

# El Matrimonio Igualitario En Costa Rica

**Sahuí, Alejandro,García Higuera, Rubén**

**Sí, acepto** Palestra Editores,Paula Siverino Bavio,2023-12-07 Este libro gira en torno a la experiencia de la exitosa campaña Sí, acepto en Costa Rica, desde la perspectiva de algunas y algunos de sus principales protagonistas, detallando antecedentes, apoyos, estrategias de publicidad, argumentos legales, obstáculos y aprendizajes. Asimismo, tiene de telón de fondo una de las piezas jurídicas más importantes y bellas de los últimos años: la Opinión Consultiva OC-24/17 de la Corte Interamericana de Derechos Humanos sobre Diversidad Sexual y Derechos Humanos. Si algo hemos querido reflejar en esta obra es la importancia de encarar una estrategia integral, que tenga como objetivo final un cambio de percepción que permita transitar de la intolerancia al respeto y la inclusión de las personas LGBTIQ+, y esa tarea no es exclusivamente legal. Detrás de cada logro jurídico, existen cientos de miles de personas que viven y transitan vidas limitadas por la intolerancia y la discriminación, experiencias de dolor, alienación y violencia, pero, también, historias de inmensa resiliencia, inspiración y compromiso.

*LGBTQ Politics in Nicaragua* Karen Kampwirth,2022-06-21 The modern political tumult of Nicaragua includes revolution, dictatorship, and social movements. LGBTQ Politics in Nicaragua explores the untold stories of the LGBTQ community of Nicaragua and its role in the recent political history of the country. Karen Kampwirth is a renowned scholar of the Nicaraguan Revolution, who has been writing at the intersection of gender and politics for decades. In this chronological telling of the last fifty years of political history in Nicaragua, Kampwirth deploys a critical new lens: understanding politics from the perspective of the country's LGBTQ community. Kampwirth details the gay and lesbian guerrillas in the 1960s and 1970s, Nicaragua's first openly gay television wizard in the 1980s, and the attempts by LGBTQ revolutionaries to create a civil rights movement and the subsequent squashing of that movement by the ruling Sandinista party. She analyzes the shifting political alliances, the rise of strong feminist and LGBTQ movements in Nicaragua, and the attempts by the administration of Daniel Ortega to co-opt and control these movements. Ultimately, this is a story of struggle and defeat, progress and joy. This timely book provides a well-documented review of LGBTQ politics in modern Nicaragua, helping us to see the Sandinista Revolution and its ongoing aftermath in a new light.

**Matrimonio igualitario** Laura Clérigo,Martín Aldao,2018-01-18 En 2010 se aprobó en el Senado argentino la inclusión del matrimonio igualitario que abrió a las parejas del mismo sexo la posibilidad de acogerse al régimen de matrimonio civil,

hasta ese momento restringido a las parejas heterosexuales. La sanción de esta ley estuvo precedida por un amplio debate público. Este libro se propone como un aporte a la discusión sobre la diversidad, los derechos y la democracia, en cuyo marco la sanción de la Ley 26.618 de matrimonio igualitario constituye un hito histórico. Si bien recoge trabajos de sociólogos, polítólogos y abogados, algunos de los cuales estuvieron involucrados en las audiencias previas a la sanción de esta ley, esperamos que resulte de interés al lector no especializado en la temática y que sirva tanto a activistas como a académicos.

