Selected by Extraterrestrials Volume 2 William Mills Tompkins, 2020 The first volume of *Selected by Extraterrestrials* covered the life of Bill Tompkins to about 1970 and did not go deeply into the super-secret briefings he attended with Navy spies reporting what was going on in Nazi Germany from 1942-1945. Volume 2 of his ground-breaking memoirs covers those details and more about his subsequent aerospace career at companies including TRW. Here is a record of everything that Bill Tompkins wrote on his computer about his life until his death in 2017. You can read what Bill was remembering as he typed his recollections over about 15 years. Of special interest is his detailed access to work being done by TRW that is largely still unknown, such as aggressive remote viewing projects with the early Bobby Ray Inman involvement, extensive underground alien and U.S. tunneling systems, and the interesting role TRW played in the content of movies. Bill was in charge of the famous Joe Papp engine development that was one of many non-petroleum energy systems studied by TRW. Bill was entered the world of secrecy as a teenager, when the Navy took his personal ship models out of a Hollywood department store display window because they showed the classified locations of radars and gun emplacements. He was present at the "Battle of L.A." when 1430 antiaircraft rounds were fired at UFOs, and he claims one of the Nordic craft selected him to be their rep in the evolving aerospace race. After working at North American Aviation and Northrop, he was hired by Douglas Aircraft Company in 1950, and when they found out about his involvement in classified work, was given a job as a draftsman with a peripheral assignment to work in a "think tank". It was controlled by the Navy personnel who used to work for James Forrestal and who developed what probably later became the "Solar Warden" secret spacecraft system. Volume 2 provides very personal interactions with his co-workers and secretaries, some of whom he believes were Nordic aliens helping the "good guys" here on Earth. He sketched six alien craft he personally saw on TV when Armstrong was landing on the Moon. Born in May 1923, Bill Tompkins was one of the few survivors of the "big war", married to the same woman Mary, and told his story about what he really did during his aerospace life from the 1940s through 2017 and confirmed the existence of a secret space program today.

Selected by Extraterrestrials William Mills Tompkins, 2015-12-09 Bill Tompkins was embedded in the world of secrecy as a teenager, when the Navy took his personal ship models out of a Hollywood department store because they showed the classified locations of the radars and gun emplacements. He was personally present at the Battle of L.A. when a thousand

rounds of ammo were fired at UFOs, and one of the Nordic craft may have selected him to be their rep in the evolving aerospace race. This book is a partial autobiography about his life to the beginning of the 1970s including some of his early work for TRW. Selected by the Navy prior to completing high school to be authorized for research work, he regularly visited classified Naval facilities during WWII until he was discharged in 1946. After working at North American Aviation and Northrop, he was hired by Douglas Aircraft Company in 1950, and when they found out about his involvement in classified work, he was given a job to create design solutions as a draftsman with a peripheral assignment to work in a think tank. This work was partly controlled by the Navy personnel who used to work for James Forrestal, who was allegedly assassinated because he was going to publicly reveal what he knew about UFOs. Bill Tompkins was asked to conceive sketches of mile-long Naval interplanetary craft designs. Later, as he became involved in the conventional aspects of the Saturn Program that later became the Apollo launch vehicle, his insight to system engineering resulted in his offering some critical suggestions personally to Dr. Wernher von Braun about ensuring more reliable checkout using the missiles in their vertical position and also some very efficient launch control concepts adopted by both NASA and the Air Force. This story is peppered with very personal interactions with his co-workers and secretaries, some of whom the author believes to be Nordic aliens helping the good guys here on Earth. Towards the end of this volume of his autobiography, he sketches what he personally saw on TV when Armstrong was landing on the moon. Born in May 1923 but passing in October 2017, Bill Tompkins was one of the few survivors of the big war, married to the same girl Mary, and was willing to tell his story about what he really did during his aerospace life in the 40s, 50s and 60s that relate to aliens, NASA and secrets that now can be told. This recent printing adds captions to the figures, making them self-explanatory, and includes an index. Selected by Extraterrestrials, Volume 2 is now available and includes Bill Tompkins later and other memories beyond the scope of this volume.

The Ascension Mysteries David Wilcock, 2016 Wilcock describes the secret cosmic battle between positive and negative happening every day, hidden in both the traumas of our own lives and the world's headlines. Earth is on the verge of a massive cosmic event that will transform matter, energy, consciousness, and biological life as we now know it and will utterly defeat the great villains of our time.

