The Leadership Acronym Fofa Thomas, 2016-07-13 The Leadership Acronym is based on leadership abilities. On how a leader can gain and use influence to win over the hearts of people and to get desired things done. Anyone who has ever led an organisation, a group of people or a department has struggled at the beginning as a leader. Not because they lack ideas or have wrong motives, but because they lack the unique leadership ingredient. It takes influence for any leader to successfully lead. Without influence, leadership will be based on power and position where the leader will abuse and assault people in order to carry out instructions. Leadership is not meant for a selected few. There is no one born with the wisdom of leadership. All successful leaders learn to lead.

1000 Brilliant Achievement Quotes, 2004 Each of us needs encouragement. As we face obstacles to our integrity and our personal progress we often look to the advice of the wisest. This volume provides the most brilliant wisdom regarding achievement handed down over the ages. I have sifted through tens of thousands of quotes, reluctantly discarding most of them, in an effort to bring you the most brilliant of them. You may wish to use this volume as a reference work. But I encourage you to read it from cover to cover initially. Like eating hot cayenne pepper sauce, the effect of reading powerful quotes produces an accumulated potency. The more you read, the stronger the impact.

Wisdom from M's: Lessons Learned from Moms, Mentors and Mistakes Nicole Newman, 2014-07-10 We all know that words can be used to hurt or used to heal. I have witnessed words that forever scared a child all the way into adulthood or transformed thinking for an entire lifetime that affected multiple generations. I recently read The word no is heard with great frequency in our lives. There are signs all over our landscape with messages that read no smoking, no parking or no skateboards. The word no is just a fact of life for us all. I was not raised to accept no. My follow-up was Why Not. My mother took the time to explain but sometimes the answer would be Life is not fair. This book is dedicated to my mom and the many mentors and writers who used the power of their words to allow me to dream bigger dreams that someday this little girl from West Philadelphia could make a mark on this world to change the answer of Life is not fair, to an answer that says life is fair regardless of economic status, gender, race, creed, color or religion In sha Allah
