**"Details on" or "Details about"? Use in technical writing** Feb 18, 2015 · I'm writing a technical text about the information in a report, dealing with telecommunication procedures. I want to highlight that the information field I'm referring to doesn't provide any infor... **"provide X to someone" vs "provide X for someone"** Mar 28, 2019 · This provides food for thought. Parents provide for their children. To provide for=to sustain or support physically or financially or in some other way that does not just mean to give or supply. whereas: provide x to y just means: supply or give x to y. There is also the idea of make provision for [arrange for]: The will provided for their upkeep. **terminology - The term for a person who provides a reference for ...** Sep 6, 2017 · 6 When writing a CV or something similar, one often provides contact information to a person, who may be contacted for references about oneself (e.g. about work attitude or other qualifications). What is the person, who provides the reference or testimonial, called? What is a person (not a company) who provides a service called? May 16, 2015 · A person who provides a service can be part of a large company and not run a one-person business at all. I need a general term for someone who provides a service. X "*poses*" or "*provides*" or "*presents*" *challenges* to Y Nov 4, 2015 · Poses and presents can share the definition of "asks, sets, or introduces". Both of those are good words for this sentence. Provides has a positive connotation (whereas the other two are more neutral), which makes it seem less fitting when you're discussing "challenges". tenses - We recommend that he provide/provides? - English ... To my ear "We recommend that he provide an appropriate response" sounds better than "provides" what is this tense/construct called and which is right ? **Usage of the verb "provide" - English Language & Usage Stack ...** There is a British/American difference here. The verb provide takes two objects, and they can go in either order. The second one usually takes a preposition, and the first one never does. The preposition depends on the order. Can you provide some good examples for me. Can you provide me with some good examples. You should provide food for your dog before you go on ... **"support to" vs. "support of" - English Language & Usage Stack ...** The most common preposition between support and the "beneficiary" is in fact for, but in OP's construction many people might like to avoid repeating this after "Thank you for...". There's no special grammatical rule saying which other preposition is "correct". I'd probably just use for anyway, but either of and to would be "acceptable". Or

you could sidestep the issue by using ... "provide" vs. "provide with" - English Language & Usage Stack ... The verb provide has two different subcategorisation frames: provide something [ to somebody] provide somebody with something In the first, the material provided is the object, in the second the recipient is the object. Both are valid, and both are in common use. The difference between them is the with phrase, which must be there to get meaning 2: if there is only one (direct) ... prepositions - "Provide us with X" or "provide us X"? - English ... Mar 29, 2017 · Does provide need the preposition with, or is it truly ditransitive? Kindly provide us with your best quotation Kindly provide us your best quotation. He provided directions.
