Judd E. Hollander

A Stranger in the House of God John Koessler, 2009-08-30 Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary Pilgrim's Progress, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith

For The Blessed & Ambitious Christian Woman Alexandrya Bardell, 2016-11-13 In today's society, being a woman is hard enough. Now, add being a Christian on top of that. It might seem difficult, but it doesn't have to be. Jesus Christ died for you so that you might have life more abundantly (John 10:10). In most situations, we are expected to hide our emotions; that can become detrimental overtime. WE ARE WOMEN... This book, 102 Quotes to Help You Through Any Emotion, will do exactly what it says. It will show you how the things we are going through in this world can be looked at from a Godly perspective. Let this book encourage you to experience life one day at a time, and help you understand what you're feeling. Just remember to pick your head up and keep pressing towards the mark of the high calling of Jesus Christ (Philippians 3:14).
