Was It Really Like That? Gino Gammaldi, 2019-09-11 Gino Gammaldi has a clear memory of the early beginnings of his family who migrated from Italy to Australia in the mid 1950s and has tried to portray those memories in this book in a manner that is sure to engage everyone's interest. Much of the earlier parts of this book are written through the eyes of a child, growing up among everything that should probably relate only to those who are adult enough to cope with such

hardships, temptations, sorrows, and disappointments. But, as a child, these elements became a part of the simple life that was as normal as anything one could imagine. But, in later stages, Gino also remembers all the good and fun times, and he portrays these beautifully and graphically through the many characters you will encounter in the two volumes of his book. He brings them to life and engages the reader, simply by the humour and by the special qualities that each one of these characters magnifies and how all of these experiences impacted on his own life.

Feel Better Fast and Make It Last Daniel G. Amen, MD, 2018-11-13 If you want to feel happier, more optimistic, more joyful, and resilient, Dr. Amen's groundbreaking new book is for you. We've all felt anxious, sad, traumatized, grief-stricken, stressed, angry, or hopeless at some point in life. It's perfectly normal to go through emotional crises or have periods when you feel panicked or out of sorts. It is how you respond to these challenges that will make all the difference in how you feel—not just immediately, but also in the long run. Unfortunately, many people turn to self-medicating behaviors, such as overeating, drugs, alcohol, risky sexual behavior, anger, or wasting time on mindless TV, video games, Internet surfing, or shopping. And even though these behaviors may give temporary relief from feeling bad, they usually only prolong and exacerbate the problems—or cause other, more serious ones. Is it possible to feel better—and make it last? Renowned physician, psychiatrist, brain-imaging researcher, and founder of Amen Clinics Dr. Daniel Amen understands how critical it is for you to know what will help you feel better fast, now and later. In *Feel Better Fast and Make It Last*, you'll discover new, powerful brain-based strategies to quickly gain control over anxiety, worry, sadness, stress and anger, strengthening your resilience and giving you joy and purpose for a lifetime.
