To Love and Be Loved Sam Keen,1999-05-04 To Love and Be Loved is a spirited challenge to a culture obsessed with romance and intimacy but dangerously ignorant of the full range of human love. Like a fresh wind, Sam Keen sweeps away tired self-help nostrums and reams of bad advice from Dr. Lonelyhearts to reveal a stunningly new map of love in all its forms. Love is not something we fall into, claims Keen, but a complex art combining many skills and talents that take a lifetime to learn fully. At the center of his book are sixteen distinct elements of love: ranging from attention--a precious gift we can bestow on co-worker, friend, child, and spouse alike--to more exclusive gifts like desire and sexuality. Combining stories, poems and quotes with insights from modern psychology and spiritual tradition, Keen brilliantly explores the elements of memory and solitude in love, the importance of both enjoyment and commitment, and how we can cultivate the essential qualities of empathy and compassion. Each piece ends with suggestions for strengthening our daily practice of the element, so that we constantly enlarge our ability to love in all our relationships. The final section of the book is a soaring meditation on the claim that those who love know God, an invitation to experience our place in the universe through the eyes of love.

To Love and Be Loved Jim Towey,2023-09-05 From a trusted advisor and devoted friend of Mother Teresa comes a "powerful" (The Washington Free Beacon) firsthand account of the miraculous woman behind the saint and a book that is

“rich in reflection on contemporary sanctity” (George Weigel). Mother Teresa was one of the most admired women of the 20th century, and her memory continues to inspire charitable work around the world. She believed the greatest need of a human being is to love and be loved. In 1948, she founded the Missionaries of Charity to work directly with the very poorest of Calcutta. From the efforts of one woman entering the slums of Entally, the Missionaries of Charity grew into an organization operating soup kitchens, health clinics, hospices, and shelters in 139 countries, at no cost to any government or to those who served. In 2016, she became Saint Teresa of Calcutta. Author Jim Towey had been a high-flying Congressional staffer and lawyer in the 1980s until a brief meeting with Mother Teresa illuminated the emptiness of his life. He began volunteering at one of her soup kitchens and using his legal skills and political connections to help the Missionaries of Charity. When Mother Teresa suggested he take up shifts at her AIDS hospice, Towey realized he was all in. Soon, he gave up his job and possessions and became a full-time volunteer for Mother Teresa. He traveled with her frequently, arranged her meetings with politicians, and handled many of her legal affairs. To Love and Be Loved is an “inspiring and joyful” (Kirkus Reviews) firsthand account of Mother Teresa’s last years, and the first book ever to detail her dealings with worldly matters. We see her gracefully navigate the opportunities and challenges to leadership, the perils of celebrity, and the humiliations and triumphs of aging. We also catch her indulging in chocolate ice cream, making jokes about mini-skirts, and telling the President of the United States he’s wrong. Above all, we see her extraordinary devotion to God and to the very poorest of His children. Mother Teresa taught Towey to be more prayerful, less selfish, more humble, less worldly, move in love with God, and less in love with himself. Her lessons are here for all to share.

You feel like you are not good enough for the man you love, like you are not up to his standards. When you have low self-esteem, you tend to be needy and desperate for a man. What you need to understand is that if you do not respect yourself, a man will never respect you. If you feel like you are not attractive enough, not smart enough, not confident enough, not charming enough, not interesting enough, then you have very low self-esteem. It is the purpose of your life. It is the key to your happiness and to the evolution of the world. Loveability is a meditation on love. It addresses the most important thing you will ever learn. All the happiness, health, and abundance you experience in life comes from your ability to love and be loved. This ability is innate, not acquired. Robert Holden is the creator of a unique program on love called Loveability, which he teaches worldwide. He has helped thousands of people to transform their experience of love. Here, he weaves a beautiful mix of timeless principles and helpful practices about the nature of true love. With great intimacy and warmth, he shares stories, conversations, meditations, and poetry that have inspired him in his personal inquiry on love. Key themes include: • Your destiny is not just to find love; it is to be the most loving person you can be. • Self-love is how you are meant to feel about yourself. It is the key to loving others. • When you think something is missing in a relationship, it is probably you. • Forgiveness helps you to see that love has never hurt you; it is only your misperceptions of love that hurt. • The greatest influence you can have in any situation is to be the presence of love. "Love is the real work of your life," says Robert. "As you release the blocks to love you flourish even more in your relationships, work, and life."
