The Soul Survivor Jim Roppa,2020-07-03 The mysterious millionaire and highly successful corporate executive, Mathew Anthony, alias The Mailman, is back in action. Mathew and his identical twin brother, Thomas, have survived a failed assassination attempt, intended to close the book on those who were involved in the murder of The Mailman's handler, CIA agent, Scott Johnson (The Corporate Chameleon). Regrettably, Thomas Anthony's wife, Sienna, was an inadvertent victim of the assassination attempt and she was terminated. This event launched a retaliation journey (The Mainstreet Messenger) by The Mailman and his brother who were successful with the extermination of all parties involved, except one, the President of

the United States. The assassination saga targeting the Anthony Brothers remains an irritant to the President. The chronicle with the Anthony brothers continues (The Soul Survivor). Both brothers have drastically changed their ideals after avenging the death of Sienna Anthony. Thomas continues with his campaign quest to become the first Independent candidate to be elected to the Office of the President of the United States. Subversive activities are uncovered which suggest the possibility of another attempt on the lives of the Anthony brothers is being constructed. This information reinforces the brothers' conclusion that they must devise a plan which will pit them against the most powerful man in the world, the President of the United States. The Mailman, the consummate assassin, will face the ultimate test of will and skill by deciding to undertake his most unimaginable 'delivery'. The Mailman who fears nothing, spends no time thinking about aspirations or destiny, thus, when an exploit is needed, cares little about his own demise. The action he must take is straight forward; take the sword of Lady Justice, rebalance her scale, and then remove her blindfold for her to judge his handiwork. A journey is about to take place, that will not only affect Thomas and Mathew Anthony's respective lives, but also the lives of the very nation the brothers so unconventionally love and defend. To the brothers, one man, the President of the United States, evolves from being a life's passage distraction to an imminent danger. For the Anthony brothers, every value, principle, and belief will be tested ... to be entrenched or to be tossed aside. The very existence of the strongest nation in the world will be pushed to the brink of hell, in this survivor-takes-all conflict. SET NO LIMITS, HAVE NO FEAR, AND ALLOW NO REMORSE ...

The PJ Sugar Collection: Nothing but Trouble / Double Trouble / Licensed for Trouble Susan May Warren, 2016-08-15 This collection bundles all 3 volumes of Susan May Warren's delightful PJ Sugar series together in one e-book, for a great value! Nothing but Trouble It's not fair to say that trouble happens every time PJ Sugar is around, but it feels that way when she returns to her home town, looking for a fresh start. Within a week, her former teacher is murdered and her best friend's husband is arrested as the number-one suspect. Although the police detective investigating the murder—who also happens to be PJ's former flame—is convinced it's an open-and-shut case, PJ's not so sure. She begins digging for clues in an effort to clear her friend's husband and ends up reigniting old passions, uncovering an international conspiracy, and solving a murder along the way. She also discovers that maybe God can use a woman who never seems to get it right. Double Trouble With one solved case under her belt, PJ Sugar is ready to dive into her career as a private investigator. Or at least a PI's assistant until she can prove herself to Jeremy Kane, her new boss. Suddenly PJ's seeing crime everywhere. But is it just in her head, or can she trust her instincts? When she takes on her first official case—house-sitting for a witness in protective custody—Jeremy assures her there's no danger involved. But it soon becomes clear that there is someone after the witness . . . and now they're after PJ, too. Licensed for Trouble PJ Sugar receives shocking news that she's inherited the Kellogg family mansion. Though she has no idea why, the timing is perfect—PJ has clearly worn out her welcome at her sister's house. Unfortunately, the mansion is in shambles, and PJ is short on cash. Rescue comes in the form of Max Smith, a mysterious handyman willing to trade his services for PJ's investigative skills. But PJ already has a full docket with cramming for her PI license and nurturing a growing romance with her boss, Jeremy Kane. Can she take on Max's case without dropping the ball?
