The Complete Malazan Book of the Fallen Steven Erikson, 2014-01-28 All ten volumes of New York Times bestselling author Steven Erikson's epic fantasy series featuring vast legions of gods, mages, humans, and dragons battling for destiny of the Malazan Empire are collected together in one e-Book bundle. In this epic fantasy series, Erikson draws on his twenty years of experience as an anthropologist and archaeologist, as well as his expert storytelling skills. The Complete Malazan Book of the Fallen includes: Gardens of the Moon Deadhouse Gates Memories of Ice House of Chains Midnight Tides The Bonehunters Reaper's Gale Toll the Hounds Dust of Dreams The Crippled God At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Malazan Empire Series Ian C. Esslemont, 2017-10-10 This discounted ebundle includes: Night of Knives, Return of the Crimson Guard, Stonewielder, Orb Sceptre Throne, Blood and Bone, Assail An epic adventure in the extraordinarily imagined world of Malaz! Ian C. Esslemont co-created the world of Malaz with his friend Steven Erikson, and Esslemont's Novels of the Malazan Empire are set in the same world as Erikson's Malazan Book of the Fallen. Night of Knives On the highly prophesized night of the Shadow Moon, the various sects of the shore city prepare for what they fear could be a collision of ancient worlds and demons. Return of the Crimson Guard The return of the mercenary company, the Crimson

Guard, could not have come at a worse time for a Malazan Empire exhausted by warfare and weakened by betrayals and rivalries. There are those who wonder whether the Empress Laseen might not be losing her grip on power... Stonewielder Greymane believed he'd outrun his past. With his school for swordsmanship in Falar, he was looking forward to a quiet life, despite his colleague Kyle's misgivings. However, it seems it is not so easy for an ex-Fist of the Malazan Empire to disappear, especially one under sentence of death. Orb Sceptre Throne Darujhistan, city of dreams, city of blue flames, is peaceful at last; its citizens are free to return to politicking, bickering, trading, and enjoying the good things in life. Yet there are those who will not allow the past to remain buried... Blood and Bone On the continent of Jacuruku, the Thaumaturgs have mounted yet another expedition to tame the neighboring wild jungle. Yet this is no normal wilderness. It is called Himatan, and it is said to be half of the spirit realm and half of the earth. Assail Tens of thousands of years of ice is melting, and the land of Assail, long a byword for menace and inaccessibility, is at last yielding its secrets. Countless adventurers and fortune-seekers have set sail in search of riches... Other Tor books by Ian C. Gardens of the Moon Steven Erikson, 2004-06 Follows the perils of the citizens of the warring Malazan Empire.

Dust of Dreams Steven Erikson, 2010-01-19 The last remaining remnant of the exiled Malazan, commanded by Adjunct Tavore, heads for a confrontation with an unknown enemy in the eastern Wastelands, where unbeknownst to them, other gods and armies, old and new, are assembling for a showdown.

Deadhouse Gates Steven Erikson, 2005-02 In the vast dominion of Seven Cities, in the Holy Desert Raraku, the seer Sha'ik and her followers prepare for the long-propheesied uprising known as the Whirlwind. Unprecedented in size and savagery, this maelstrom of fanaticism and bloodlust will embroil the Malazan Empire in one of the bloodiest conflicts it has ever known, shaping destinies and giving birth to legends . . . Set in a brilliantly realized world ravaged by dark, uncontrollable magic, this thrilling novel of war, intrigue and betrayal confirms Steven Eirkson as a storyteller of breathtaking skill, imagination and originality--a new master of epic fantasy.