**Politics and Political Elites in Latin America** Manuel Alcántara, Mercedes García Montero, Cristina Rivas Pérez, 2020-09-22 This book presents in-depth analyses of the data gathered for 26 years by the Political Elites of Latin America project (PELA), the most comprehensive database about the topic in the world. Since 1994, PELA has conducted around 9,000 personal interviews with representative samples of the Legislative Powers of 18 Latin American countries, generating a unique resource for the study of political elites in a comparative perspective. Now, this contributed volume brings together studies that dig into the data gathered by PELA to discuss important topics related to the challenges faced by representative democracy in Latin America. After an introductory chapter that presents the potential of the PELA database, the book is structured in two parts. The first addresses in eight chapters important aspects of representative democracy such as political ambition, political trust, satisfaction with democracy, clientelism and the quality of democracy. It then discusses three relevant issues in Latin American political dynamics such as executive-legislative relations, women's participation as representatives, and the meaning of China and the United States in national politics. The second part addresses in five chapters studies of seven national cases that are representative of regional heterogeneity. These chapters aim to examine parliamentarian elites' attitudes in different political systems with regard to a variety of relevant issues such as institutional trust, satisfaction with democracy, Executive-Legislative relations, clientelism, and gender questions. Furthermore, these chapters intend to evince the evolution of such attitudes in the course of the last two decades. Politics and Political Elites in Latin America: Challenges and Trends will be of interest to scholars and students of comparative politics in general and, more particularly, to those interested in the challenges faced by representative democracy not only in Latin America, but in many parts of the world.

*Fundamental Perspectives on International Law* Tracy H. Slagter, John D. Van Doorn, 2022-12-15 How does international law impact the behavior of states? This book designed for students in multiple disciplines offers a comprehensive, accessible introduction to the 'law of nations,' detailing the evolution of state practice in response to an ever-changing, diverse world. In this new edition of William Slomanson's foundational text, the new authors, Professors Slagter and Van Doorn, trace how states manage their sovereignty in myriad ways, working through treaties, international organizations, and international courts to secure their own as well as global interests. With special emphasis on five key areas—human rights, the use of force, human security and humanitarian intervention, environmental protection, and economic relations—the authors illustrate both

the power and limits of international law to provide structure and predictability on a globalized planet. Real-world problem sets, annotated bibliographies, and a practical guide to studying international law make this a text that students and instructors alike will appreciate.

**Pactos y Tratados Nacionales e Internacionales** Patricio Maraniello,2022-05-11 El libro consta de ocho (8) capítulos, en los que se encontrarán desarrolladas las relaciones existentes entre los pactos nacionales e internacionales y la justicia constitucional y trasnacional, el derecho de familia, los pueblos originarios, la administración pública, el derecho animal, las nuevas tecnologías, y los derechos humanos. También en la obra se hace un análisis del Pacto de Olivos a 25 años de su firma -base de la reforma constitucional de 1994-, que diera origen al nuevo constitucionalismo argentino y el proceso de humanización de los derechos. Finalmente, la obra hace hincapié en que los tratados no son fruto de un debate de ideas, sino que son producto de un acuerdo fuerte y duradero que da origen así a una paz real y concreta, sin olvidarnos que el término tratados es sinónimo de compromiso, y esa es la matriz más importante de ello.

The Routledge Handbook of Political Communication in Ibero-America Andreu Casero-Ripollés,Paulo Carlos López-López,2024-10-31 The Routledge Handbook of Political Communication in Ibero-America addresses the relationship between communication, politics, and digital technologies in Latin American and the Iberian Peninsula, a geographical space linked by social, cultural, and linguistic aspects. In recent years, digital media have been central in the dialogue established by political parties, institutions, the media, and citizens. In this hybrid space emerged certain phenomena that are of interest, particularly in the Ibero-American landscape, including disinformation and fake news, protests on social media, the organization of social movements, the relationship between the press and the state, political participation, populism, the role played by emotions and memes, the impact of AI and platformization on politics, and topics of debate in the public sphere. This Handbook is structured into nine parts, beginning with a historical contextualization and then exploring central aspects of the discipline. It then goes on to study trends at the regional level, increasing knowledge about how political communication and digital technologies are changing multiple aspects of Ibero-American societies, where political communication plays a fundamental role – especially in electoral processes, with its consequent effects on democracy. This Handbook will be of interest to academics, students, and professionals in the fields of political science, communication, journalism, advertising, marketing, and sociology, as well as public opinion consulting. It will be of particular interest to undergraduate and postgraduate students from Latin America, Portugal, and Spain.

