Missionary Disciples Going Forth with Joy: National Pastoral Plan for Hispanic/Latino Ministry - Discípulos Misioneros en Salida con Alegría: Plan Pastoral Nacional para el Ministerio Hispano/Latino United States Conference of Catholic Bishops, 2023-08-04 This is a dual-language book, formatted with an English translation in the front and Spanish translation in the back. The Hispanic/Latino community is a blessing from God for the Church and for our country. During the last few decades in particular, Hispanics/Latinos have reinvigorated the life and mission of thousands of parishes and other Catholic institutions and organizations. Missionary Disciples Going Forth with Joy: National Pastoral Plan for Hispanic/Latino Ministry addresses the entire Church in the United States and seeks to strengthen the Church's response to the Hispanic/Latino presence, while embracing and fostering the contributions of Hispanic/Latino Catholics as missionary disciples serving the entire People of God. This document from the U.S. bishops comes in direct response to the priorities, recommendations, and pastoral insights generated during the V National Encuentro for Hispanic/Latino Ministry. Given the ongoing growth of the Hispanic/Latino population across the country, the establishment of Hispanic/Latino ministry in more parishes and other pastoral settings is a high priority. Included in the National Pastoral Plan are the following: The vision and pastoral guidelines that provide a strong foundation for Hispanic/Latino ministry intended for pastoral ministers and educators Pastoral strategies and priorities for dioceses, parishes, regions, and other pastoral settings for pastoral ministers at various levels of experience in Hispanic/Latino ministry National objectives and activities, led by the United States Conference of Catholic Bishops, for implementation over the next ten years Este es un libro en dos idiomas, formateado con una traducción al inglés al principio y una traducción al español al final. La presencia hispana/latina entre nosotros es una bendición de Dios para la Iglesia y para nuestro país. Particularmente en las últimas décadas, hemos sido testigos de cómo nuestra comunidad hispana/latina ha revitalizado la vida y la misión de miles de parroquias y otras instituciones y organizaciones católicas. Discípulos Misioneros en Salida con Alegría: Plan Pastoral Nacional para el Ministerio Hispano/Latino se dirige a toda la Iglesia en los Estados Unidos, con el propósito de fortalecer la respuesta de la Iglesia a la presencia hispana/latina, al tiempo que acoge y fomenta las contribuciones de los católicos hispanos/latinos como discípulos

misioneros al servicio de todo el Pueblo de Dios. Este documento de los obispos de los Estados Unidos es una respuesta directa a las prioridades, recomendaciones y perspectivas pastorales generadas durante el V Encuentro Nacional de Pastoral Hispana/Latina. Dado el continuo crecimiento de la población hispana/latina en todo el país, el establecimiento de la pastoral hispana/latina en más parroquias y otros entornos pastorales constituye una máxima prioridad. Este Plan Pastoral Nacional incluye lo siguiente: La visión y las líneas de acción pastoral crean una base sólida para la pastoral hispana/latina y están dirigidas a los ministros pastorales y a los educadores Estrategias y prioridades pastorales para diócesis, parroquias, regiones y otros entornos pastorales y para ministros pastorales con diversos niveles de experiencia en la pastoral hispana/latina Objetivos y actividades nacionales, dirigidos por la Conferencia de Obispos Católicos de los Estados Unidos (USCCB), para su implementación en los próximos diez años

Herramienta Para Maestría Y Doctorado Editorial Universitaria Libertad, 2016-07-14 La elaboración de una tesis de maestría es una tarea compleja pues involucra dimensiones conceptuales y lingüísticas de gran envergadura. En este artículo

se presentan los resultados de una investigación que indaga acerca de las percepciones que tienen estudiantes de maestría, magíster y directores de tesis acerca de las dificultades y retos que implica hacer una tesis. Se entrevistó a 7 estudiantes que se graduaron; 7 que no lo hicieron; 7 directores de tesis y 3 miembros del comité asesor. Los resultados muestran que los momentos iniciales (delimitar un tema, elaborar el estado de la cuestión y el marco teórico, hacer el diseño metodológico) y finales (redactar) son los más complejos y por lo tanto son los momentos donde más se necesita de un acompañamiento. Además, se marcan las pautas para la tesis doctoral. Una tesis doctoral es un estudio escrito sobre una investigación de carácter original efectuada por un estudiante o un escritor con base en un análisis de publicaciones hechas por otros sobre un tema dado. La tesis doctoral permite acceder al grado de Doctor. De acuerdo con la definición ya clásica de Umberto Eco, se trata de «un trabajo mecanografiado de una extensión media que varía entre cien y las cuatrocientas páginas, en el cual el estudiante trata un problema referente a los estudios en que quiere doctorarse».1 Sin embargo, la extensión exigida a las tesis doctorales depende mucho del área de conocimiento en la que se inscriba, así como del país en el que se desarrolla. Así, por ejemplo, en el caso de los estudios científicos la extensión suele ser mucho menor que en el de las Humanidades, y en los países anglosajones generalmente menor que en los países latinos. El tiempo estimado de redacción de una tesis también varía, aunque suele estar entre los tres y los cinco años, dependiendo una vez más del país y del tema.