Bauchelain and Korbal Broach Steven Erikson, 2009-09-15 The first three tales of Bauchelain and Korbal Broach, the famed necromancers from the Malazan Book of the Fallen, collected in one volume. BLOOD FOLLOWS In the port city of Lamentable Moll, a diabolical killer stalks the streets and panic grips the citizens like a fever. As Emancipor Reese's legendary ill luck would have it, his previous employer is the unknown killer's latest victim. But two strangers have come to town and they have posted in Fishmonger's Round a note, reeking of death-warded magic, requesting the services of a

manservant... **THE HEALTHY DEAD** The city of Quaint's zeal for goodness can be catastrophic, and no one knows this better than Bauchelain and Korbal Broach, two stalwart champions of all things bad. The homicidal necromancers - and their substance-addled manservant, Emancipor Reese - find themselves ensnared in a scheme to bring goodness into utter ruination. Sometimes you must bring down civilization...in the name of civilization. **THE LEES OF LAUGHTER'S END** After their blissful sojourn in Lamentable Moll, the sorcerers Bauchelain and Korbal Broach - along with their manservant, Emancipor Reese - set out on the open seas aboard the sturdy ship Suncurl. Alas, there's more baggage in the hold than meets the beady eyes of the crew, and unseemly terrors awaken. For Bauchelain, Korbal Broach and Emancipor Reese, it is just one more night on the high seas, on a journey without end. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Assail Ian C. Esslemont, 2014-08-05 This followup to Ian C. Esslemont's *Blood and Bone* is sure to delight Malazan fans. Tens of thousands of years of ice is melting, and the land of Assail, long a byword for menace and inaccessibility, is at last yielding its secrets. Tales of gold discovered in the region's north circulate in every waterfront dive and sailor's tavern, and now countless adventurers and fortune-seekers have set sail in search of riches. All these adventurers have to guide them are legends and garbled tales of the dangers that lie in wait -- hostile coasts, fields of ice, impassable barriers and strange, terrifying creatures. But all accounts concur that the people of the north meet all trespassers with the sword. And beyond are rumoured to lurk Elder monsters out of history's very beginnings. Into this turmoil ventures the mercenary company, the Crimson Guard. Not drawn by contract, but by the promise of answers: answers to mysteries that Shimmer, second in command, wonders should even be sought. Arriving also, part of an uneasy alliance of Malazan fortune-hunters and Letherii soldiery, comes the bard Fisher kel Tath. And with him is a Tiste Andii who was found washed ashore and cannot remember his past life, yet who commands far more power than he really should. Also venturing north is said to be a mighty champion, a man who once fought for the Malazans, the bearer of a sword that slays gods: Whiteblade. And lastly, far to the south, a woman guards the shore awaiting both her allies and her enemies. Silverfox, newly incarnated Summoner of the undying army of the T'lan Imass, will do anything to stop the renewal of an ages-old crusade that could lay waste to the entire continent and beyond. Casting light on mysteries spanning the Malazan empire, and offering a glimpse of the storied and epic history that shaped it, *Assail* is the final chapter in the epic story of the Empire of Malaz. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Forge of Darkness Steven Erikson, 2012-09-18 Erikson entered the pantheon of great fantasy writers with his debut *Garden of the Moon*. Now he returns with a trilogy that takes place millennia before the events of the *Malazan Book of the Fallen* and tells a new epic tale.

Blood and Bone Ian C. Esslemont, 2013-05-21 On the continent of Jacuruku, the Thaumaturgs have mounted another

expedition in a bid to tame the neighbouring wild jungle. It is called Himatan, and it is said to be half of the spirit-realm and half of the earth, and ruled by a powerful entity who some name the Queen of Witches and some a goddess: the ancient Ardata. When Saeng's rulers launch an invasion of this jungle, she and her brother begin a desperate mission.

The Second Collected Tales of Bauchelain & Korbal Broach Steven Erikson, 2018-09-20 _____ The necromancers Bauchelain and Korbal Broach - scourges of civilization, raisers of the dead, reapers of the souls of the living, devourers of hope, betrayers of faith, slayers of the innocent and modest personifications of evil - have a lot to answer for and answer they will, but first they must lie, murder and cheat their way through three more escapades in some of the more deprived fringes and impoverished communities of the Malazan Empire. Much to the shame of their long-suffering general factotum, Emancipoor Reese... Here then - for readers' delectation and entertainment - are those escapades, namely the novellas *The Crack'd Pot Trail*, *The Wurms of Blearmouth* and *The Fiends of Nightmaria* . . .