**The Routledge Companion to Media Disinformation and Populism** Howard Tumber,Silvio Waisbord,2021-03-23 This companion brings together a diverse set of concepts used to analyse dimensions of media disinformation and populism globally. The Routledge Companion to Media Disinformation and Populism explores how recent transformations in the architecture of public communication and particular attributes of the digital media ecology are conducive to the kind of

polarised, anti-rational, post-fact, post-truth communication championed by populism. It is both interdisciplinary and multidisciplinary, consisting of contributions from both leading and emerging scholars analysing aspects of misinformation, disinformation, and populism across countries, political systems, and media systems. A global, comparative approach to the study of misinformation and populism is important in identifying common elements and characteristics, and these individual chapters cover a wide range of topics and themes, including fake news, mediatisation, propaganda, alternative media, immigration, science, and law-making, to name a few. This companion is a key resource for academics, researchers, and policymakers as well as undergraduate and postgraduate students in the fields of political communication, journalism, law, sociology, cultural studies, international politics and international relations.

**El camino para la aprobación de derechos sobre matrimonio igualitario** Diana Marcela Bejarano

Rodríguez,2022-04-27 La presente investigación busca determinar, a través de las teorías de las estructuras de oportunidades políticas y los marcos de acción, por qué el proceso de aprobación del derecho al matrimonio igualitario es diferente en países con profundas similitudes institucionales y culturales.

**The Latin American Casebook** Juan F. Gonzalez-Bertomeu,Roberto Gargarella,2016-04-20 Traditionally relegated because of political pressure and public expectations, courts in Latin America are increasingly asserting a stronger role in public and political discussions. This casebook takes account of this phenomenon, by offering a rigorous and up-to-date discussion of constitutional adjudication in Latin America in recent decades. Bringing to the forefront the development of constitutional law by Latin American courts in various subject matters, the volume aims to highlight a host of creative arguments and solutions that judges in the region have offered. The authors review and discuss innovative case law in light of the countries' social, political and legal context. Each chapter is devoted to a discussion of a particular area of judicial review, from freedom of expression to social and economic rights, from the internalization of human rights law to judicial checks on the economy, from gender and reproductive rights to transitional justice. The book thus provides a very useful tool to scholars, students and litigants alike.

**ERA ELLA PARA ELLA ...pero el mundo no lo permitió** LORENA GUTIÉRREZ CABRERA,2024-07-08 Si alguna vez has tenido algún amor imposible... Este libro es para ti. ERA ELLA PARA ELLA, es una obra que estremece escarbando en las sensibles heridas de una comunidad poco escuchada por una sociedad llena de prejuicios, aún en el siglo XXI, donde supuestamente la libertad es lo primero, lo primordial, sin embargo, deja mucho que desear, pues resulta difícil aceptar tantas cosas, como el amor entre dos almas y no sólo dos cuerpos, dos almas de cuerpos iguales, de suaves pieles, de ojos angelicales; de dos mujeres; o de dos hombres de más agudas pieles. En este libro se presenta una historia con tintes de novela, donde la protagonista principal experimenta en carne propia la pérdida de una de las personas más importantes de su vida, con la que ocultaban su amor detrás de cuatro paredes, paredes repletas de recuerdos fúnebres que fueron

viviendo loca a Erna a tal grado de hablar hasta con las hormigas de su jardín, de vez en cuando, aliviando su dolor un poco, el sufrimiento de no haber disfrutado del amor que sentía por Mirya, guardando las apariencias, siendo quienes no eran para no ser juzgadas, porque no dar a conocer sus preferencias sexuales era importante para ambas. Erna narra en voz propia el dolor que vivió desde aquella noche en que cambió su vida para siempre, desde esa noche en que tuvo que desprenderse, desapegarse, de Mirya, para nunca más volver a verla, auto flagelándose por todo lo que no hicieron en vida, juntas, por no aceptar el amor mutuo que se tenían.

