A Sick Life Tionne Watkins,2017-09-12 A candid memoir of fame, strength, family, and friendship from the lead singer of TLC As the lead singer of Grammy-winning supergroup TLC, Tionne “T-Boz” Watkins has seen phenomenal fame, success, and critical acclaim. But backstage, she has lived a dual life. In addition to the balancing act of juggling an all-consuming music career and her family, Tionne has struggled her whole life with sickle-cell disease—a debilitating and incurable condition that can render her unable to perform, walk, or even breathe. *A Sick Life* chronicles Tionne’s journey from a sickly young girl in Des Moines who was told she wouldn’t live to see 30 through her teen years in Atlanta to how she broke into the music scene and became the superstar musician and sickle-cell disease advocate she is today. Through Tionne’s tough, funny, tell-it-like-it-is voice, she shares how she found the inner strength, grit, and determination to live her dream, despite her

often unpredictable and debilitating health issues. She dives deep into never-before-told TLC stories, including accounts of her friendship with Lisa “Left-Eye” Lopes and her tragic death. Tionne’s unvarnished discussion of her remarkable life, disease, unending strength, and ability to power through the odds offers a story like no other.

Tab Hunter Confidential Tab Hunter,Eddie Muller,2025-05-01 Mesmerizing. — The New York Times Book Review Welcome to Hollywood, circa 1950, the end of the Golden Age. A remarkably handsome young boy, still a teenager, gets discovered by a big-time movie agent. Because when he takes his shirt off young hearts beat faster, because he is the picture of innocence and trust and need, he will become a star. It seems almost preordained. The open smile says, You will love me, and soon the whole world does. The young boy’s name was Tab Hunter—a made-up name, of course, a Hollywood name—and it was his time. Stardom didn’t come overnight, although it seemed that way. In fact, the fame came first, when his face adorned hundreds of magazine covers; the movies, the studio contract, the name in lights—all that came later. For Tab Hunter was a true product of Hollywood, a movie star created from a stable boy, a shy kid made even more so by the way his schoolmates—both girls and boys—reacted to his beauty, by a mother who provided for him in every way except emotionally, and by a secret that both tormented him and propelled him forward. In *Tab Hunter Confidential: The Making of a Movie Star*, Hunter speaks out for the first time about what it was like to be a movie star at the end of the big studio era, to be treated like a commodity, to be told what to do, how to behave, whom to be seen with, what to wear. He speaks also about what it was like to be gay, at first confused by his own fears and misgivings, then as an actor trapped by an image of boy-next-door innocence. And when he dared to be difficult, to complain to the studio about the string of mostly mediocre movies that were assigned to him, he learned that just like any manufactured product, he was disposable— disposable and replaceable. Hunter’s career as a bona fide movie star lasted a decade. But he persevered as an actor, working continuously at a profession he had come to love, seeking—and earning—the respect of his peers, and of the Hollywood community. And so, *Tab Hunter Confidential* is at heart a story of survival—of the giddy highs of stardom, and the soul-destroying lows when phone calls begin to go unreturned; of the need to be loved, and the fear of being consumed; of the hope of an innocent boy, and the rueful summation of a man who did it all, and who lived to tell it all.

Mouse Trap Isabeau,2005-01-05 In the big bad world of cyberspace, those we little know have found a secret home. They are wallflowers and wolves, certifiable and sane, emerging suddenly from the hidden places. Expectations are high; the dangers immeasurable and chat rooms bring them together with the click of a mouse. Mousetrap will make you think twice before logging on again. Stacey suddenly found herself flat on her back; wrists and ankles tied to stakes. A moment later, she could see the pole come smashing down; the ancient' symbols rushing at her, she recognized them all at once, and shrieked her last; Stacey's head snapped off at the neck.

"Pimp: Reflection of My Life " Noble Dee,2013-02-01 In our society today, although used out their original contexts, the words Pimp and Pimpin have been embraced whole-heartedly by todays hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living. However, in his debut release, Donald Ray Lavan (AKA Noble Dee) provides the true definition of both words, separating the real and the facts from the faade and the fiction of todays controversial terminology. Best of all, he describes in very minute details, what the Game (Pimpin) was like for him in his era the 1960s to Y2K (The New Millienium). In this tell all non-fiction: Noble Dee illustrates, in a very blaxploitation mannerhis

personal existence in the game. Not only does he exploit his successes, he also exposes the very grim details of the life; both in tones whereas you the reader bask in his glory, and share his pains; the pain of possibly regret in the life that he cherished for almost four calendar decades. Wholeheartedly, Noble Dee expresses how his own glorification of the game, indirectly allured his first born daughter into a position to be manipulated and exploited by pimps, just as he had manipulated and exploited so many daughters throughout his 35 years plus career. Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book Pimp: The Story of My Life By Iceberg Slim has the entrenching truth behind the lifestyle-termed pimpin been exposed to this degree. Thus, the primary title Pimp:Reflections of My Life.
