Writing during the Progressive Era, Sinclair describes the world of industrialized America from both the working man's point of view and the industrialist. He has also won the Pulitzer Prize for Fiction in 1943.

Gesturing Toward Reality: David Foster Wallace and Philosophy Robert K. Bolger, Scott Korb, 2014-06-19 Asked in 2006 about the philosophical nature of his fiction, the late American writer David Foster Wallace replied, If some people read my fiction and see it as fundamentally about philosophical ideas, what it probably means is that these are pieces where the characters are not as alive and interesting as I meant them to be. *Gesturing Toward Reality* looks into this quality of Wallace's work-when the writer dons the philosopher's cap-and sees something else. With essays offering a careful perusal of Wallace's extensive and heavily annotated self-help library, re-considerations of Wittgenstein's influence on his fiction, and serious explorations into the moral and spiritual landscape where Wallace lived and wrote, this collection offers a perspective on Wallace that even he was not always ready to see. Since so much has been said in specifically literary circles about Wallace's philosophical acumen, it seems natural to have those with an interest in both philosophy and Wallace's writing address how these two areas come together.

In Love With A Dangerous Man Vivian Blue, 2019-04-14 It's not easy being in charge of other people's lives, and when you're the type of person that has loose morals and street values, it makes the job that much more exciting but stressful. Roberta 'Roby' Charles is living her best life, being an unscrupulous parole officer for the State of Missouri. She's an

alcoholic that likes to use her authority to get recreational drugs and sex from the clients that she serves, and she's been able to get away with it until a client reports Roby to her supervisor. Now she's having to clean up her act or at least prove that the client was lying, but that might not be so easy with a new client trying to get into her pants. Calhoun Washington is a recent parolee that has a bounty on his head and three strikes against him. He has plans to get his share of a lick that he'd hit right before he went back to prison and get out of town before someone takes his life. To make matters worse, Calhoun has to report to his parole officer, Roberta Charles, but instead of trying to work his court ordered plan, he's trying to work what's in between her legs, and that isn't so easy to do. She's fighting for her own survival and isn't interested in his advances, and there's another parolee in her case load that is making it difficult for him to even try. Thaddeus Brown is on parole for money laundering and is another parolee in Roberta Charles's case load. He has some mental health issues going on and takes a liking to Roby because she genuinely seems to care about his well-being. There's an obvious attraction between the two of them that neither one of them can deny, and when Thad gets off of parole, he has plans on claiming Roby for himself. However, there are a lot of secrets about Thad's life that Roby doesn't know, and it might push them further apart instead of bringing them together.