Digital Journalism in Latin America Eugenia Mitchelstein, Pablo J. Boczkowski, 2023-02-28 This volume showcases the vibrancy of the study of digital journalism in Latin America. It includes an inquiry into journalists' perceptions of media companies' policies regarding social media use; a survey of investigative reporters; an examination of the interaction between traditional broadcast journalists and online news teams in two television stations in Colombia; research on modes of news consumption on Facebook and WhatsApp in Costa Rica and Chile; and a study of the institutionalization of independent journalism in Brazil. The methods employed by the contributors include surveys, in-depth interviews, eye tracking, and participant observation. These texts reveal differences across and within Latin American media and their audiences. This underscores the importance of abandoning the ethnocentric perspective of most journalism scholarship, which tends to homogenize a supposedly exotic other. In a research field marked by inequality, in which the vast majority of studies, authors, and reviewers are from the Global North, where only 14% of the global population lives, the studies included in this volume illustrate how research about and from the other 86% can increase the representativeness of the scholarly endeavor. It was originally published as a special issue of the journal Digital Journalism.

El libro de la historia LGBTQ+ (The LGBTQ + History Book) DK, 2023-10-31 Descubra la rica y compleja historia del colectivo LGBTQ+ en todo el mundo: sus luchas, triunfos y contribuciones culturales. Este libro explora y detalla las ideas y eventos más importantes de la historia y la cultura LGBTQ+ y nos muestra así toda la experiencia LGBTQ+. Se trata de un relato diverso y global, que explora los momentos, movimientos y fenómenos más importantes, desde la primera poesía de amor lesbica conocida de Sappho hasta los estudios de sexualidad modernos de Kinseys, e incluye biografías de figuras clave, de Anne Lister a Allen Ginsberg. 'El libro de la historia LGBTQ+' celebra las victorias y los triunfos de las personas LGBTQ+ a lo largo de la historia, como los disturbios de Stonewall y las primeras cirugías transgénero, además de commemorar acontecimientos trágicos y persecuciones, desde la policía nocturna del renacimiento italiano hasta las políticas No preguntas, no digas del siglo XX. También recoge elementos culturales clave - el lenguaje secreto de la cultura polari, la cultura de salas de baile negra y latinx y las muchas banderas de la comunidad - y resigue la historia de los espacios LGBTQ+, desde las casas Molly del siglo XVIII hasta los barrios gay modernos. Con la combinación de textos autorizados y accesibles y gráficos impactantes típica de la serie Grandes ideas, 'El libro de la historia LGBTQ+' celebra la larga, orgullosa

y a menudo oculta historia de las personas, culturas y lugares LGBTQ+ de todo el mundo. Discover the rich and complex history of LGBTQ+ people around the world-their struggles, triumphs, and cultural contributions. Exploring and explaining the most important ideas and events in LGBTQ+ history and culture, this book showcases the breadth of the LGBTQ+ experience. This diverse, global account explores the most important moments, movements, and phenomena, from the first known lesbian love poetry of Sappho to the Kinseys' modern sexuality studies, and features biographies of key figures from Anne Lister to Allen Ginsberg. 'El libro de historia LGBTQ+' celebrates the victories and untold triumphs of LGBTQ+ people throughout history, such as the Stonewall Riots and first transgender surgeries, as well as commemorating moments of tragedy and persecution, from the Renaissance Italian Night Police to the 20th century Don't Ask Don't Tell policy. The book also includes major cultural cornerstones-the secret language of polari, Black and Latinx ballroom culture, and the many flags of the community-and the history of LGBTQ+ spaces, from 18th-century molly houses to modern gayborhoods. Using the Grandes ideas series' trademark combination of authoritative, accessible text and bold graphics, The LGBTQ+ History Book celebrates the long, proud-and often hidden-history of LGBTQ+ people, cultures, and places from around the world.

