Control Omar Tyree,2025-04-29 Six talented but dangerously toxic personalities in the entertainment hotbed of Atlanta push their psychologist to her own vulnerable limits - and maybe beyond - in this enthralling, knife-edged thriller from NAACP Image Award-winning author Omar Tyree. Dr. Victoria Benning knows it's unethical to discuss the therapy sessions of her clients, but the drama of their unpredictable lives tests her professional role like never before . . . There's the brutally honest, gorgeous rap artist who uses sex to elevate her career . . . the hot young film director and master manipulator with a fetish for opportunistic women . . . the frustrated screenwriter, part-time driver, and full-time complainer who desperately needs a break . . . the music producer who prays for a blood sacrifice in order to succeed . . . the venture capitalist from a slave-ownership family, who now suffers from a spell of White guilt. . . . And finally, the hopeless dreamer who struggles to keep her mouth and mind at peace—while harassing the tolerant doctor she hopes will ultimately help her. Working tirelessly, Dr. Benning observes a treacherous common denominator that plagues all six clients: a desperate impulse to grasp control of everything and everyone in their lives—no matter the cost. It's a struggle with which she's all too familiar. Determined to head off tragedy, she comes up with a brilliant game plan to make their collective talents work in everyone's

favor. . . . But soon, inexplicable events turn fatal, as the doctor finds her plan, her career, and her personal life spiraling into madness—and hopelessly out of control.

Cruisin' Around Say-Town Mike Mullins,2007-12 Welcome to San Antonio, a great place to raise your kids and live life at a nice pace yet enjoy the professional sports and events of other large cities. Yet it also has a dark side. Cruisin' Around Say-Town presents a side of town that the Chamber of Commerce doesn't want you to see. Heavy drug use, promiscuous sex, betrayals, all told out in the open by three separate narrators who each have a different idea of what is being set before them. The reader learns each of these characters' M.O. by how they handle the problems before them. The reader also learns that life in this sector of San Antonio is not as great or fun as first thought, especially when certain actions begin to polarize this once peaceful group of friends. Cruisin' Around Say-Town, the debut novel of author Mike Mullins, presents a world where there are no easy answers, where selfishness and betrayal trump any hope of brotherhood and sisterhood, and finally that your only way out may not be in this world at all.

Tits Up Sarah Thornton, 2024-05-07 “An excellent new book.... [You] will not look at breasts in the same way again.” —Economist An innovative investigation of the five strange worlds that worship women’s chests. After years of biopsies, best-selling author Sarah Thornton made the difficult decision to have a double mastectomy. But, after her reconstructive surgery, she was perplexed: What had she lost? And gained? An experienced sleuth, she resolved to venture behind the scenes to uncover the social and cultural significance of breasts. Riotous and galvanizing, *Tits Up* excavates the diverse truths of mammary glands from the strip club to the operating room, from the nation’s oldest human milk bank to the fit rooms of bra designers. Thornton draws insights from plastic surgeons, lactation consultants, body-positive witches, lingerie models, and “free the nipple” activists to explore the status of breasts as emblems of femininity. She examines how women’s chests have become a billion-dollar business, as well as a stage for debates about race, class, gender, and desire. Everywhere she turns, Thornton encounters chauvinist myths about this elemental body part that quietly justify deficits in women’s bodily autonomy and endorse shortfalls in their political status. Blending sociology, reportage, and personal narrative with refreshing optimism and wit, Thornton has one overriding ambition—to liberate breasts from centuries of patriarchal prejudice.