House of Chains Steven Erikson, 2006-08-22 In Northern Genabackis, a tribal raiding party descends into the southern flat lands intent on wreaking havoc. But for Karsa Orlong it marks the beginning of what will prove an extraordinary destiny.

Return of the Crimson Guard Ian C. Esslemont, 2010-04-13 Originally published: UK: PS Pub., 2008.

Gardens Of The Moon Steven Erikson, 2009-07-28 Bled dry by interminable warfare, infighting and bloody confrontations with Lord Anomander Rake and his Tiste Andii, the vast, sprawling Malazan empire simmers with discontent. Even its imperial legions yearn for some respite. For Sergeant Whiskeyjack and his Bridgeburners, and for Tattersail - sole surviving sorceress of the Second Legion - the aftermath of the siege of Pale should have been a time to mourn the dead. But Darujhistan, the last of the Free Cities of Genabackis, still holds out against the empire - and Empress Lasseen's ambition knows no bounds. However, it seems the empire is not alone in this great game. Sinister forces gather as the gods themselves prepare to play their hand . . . Conceived and written on an epic scale, *Gardens of the Moon* is a breathtaking achievement - a novel in which grand design, a dark and complex mythology, wild and wayward magic and a host of enduring characters combine with thrilling, powerful storytelling to resounding effect.

Night of Knives Ian Cameron Esslemont, 2008

Night of Knives Ian C. Esslemont, 2009-05-12 Shunted into the background of a great empire it once founded, the sleepy island city of Malaz frenetically prepares for a once-in-a-generation celestial event that has been foretold to be a precursor to the return of an ancient oppressive force.

The Bonehunters Steven Erikson, 2007-09-18 The Sixth Book of the epic Malazan Book of the Fallen from bestselling author Steven Erikson. In *The Bonehunters*, in the ever decimating Malazan Empire, a war is brewing between mortal and immortals, gods and mages, that will decide once and for all who shall exist and who shall perish. The Seven Cities Rebellion has been crushed. Sha'ik is dead. One last rebel force remains, holed up in the city of Y'Ghatan and under the fanatical

command of Leoman of the Flails. The prospect of laying siege to this ancient fortress makes the battle-weary Malaz 14th Army uneasy. For it was here that the Empire's greatest champion Dassem Ultor was slain and a tide of Malazan blood spilled. A place of foreboding, its smell is of death. But elsewhere, agents of a far greater conflict have made their opening moves. The Crippled God has been granted a place in the pantheon, a schism threatens and sides must be chosen. Whatever each god decides, the ground-rules have changed, irrevocably, terrifyingly and the first blood spilled will be in the mortal world. A world in which a host of characters, familiar and new, including Heboric Ghost Hands, the possessed Apsalar, Cutter, once a thief now a killer, the warrior Karsa Orlong and the two ancient wanderers Icarium and Mappo--each searching for such a fate as they might fashion with their own hands, guided by their own will. If only the gods would leave them alone. But now that knives have been unsheathed, the gods are disinclined to be kind. There shall be war, war in the heavens. And, the prize? Nothing less than existence itself... Here is the stunning new chapter in Steven Erikson magnificent Malazan Book of the Fallen--hailed as an epic of the imagination and acknowledged as a fantasy classic in the making. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Orb Sceptre Throne Ian C. Esslemont, 2012-05-22 The discovery of a sealed vault triggers discord throughout Darujhistan, where a merchant tries to drive out Malazans, a thief gambles with the fate of the city, and a Malazan veteran seeks his fortune in Moon's Spawn fragments.