*Familia, Familias y Constitución* CARLOS EDUARDO GARCÍA GRANADOS,2025-07-31 Asuntos contemporáneos del Derecho de Familia en Colombia. La realidad de las familias en Colombia, el ejercicio de la capacidad legal de las personas, el matrimonio igualitario y las Familias diversas, la familia multiespecie, la familia de crianza, las causales de divorcio, inteligencia artificial y lenguaje claro en derecho de Familia, custodia compartida, las nuevas violencias y su impacto en la jurisprudencia.

*Same-Sex Couples before National, Supranational and International Jurisdictions* Daniele Gallo,Luca Paladini,Pietro Pustorino,2013-12-02 The present volume focuses on the jurisprudence of national, supranational and international jurisdictions (and quasi-juridictions) as regards the legal status of same-sex couples. Its aim is to explore the content, rationale, functioning and potential of the different jurisdictions' reasonings and their contribution to the strengthening of LGBTI rights (and duties). As a consequence, the book tries to convey the complexities and controversies that derive from the judicial recognition of same-sex couples across the world, taking always into account the relationship of the judiciary with the executive and the legislature and the related problems of legitimacy and democracy. The volume deals with this issue and considers it as a crucial test for modern democracies and contemporary societies.

*Giro a la derecha. Un nuevo ciclo político en América Latina* Mario Torrico,2022-02-25 A finales de 2016, en la prensa y en la academia, se comenzó a hablar del fin del ciclo político en el que candidatos críticos con las políticas de mercado aplicadas en los años noventa del siglo xx lograron acceder a la Presidencia de la mayoría de los países latinoamericanos. Solo en Colombia, Honduras y República Dominicana la izquierda no llegó al poder por la vía electoral. México se sumó a ese proceso tardíamente, en 2018, y fue el último de los países de América Latina. Posteriormente, la tendencia hacia la derecha

se ha ido consolidando y, a mediados de 2021, más de la mitad de los presidentes de la región pertenecen a ese ámbito ideológico. De aquí que surjan las siguientes interrogantes: ¿los gobiernos de derecha emprenderán políticas de concentración de la riqueza?, ¿sus decisiones pondrán en peligro a la democracia?, ¿qué efectos tendrá la pandemia de la covid-19? En este libro se plantean estas preguntas con base en el análisis de diversas fuentes de información.

**Costa Rica** Mara Vorhees, 2017-05-05T00:00:00+02:00 Tutti i sentieri conducono a cascate, laghi vulcanici avvolti nella nebbia o spiagge deserte orlate dalla giungla. Da esplorare a cavallo o in kayak, il Costa Rica offre una straordinaria varietà di avventure tropicali. In questa guida: esperienze straordinarie - foto suggestive, i consigli degli autori e la vera essenza dei luoghi. Personalizza il tuo viaggio: gli strumenti e gli itinerari per pianificare il viaggio che preferisci. Scelte d'autore: i luoghi più famosi e quelli meno noti per rendere unico il tuo viaggio. Attività all'aperto; la fauna del Costa Rica; a tavola con i costaricensi; paesaggi e tutela dell'ambiente.

