Diseases Of The Hearts And Their Cures Islam IBN Taymiyyah,

*The Diseases of the Hearts and Their Cures* Shaykhul-Islam ibn Taymiyyah, 2000

**“The Divine Cure of Coronavirus and Widespread Diseases”** Dr. Mira Bajirova, 2020-04-27 Coronavirus is one the Minor Signs of the End of the World. This life is only temporary passage to the eternal life in the Hereafter and fulfilled of the trial and tribulations to judge who obey and who disobey Almighty Allah, who are the best in deeds, to distinguish Truth from falsehood, righteous from wicked, patient from impatient, then to reward or punish accordingly. Allah created humans only to worship Him and He has chosen Islam for all mankind. He sent down the Noble Qur’an to His Messenger to guide people to Paradise and to warn the disbelievers. “And I (Allah) created not the Jinn and humans except they should worship Me (Alone).” (Qur’an, Adh-Dhariyat 51:56) “And whoever seeks a religion other than Islam, it will never be accepted of him, and in the Hereafter he will be one of the losers.” (Qur’an, Ali ‘Imran 3:85) The sins cause the disease and calamity, refer to “Disease is an Expiation of the Sins”. Coronavirus is a Warning for the disbelievers (all non-Muslims) to repent, He may forgive and bless with the Paradise and it is a punishment for those who continue with the sins. Coronavirus is a Jinn (Demonic) Possession due to the sins. The sins and Demons can be removed only by Allah: Ruqyah, Negative Ions and Prophetic Medicine.

**Diseases of the Heart and Their Cure** Shaykh Al-Islam Ibn Taymiya, 2023-09-26 This book offers a deep understanding of spiritual heart disease, which has become prevalent in our society today. We live in an era when the trials of doubt and desire have become unrestrained and have filled most of our hearts with spiritual diseases. In addition, there are so few scholars who give authentic advice, and those who use effective spiritual treatments have become so rare. We feel an urgent need to cleanse our hearts, to cleanse them of these diseases and to protect them from what surrounds them. And we can think of no one else than Shaykh al-Islam ibn Taymiyyah (may Allah have mercy on him) who explained to us the reality of our ailments and the proper use of remedies so that we can be cured with the help of Allah.

The Book of Natural Medicine from the Sunnah IDP Research Division, 2019-02-05 Throughout the history of humankind, man has been searching for cures for his many ailments. No doubt, many of our modern ailments are brought about by a libertine lifestyle, coupled with a lack of faith and weakness of belief in our Creator. The Prophet Muhammad (S) was sent as a guide, and mercy for all of humankind, and as such was given wisdom by Allah that is beneficial to humanity. The medicine of the Prophet (S) is not restricted to spiritual healing alone. In fact, it balances the healing of the soul and the physical body in order to prepare man for a better life in the Hereafter. The Prophets deliver remedies that cure the heart from whatever afflicts it. These Prophetic remedies strengthen the heart and increase the reliance and dependence on Allah. They also aid in seeking refuge, being humble and showing meekness before Him, begging Him, giving charity and supplicating to Him. It includes repenting to Allah, seeking His forgiveness, practicing kindness towards His creation and aiding those in desperate need and those who have suffered a calamity. These cures have been tried by various nations who have found them to carry the cure that doctors can never prescribe on their own, whether by experimentation or scientific observations. Prophetic cures are found to be more powerful than any type of regular medicine. The hearts that are connected with the Lord of the Worlds - the Creator of the illness and its cure and He Who governs the affairs of everything and everyone - require special types of remedies that are nothing like those required for the hearts that are far away from their Lord. Besides, whenever the soul and the heart become stronger (spiritually), they will cooperate to defeat the illness. We are privileged to present this book, Natural Medicine from the Sunnah, based on an extracted work of Ibn Al-Qayyim Al-Jawziyyah, to the readers in order to provide them with information, knowledge and wisdom in dealing with the numerous ailments that afflict us. As-Suyuti's Medicine of the Prophet, May Allah Bless Him and Grant Him Peace Suyūṭī, 199?

Diseases of the Hearts & Their Cures Ibn Taymiyyah, 2018-09-28 Actions are distinguished, one from the other, with respect to their excellence in the Sight of Allah in accordance with the condition of the heart, not by their number or form,

but rather due to the strength of the caller, his truthfulness, his sincerity and the extent to which he prefer Allah over himself. The heart has been singled out for this because it is the leader of the body, and through the purification of the leader the subjects become purified, and with his corruption they become corrupted. So if you, Observant of Allah, wish to cure your hear then it is upon you to be truthful with regards to seeking refuge with Allah and putting your trust in Him, to pray a great deal of supererogatory prayers, to perform the actions of obedience to Allah frequently, to pray the night prayer while the people are sleeping, and to treat your heart by making it continuously stick to the remembrances and by befriending only the righteous and to frequently recite the Quran. And Allah will indeed allow all of this to be preserved by him.

**Remedies from the Holy Qur'an** Fisabilillah Organization, 2016-01-19 INTRODUCTION It is natural in this life that people will suffer worries and stress, because this world is a place of disease, hardship and suffering. It is also natural in this life that people have to put up with suffering and hardship for various reasons, as is indicated in the Qur'an: Man has been created weak. An-Nisa 28 The Prophet [PBUH] said: Whatever the disease, Allah Ta'ala has created a medication for it, regardless of the fact that some men may come to know what this medication is and others may not. It is also natural that people have their own problems, worries and diseases in this life, but what should count is how one deals with all of them. The believer will seek solutions to such worries in the Holy Qur'an and Sunnah where there is the true remedy. This book contains rescriptions for problems, worries, disease and much more; the sources being the Holy Qur'an and Sunnah, as well as the experiences of the pious, as long as they are in accordance to the Qur'an and Sunnah.
