finalized until hundreds of years after Jesus and his disciples, so there could have been many other "gospels" accepted and later rejected, in addition to the four Gospels found in the Bible today. Claim: The originals of the Bible are lost; therefore, we have no way of knowing what it actually said. Claim: The Bible was edited by scribes or powerful people who had an "agenda" and changed many teachings. Jones shows that the biblical story and text were passed down with amazing reliability. And the Bible was hand copied for centuries with remarkable accuracy. Full color and glossy, the 12-page *Why Trust the Bible* booklet is an excellent curriculum for adult Sunday school classes, Bible studies, and church small groups. Author Timothy Paul Jones is a professor at The Southern Baptist Theological Seminary in Louisville, KY. For pastors and academics, this booklet has extensive end notes for those who want to go deeper. Size: 8.5"x 5.5" unfolds to 33" long. 12 pages. Fits inside most Bible covers. *Why Trust the Bible Pamphlet* equips believers to defend assaults against the Bible and to defend the faith. A time line reveals the development of key writings, the emergence of the biblical canon, and more. This great reference tool proves that the Bible can be trusted! Author Timothy Paul Jones, Ed.D., states without a doubt, "The Bible can be trusted." *Why Trust the Bible Answers the Skeptics* Dr. Timothy Paul Jones Gives Reasons You Can Trust the Bible Reveals the errors in the critics' logic and facts Uses helpful charts, timelines, and explanations Shows historical facts about the Gospel writers

Rose Bible Basics: Why Trust the Bible Rose Publishing, 2013-12-16 Rose Bible Basics series: Why Trust the Bible? Is the Bible an ancient document that has been tampered with? Has it been edited many times over the centuries and now is filled with errors? How can we know what the Bible really said when the originals no longer exist? Bestselling books that promote these doubts, such as Bart Ehrman's *Misquoting Jesus: The Story Behind Who Changed the Bible and Why*, are influencing today's news media, and these teachings are being treated as fact. Now is the time to address the topic of textual criticism in our churches and help Christians become better informed — ready to defend the faith. The Bible can be trusted, says author Dr. Timothy Paul Jones. The good news is that the Bible is reliable, even though it was hand copied and there are variations between texts. This ebook explains the variations and why they don't affect the trustworthiness of the Scriptures. Dr. Jones' interest in this topic began many years ago when he came across these arguments in seminary. At first his faith was badly shaken and he wondered if he still believed. But as he dug deeper, he found answers. Dr. Jones shows the errors in critics' logic and facts —and does it in an easy-to-understand style with charts, diagrams, and explanations. This full-color ebook gives answers to the following claims by critics: •The Gospels were written long after Jesus lived by people who weren't eyewitnesses. •The stories about Jesus' life and death were not handed down reliably and not recorded accurately. •The Bible is full of textual errors, as proven by the Dead Sea Scrolls •The New Testament wasn't finalized until hundreds of years after Jesus and his disciples, so there could have been many other Gospels accepted and later rejected -- in addition to the four Gospels found in the Bible today. •The originals of the Bible are lost, therefore we have no way of knowing what it actually said. •The Bible was edited by people who had an agenda and changed many teachings. The chapter titles are How We Got the Bible; Dead Sea Scrolls; 100 Proofs for the Bible; Why Trust the Bible; 100 Prophecies Fulfilled by Jesus; and the Gospels Lost & Found. Full color, dozens of color photos and illustrations and charts.

David Kimhi, c. 1160-1232) juxtaposes plain, contextual exegesis (peshat) within his biblical commentaries alongside ancient modes of rabbinic interpretation (derash). Shiloh's Scepter Fred Sherrod,2015-12-09 Shiloh's Scepter was to leave my descendants a clear, unequivocal message of hope and truth pointing them to the God who has sustained and blessed me since I was nine years old. A great challenge in this modern computer age is finding a way to peak peoples curiosity, especially young people, about what a centuries-old book has to say. I have struggled to present many of the basic biblical truths in an easy-to-read format interesting to all ages. In these pages you can find the basis for the confident beliefs and strong convictions responsible for shaping the essence of my being and guiding my choices in life. Many of the key themes of the Christian life are addressed in the thirty-nine chapters. These include the way to salvation, coping with sin, spiritual growth and responsibility, church life, prayer, faith, anxiety, happiness, depression, materialism, old age, death, and heaven. If you own a Bible, you hold in your hand the very same scepter our Lord so deftly wielded against the enemy when tempted in the wilderness. This kingly wand, an awesome weapon and incomparable guide, will protect you from the evil one and keep you safe on your journey through life. But importantly, you must learn how to use the Word for it to be effective. Results achieved are commensurate with how well your powerful blade is brandished. If you find the time to read this book and it improves your Bible skills in any significant way, then my countless hours of writing will have been well spent. May these pages lead you humbly to the feet of Christ, enlighten your spiritual understanding, and challenge your commitment to Christian service!

A Biblical History of Israel Iain Provan,V. Philips Long,Tremper Longman III,2003-09-30 In this much-anticipated textbook, three respected biblical scholars have written a history of ancient Israel that takes the biblical text seriously as an historical document. While also considering nonbiblical sources and being attentive to what disciplines like archaeology, anthropology, and sociology suggest about the past, the authors do so within the context and paradigm of the Old Testament canon, which is held as the primary document for reconstructing Israel's history. In Part One, the authors set the volume in context and review past and current scholarly debate about learning Israel's history, negating arguments against using the Bible as the central source. In Part Two, they seek to retell the history itself with an eye to all the factors explored in Part One.

Reading and Understanding the Old Testament Thomas B. Lane,Thomas Lane,2010 Reading and Understanding the Old Testament: The Foundation of Judaism, Christianity, and Islam. By Dr Thomas B. Lane Reading and Understanding the Old Testament: The Foundation of Judaism, Christianity, and Islam is written for anyone who is interested in acquiring basic knowledge and understanding of the content of the Old Testament books. It is also written to enable readers to understand better the religious and theological foundation of Judaism, Christianity, and Islam as well as the background of their differences. A Laymans Guide to Who Wrote the Books of the Bible? C. Jack Trickler, 2003 Bible as used in the title of this book refers to the Bibles used by mainstream American Jews, Roman Catholics and Protestants. This book deals with the books of the Bible, from Genesis to Revelation, including those of the Apocrypha. This is a study of the people who wrote the books of the Bible and of the historical, political and social settings in which they wrote and of the factors that caused the authors to write. The search for the authors and what motivated them to write takes the readers into the origins of the stories that make up a large part of the Bible. While many popular and scholarly books have been written about the authorship of specific books of the Bible, this is the only book that deals with all of the books of the Bible in a single, concise volume. It is in laymen's language with footnotes suggesting where readers can find further information for expanded study. Where scholars have offered differing views of biblical matters that affect the determination of authorship, this book presents the various views - in laymen's language. Read, learn and enjoy!
