Now that Kallik and Yakone have decided to join Toklo and Lusa on the rest of their journey home, the four bears head toward warmer territories. Spring is coming, and Toklo and Lusa are overjoyed to be away from the ice, surrounded by green forests and flowing rivers once again. But the forest brings unique challenges for the polar bears, Kallik and Yakone. As they struggle to continue on, they know that each step is taking them farther from the ice. Have they made a mistake, straying from their natural home? Soon Toklo also grows desperate to leave the struggles of their journey behind. As the group pushes toward the mountains where brown bears roam, Toklo must decide whether to see the quest through to the end . . . or to start a new life on his own.

Seekers: Return to the Wild #1: Island of Shadows Erin Hunter, 2012-02-07 The journey home begins. . . . Toklo, Kallik, and Lusa survived the perilous mission that brought them together, and now it's time for them to find their way home. Kallik and Lusa are ready to be among their own kinds again, but Toklo, devastated by the loss of their companion Ujurak, feels hopeless and afraid of what's to come. When the group reaches a shadowy island covered in mountains and ice, Kallik is sure they're almost back to the Frozen Sea. But a terrifying accident leads them into a maze of abandoned tunnels, unlike anything they've ever seen before—making them question their path once again. The bears grow desperate for a sign to guide them, and when they meet a cub who has lost his whole family, Toklo believes the cub has been sent by Ujurak. But the others are unsure. Can they trust their new companion? Or could he be hiding something that will endanger them all?

Seekers #5: Fire in the Sky Erin Hunter, 2011-05-24 The spirits dance like fire in the sky. . . . The three cubs—Kallik, Toklo, and Lusa—along with their shape-shifting companion, Ujurak, stand on the edge of the sea-ice under the blazing Northern Lights. The land has come to an end, but the bears' journey is far from over. Now they must put their trust in Kallik's paws, as she feels the ice pulling her out toward the ocean. Life on the ice is more difficult than the bears imagined. While Kallik struggles to remember her polar bear roots, Toklo bristles in the unfamiliar territory and Lusa gets weaker by the day; black and brown bears don't belong on the ice. Meanwhile, Ujurak learns firsthand what lurks beneath the whorls and bubbles of the ice, and what he discovers will change everything. Just when it seems like they'll never survive in the frozen wilderness, a mystical encounter with a bear spirit assures them that all will be well. But this strange vision leads to

even more questions, and ultimately it might tear the bears apart—this time for good—as the next steps of their journey come into focus.