*La justicia detrás de la Justicia* Sahuí, Alejandro, García Higuera, Rubén, 2023-02-01 Esta obra colectiva explora las ideas políticas y valores que inspiran las decisiones de la Corte Interamericana de Derechos Humanos o, en otras palabras, los presupuestos de justicia (con minúscula) que subyacen en el ejercicio de su rol como institución encargada de administrar Justicia (con mayúscula). En este sentido, este libro no se enfoca tanto en los efectos jurídicos de las sentencias u opiniones consultivas de dicho Tribunal, sino en las ideas y valores políticos que subyacen a sus implicaciones filosófico-políticas. Mientras que en el primer caso se estudia al Derecho como un todo ordenado cuya máxima es la búsqueda de la armonía dentro del sistema que conforma, en el segundo se cuestiona dicha máxima al analizar críticamente las ideas y los valores políticos desde los cuales se construye lo jurídico. Desde esta segunda perspectiva, las contribuciones que agrupa este libro abordan temas como participación política; libertad de expresión; violencia de género; derechos de las personas LGTBI; migración; pobreza; trabajo; salud; pueblos indígenas y crisis ambiental, analizando, bajo el lente de la teoría política, el uso que la jurisprudencia de la Corte IDH ha hecho de conceptos como democracia, libertad, igualdad, discriminación, cosmopolitismo, cultura, propiedad, desigualdad, género, vulnerabilidad, reconocimiento, dominación, comunal, territorio o naturaleza. Se muestran las tradiciones políticas y teorías sobre la justicia que han estado y están presentes en las interpretaciones que este Tribunal hace de la Convención Interamericana de Derechos Humanos y, dando cuenta de sus restricciones, ventajas y tensiones, se ofrecen conclusiones teórico-políticas de gran relevancia para la práctica judicial.

**REVISTA MUNDO GAY DICIEMBRE 2020** MASTER KROUNNER, 2020-12-15 Revista Mundo Gay es un proyecto de hace muchos años que busca Brindar Contenido de Calidad así como información que podamos usar en nuestra vida diaria para ser mejores. Pueden escribirnos a mundogay.revista@gmail.com Buscamos que más allá de los chismes de la farándula y estereotipos, te proporcionemos información útil para ti y tu vida diaria, que te ayude a resolver los problemas que

enfrentamos todos día con día. Conocernos mejor y tener una vida mucho más plena.

**Diversidad sexual y cristianismo en el siglo XXI. Espiritualidad, teología y política** Javier de la Torre, 2023-10-02  
En este libro, un grupo de personas pretendemos establecer puentes entre el cristianismo y la diversidad sexual.

Mayoritariamente somos un conjunto de teólogos de diversas Iglesias cristianas, junto con algunos filósofos y psicólogos, pastores y religiosos que trabajan académica y pastoralmente en la diversidad sexual. La estructura de este libro se enraíza en cuatro fuentes: la hermenéutica bíblica, la hermenéutica de la tradición y los magisterios, la hermenéutica de la filosofía y las ciencias y la hermenéutica de la experiencia humana. La estructura hermenéutica de cada una de las partes se funda en que nos sentimos en un camino de profundización y de comprensión todavía en estos temas. Una paradoja del conocimiento humano es que en cuanto más ahonda, más siente que le queda por captar la totalidad del misterio de la realidad. El libro contiene muchas piedras preciosas. Aparte de una profunda y amplia exégesis de los textos más clásicos vinculados a la homosexualidad (Levítico, Romanos, Génesis), el lector se encontrará el testimonio sincero de un proceso de justicia restaurativa de una víctima de la Iglesia, la reflexión sobre la formación pegada a la realidad de una comunidad cristiana de homosexuales a lo largo de más de una década, un análisis de los discursos homófobos todavía tan presentes en lo público, la relevancia de la aceptación de la persona LGTB en la familia junto con reflexiones de profundo calado filosófico y teológico, etc. Más allá de todas estas páginas, a todos los que escribimos este volumen nos mueve una profunda pasión por abrir la puerta de las Iglesias cristianas a las personas que sienten y viven la diversidad sexual. La Iglesia es un lugar bello con un precioso patrimonio espiritual, una comunidad fraterna, una comunión de amor -siempre limitada e imperfecta- donde vivir con hondura la fe, la esperanza y la caridad. Ojalá muchos se animen a cruzar el umbral y entrar en nuestras comunidades e Iglesias. También late en nosotros la pasión para que las Iglesias cristianas reconozcan cada vez más el profundo valor de la diversidad sexual como un don para las Iglesias y sepan mirar a cada persona con la hondura y profundidad del Señor Jesús, el Hijo de Dios.

### **El Matrimonio Igualitario En Costa Rica** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **El Matrimonio Igualitario En Costa Rica**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall

effect on readers.
