Sexy e Proibito JA Low, 2022-11-18 Chloe Jones sta cercando di mettere a tacere lo scandalo di aver lasciato il suo fidanzato, leggenda del Super Bowl, all'altare. Non c'è modo migliore per fuggire che trasformare la sua luna di miele in una vacanza con le amiche. Quello che non si aspettava era di incontrare uno sconosciuto sexy. Com'era il detto: chiodo scaccia chiodo, no? Chloe è pronta per un nuovo inizio, peccato che il suo ex vendicativo le stia rendendo le cose difficili. Finché non ottiene il lavoro dei suoi sogni. Ma non era preparata a trovarsi faccia a faccia con lo sconosciuto sexy che ha conosciuto in vacanza: Noah Stone, il più grande playboy di New York, è il suo nuovo capo. Chloe può essere professionale anche se tutto ciò a cui riesce a pensare sono le sue labbra. E il modo in cui riempie così bene i pantaloni del completo elegante. È

totalmente proibito; tuttavia, è possibile resistere all'attrazione che li unisce?

Dilemmas of a Trading Nation Mireya Solis, 2017-08-01 The balancing of competing interests and goals will have momentous consequences for Japan and the United States in their quest for economic growth, social harmony, and international clout. Japan and the United States face difficult choices in charting their paths ahead as trading nations. Tokyo has long aimed for greater decisiveness, which would allow it to move away from a fragmented policymaking system favoring the status quo in order to enable meaningful internal reforms and acquire a larger voice in trade negotiations. And Washington confronts an uphill battle in rebuilding a fraying domestic consensus in favor of internationalism essential to sustain its leadership role as a champion of free trade. In *Dilemmas of a Trading Nation*, Mireya Solís describes how accomplishing these tasks will require the skillful navigation of vexing tradeoffs that emerge from pursuing desirable, but to some extent contradictory goals: economic competitiveness, social legitimacy, and political viability. Trade policy has catapulted front and center to the national conversations taking place in each country about their desired future direction-

economic renewal, a relaunched social compact, and projected international influence. *Dilemmas of a Trading Nation* underscores the global consequences of these defining trade dilemmas for Japan and the United States: decisiveness, reform, internationalism. At stake is the ability of these leading economies to upgrade international economic rules and create incentives for emerging economies to converge toward these higher standards. At play is the reaffirmation of a rules-based international order that has been a source of postwar stability, the deepening of a bilateral alliance at the core of America's diplomacy in Asia, and the ability to reassure friends and rivals of the staying power of the United States. In the execution of trade policy today, we are witnessing an international leadership test dominated by domestic governance dilemmas.

The Seven Brides for Seven Bachelors Collection Tricia Goyer,2019-06-04 Three complete novels from Tricia Goyer are

now available in a low-priced, one-volume e-collection! Every year, 30–40 young Amish men descend on the cozy little town of West Kootenai, Montana, arriving in the spring to live there for six months and receive “resident” status for the hunting season in the fall. They arrive as bachelors but go home with brides! The Memory Jar Sarah Shelter has lived in West Kootenai for the last ten years and wonders if she will ever fall in love. Since the tragic death of her best friend, she carries her memories in a jar along with the small items connected to them. Now she’s met a kind and gentle man who may be able to break down the wall. But can Sarah risk her heart to finally achieve her dreams? The Promise Box Lydia Wyse, a book editor from Seattle who grew up Amish, returns to the small community of West Kootenai to give comfort to her father after her mother’s death. She is drawn back to the familiar Amish ways after finding her mother’s most precious possession, a Promise Box of prayers and Scripture. What her publisher sees, though, is an opportunity for a sensational “tell-all” book about the Amish. Lydia soon finds herself falling in love with Amish bachelor Gideon Hooley. She wants nothing more than to forget her past and look forward to a future as an Amish bride. But will the pain of her childhood--and her potential betrayal of her community--keep her from committing her whole heart? The Kissing Bridge Rebecca had always strayed a little outside the fold, but nothing could have prepared her family for what she is about to do: abandon the community to attend nursing school. When she stops in West Kootenai, Rebecca finds a lot more in Montana than she had bargained for--namely a handsome working man named Caleb Hooley, who is at a crossroads of his own. A daredevil bachelor with high standards, he has decided he’ll never find an Amish woman who can quench his thirst for adventure. Until the arrival of the pretty Amish girl, fleeing her community in secret. But can this runaway find love with a risk-taker who has lost his faith in God?