Immortality of the Gods Nick Redfern, 2016-12-26 The author of Bloodline of the Gods explores the theory that ancient aliens shared the secrets of immortality with Old Testament figures. While scientists debate the theoretical possibility of immortality, it may have already been achieved in the distant past. History is filled with accounts of fantastic beings, powerful gods, and half-human/half-alien entities that had extraordinarily long lifespans. Today, these stories are dismissed as mere folklore and mythology. But what if the accounts are all too real? In Immortality of the Gods, Nick Redfern considers the possibility that ancient aliens uncovered the secret to stopping the aging process. Examining the legends of the Anunnaki, Redfern investigates how these ancient deities may have achieved everlasting life, and why they might have shared their secrets with Noah, Methuselah, and other biblical figures. Redfern goes on to explore the saga of Gilgamesh, a long-lived part-human, part-extraterrestrial Sumerian ruler obsessed with immortality. Also in this volume, Redfern studies the claim that an undisclosed motivation for the 2003 invasion of Iraq was to uncover the millennia-old secrets of white powder gold, a manna-like substance that supposedly rejuvenates cells and tissue.

Selected by Extraterrestrials William Mills Tompkins, 2022 Selected by Extraterrestrials, Volume 3, My Spoken Words is a follow-up to Volumes 1 and 2, which were written by Bill Tompkins on his computer. This volume is a report of what he said during numerous radio interviews with radio show host Jeff Rense, two interviews with Dr. Michael Salla, one of which included Dr. Robert Wood. Bill Tompkins is important because his early excellence with ship models resulted in his being

asked to listen to the reports of 29 Navy “spies” who were stationed in Nazi Germany during 1942-1945 and reported in detail about what the Germans were doing covertly. Later, his career overlapped with that of Dr. Wood at Douglas Aircraft Company where Bill was in a think tank working for the US Navy designing spacecraft successfully. His subsequent career at TRW exposed him to other topics, highly classified at the time, and he tells about many of them in this book, *Selected by Extraterrestrials, Volume 3, My Spoken Words*. Examples of topics elaborated on by Tompkins are: Germans going to Mars in 1945, detailed descriptions of German UFOs, the extent of underground lakes on Earth, the development of Solar Warden, details of tunnels on the Moon and Earth, Operation Highjump (the secret large naval battle near Antarctica), and extended life procedures. These chapters are a chronological account of Bill’s words describing his life to Jeff Rense, Michael Salla and Robert Wood.

The Greatest Treachery in Human History Daniel Harran, 2023-06-23 The initial goal of this book was to discover the ultimate purpose and meaning behind the abductions of human beings into UFOs—the alarming reality of which is still hardly known to the public. But as this study developed, it led to a series of revelations which brought us to an unexpected interpretation of this phenomenon. Indeed, it became all too obvious that there was a connection between these abductions and the absurd path that today’s human society is taking. More and more measures are being implemented that are threatening the health, well-being, and freedom of human beings the world over under the guise of ‘security’ purposes. Those responsible for this are not only our leaders, but occult forces—which are exposed in this book. We were therefore led to unveil what we can indeed refer to as the “greatest treachery in human history”: extremely powerful dark forces have been acting on Earth for a very long time unbeknownst to our population. These forces, identified in this book, are directly interfering in the governance of our world and are directly opposed to the harmonious evolution of Humankind, putting us all in grave danger. This book sheds an unprecedented new light on how this all relates to the tragic events Humanity has been going through since 2020.

Catching the Ascension Wave Bob Frissell, 2023-06-27 A guide to thriving during the ascension into higher consciousness • Explores how the infusion of higher dimensional energy is impacting planet Earth and each of us • Details the forces working to advance our conscious evolution as well as those seeking to block it • Shares exercises, tools, and techniques to transmute the energies blocking access to your Higher Self and help you participate in the Great Awakening Right now, a Galactic Super Wave is dramatically raising the vibratory rate of our planet and everyone on it. As Bob Frissell explains, in order to catch this wave of ascension and survive and thrive during the coming Great Awakening, we must undergo a personal transformation to raise our vibration and align with the Higher Self within each of us. Frissell explores the forces working to advance our planetary ascent into higher consciousness—as well as those seeking to block it. He looks at the role of the Ancient Builder Race from Venus and at other ET races, such as the Greys and the Draco Reptilians, in our

evolutionary development and technological advancements. He exposes startling details of our Secret Space Program, the New World Order, and the Depopulation Agenda. He explains how the precession of the equinoxes is directly influencing Earth's awakening and how the dance between the forces of darkness and light actually allows consciousness to evolve. Frissell shares meditations, tools, and techniques to transmute the energies blocking access to your Higher Self and reveals how the infusion of higher-dimensional energy is impacting planet Earth and each of us. Unveiling the incoming new energetic configuration for the Earth, he details how the Great Awakening is nothing less than the birth of a new humanity and how, by raising your vibration, you can help in the co-creation of heaven on earth.

Antarctica: the prison of fallen angels in Enoch's prophecy Cinzia Palmacci, 2023-09-21 Why do so many powerful people on Earth often go to Antarctica? What do they know about us that is important? Is Antarctica the kingdom of the antichrist? One thing is certain: the hybrid offspring of Lucifer for millennia have been interacting and working to pervert Creation and persecute humanity. We see this from the iniquitous laws of a ruling class in corrupt and evil-minded power. It is written that Enoch and the prophet Elijah will return for the final battle against the antichrist. And it doesn't seem to be that far off. Knowing is defending and reacting. Enjoy reading.

Making Contact Alan Steinfeld, 2021-05-04 I feel it is one of the best approaches I have found to grasp the most jarring enigma humanity has ever faced. —George Noory, host of Coast to Coast AM “We cannot separate the earth from its greater cosmic environment. What is needed is a new story and Alan Steinfeld's Making Contact is part of that story.” —Deepak Chopra, Author, Total Meditation How can we prepare for an event that is literally beyond anything humanity has ever faced? Making Contact presents multiple perspectives on what no longer can be denied: UFOs and their occupants are visiting our world. The book answers questions which remain in the wake of the recent Pentagon's disclosures as to who and why these beings are here. The volume contains original writings by the leading experts of the phenomena such as: Linda Moulton Howe, Earthfiles reporter, Whitley Strieber best-selling author of Communion, Professor John E. Mack, former head of the Harvard Medical school of psychiatry and an alien abduction investigator, Darryl Anka internationally known for his communication with the extraterrestrial Bashar, Nick Pope, former UK Ministry of Defense UFO investigator, Grant Cameron expert on American presidents and UFOs, Drs. J.J. and Desiree Hurtak, globalists and founders of the worldwide organization, The Academy for Future Science, Caroline Cory, director of Superhuman and ET: Contact, Mary Rodwell, author of the New Human about star-seed children, Henrietta Weekes, actress and writer, expressing the poetic aspects of making contact. Alan Steinfeld, contributes and curates the collection with 30 years of experience with the subject. The Foreword by George Noory of Coast to Coast AM kicks off the volume with his veteran overview of the need to wake up to the “new realities of extraterrestrial existence.” At this critical juncture in the government's official acknowledgement of the reality of UFOs/UAPs, scientists, politicians and mainstream news outlets have no idea what to make of these startling

revelations or the outpouring of sightings and “contact” experiences currently being reported on a global scale. The book stands as the most comprehensive clarification to date on the intent and intelligence behind the phenomena. The variety of viewpoints expressed in the volume provide a solid foundation for the “preparation” of the greatest challenge to ever face humankind. Making Contact stands as the essential handbook for embracing the most exalted moment in history: Meeting the cosmic others.

Aliens Like Us? Anthony Aveni,2025-03-18 In this authoritative, accessible, and at times funny and irreverent work, distinguished anthropologist Anthony Aveni speaks to the trained astrophysicist and the curious layperson alike about a simple but previously unexplored question: Why do we assume aliens, if they are really out there, behave just like us? Aveni’s newest work departs from the usual scientific treatment of extraterrestrial intelligence by probing the historical and widely neglected anthropological record, which offers relevant analogous incidents of contact among terrestrial cultures. Beginning with theories of the evolution of life and culture advocated by astrobiologists, *Aliens Like Us?* explores how the Western cultural imagination is influenced by ways of knowing that are deeply embedded in the minds of the questioners—for example, how we consider the ownership of property, the idea of progress, and even the way we classify things. The lessons of anthropology offer not only value structures from other cultures that differ profoundly from our own but also testify to the diverse ways in which alien cultures interact. Finally, on the question of potential first contact, Aveni closes with a fascinating exploration of the image of extraterrestrials in popular culture that is derived in part from the hugely influential realm of science fiction.

Dark Fleet Len Kasten,2020-03-10 Reveals the Nazi-Reptilian infiltration of the U.S. government, their secret space program, and their slave colonies throughout the solar system • Details “Operation Paperclip,” which enabled Nazis and their Reptilian partners to infiltrate the U.S. military-industrial complex, including NASA and the CIA • Reveals their interstellar space ports in Antarctica and on Mars, their base on the Moon, and their alien technologies, including nano-technology,

antigravity propulsion, mass mind control, and hyperdimensional teleportation capabilities • Shares testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, revealing advanced human technology and our Space Armada that constitutes a counter-balance to the Nazi Dark Fleet The Nazis did not really lose World War II. They made it appear that way in order to divert attention from the alliance between the Fourth Reich and the race of aliens known as the Reptilians--an ancient galactic civilization obsessed with conquest and domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through “Operation Paperclip,” the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system. The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.
