Fancy Meeting You Here Julie Tieu,2023-11-07 “For the rom-com fans, you can never go wrong with a Julie Tieu book.” — Buzzfeed Opposites attract when an always-the-bridesmaid florist and a grumpy caterer mix business with pleasure in this swoony romantic comedy in the vein of 27 Dresses from Julie Tieu, author of The Donut Trap and Circling Back to You. Every single one of Elise Ngo’s close girlfriends—Rebecca, Jesse, and Beth—is getting married within the same few months, and every single one of them has asked her to be both bridesmaid and florist. Though it’s a lot for her to juggle, the work and exposure is a boon to her struggling flower shop. The stakes are high at Rebecca’s high-profile wedding, where the guests are mostly political connections of Rebecca’s parents. Desperate for the event to go off without a hitch, Elise enlists the help of an outside caterer who turns out to be Ben Yu, Rebecca’s elusive younger brother. Though Ben is prickly and aloof, he offers Elise much needed business designing flowers for his mom’s campaign fundraisers and Elise begins to see there’s more to Ben than his gruff and handsome exterior. But their romance takes off as the political campaign ramps up, complicating their relationship with unforeseen consequences. Now always-the-bridesmaid Elise must fight for what she wants to finally get her own happily ever after.

Be Poet . . . Be! Raymond A. Hiraldo,2014-09-26 There are times when we all feel so emotionally vulnerable that, all we can do is look towards the sky for any possible answers in the forms of celestial signs. Some of us shrug things off when nothing is shown to us but, many of us continue crying out to the sky asking even more questions. I admit at being among the many people who have done that very same thing. As I was so busy looking everywhere for a sign, I failed to look within my very being. Once I surrendered all my emotions to everything that is me is when one answer came. It not only came as a voice but, it even appeared almost as like a constellation in the sky. A sky I have looked up to with questions for so long. The answer? It was, Instead of wasting time questioning yourself as to 'how?', 'why?', or 'what?' you are, you should just use that time to be!

Late Life Jazz Ken Crossland, Malcolm Macfarlane, 2013-06-17 When people hear the name Clooney, they automatically think of George Clooney, one of Hollywood's biggest stars. But it was his aunt Rosemary who first catapulted the name into bright lights with a string of hit songs in the 1950s and a starring role alongside Bing Crosby in the immortal *White Christmas*. Drawing on interviews with family members, managers, promoters, and the jazz musicians who worked with her, as well as contemporary newspaper articles and reviews, *Late Life Jazz* tells the unsung story of one of America's finest singers, Rosemary Clooney. Ken Crossland and Malcolm Macfarlane trace Rosemary's life from her hardscrabble beginnings in Maysville Kentucky, through her first performances singing with the Barney Rapp Band in Cincinnati, through her rise to pop stardom in the early 1950s when she topped the Hit Parade with songs such as *Come On-a My House*, *Tenderly*, and *Half As Much*. By the time the 1960s arrived, however, personal turmoil, fueled by depression and an addiction to prescription medication, almost destroyed Clooney's career-and her life. She underwent years of therapy and recuperation before she was able to perform again in the early 1970s. Few expected her to be anything more than a baroness of nostalgia, but Rosemary had other ideas. Rejuvenated by a series of concerts alongside her friend and mentor, Bing Crosby, she found a new medium in the midst of America's finest jazz musicians, building a second career and with it a reputation as one of the finest interpreters of the Great American Songbook. Vividly written and painstakingly researched, *Late Life Jazz* explores the rise, fall, and final triumph of Clooney the First, Aunt Rosemary, jazz singer par excellence.

Password: Death Robin Zeller, Cindy Ziperman, 2000-08-04 Meet Robert Ashton, a Southern gentleman who can get inside of a woman's head, and has a taste for blood. He has been killing lonely women with impunity and sees no reason to stop. One night, while using her new computer for the first time on the World Wide Web, Laura Howard, a Doctor of Psychology and a researcher in the paranormal powers of the mind, sees a woman get murdered while using the computer. She has nowhere to turn to and no one who will believe what she saw except her friend Sydney Chase. Together they decide to go to the police and find out that a woman had been murdered exactly as Laura had described. She soon finds out that there is a serial murderer on the loose and no one can get a handle on him. The cases are too far apart and the women too different to get a good profile on this killer. Laura offers her help to solve this baffling case. Laura and Sydney find themselves teamed up with Bill Rowland, a cop who has his own set of rules and a beautiful FBI agent, Amanda Hawks. Laura finds the team she is on is both less and more than is first expected. The team is viewed as an embarrassment by the suits in charge of the case. Laura's ability to see the crime makes her value in helping solve the case suspect to those in charge. After all, there is nothing to her research in ESP that could lend credence to her visions. Bill is also pigeonholed on the team because he is not a team player. While Sydney is just a computer geek who can help the police get the real professionals on line and after this serial killer. Their team leader, Amanda Hawks, is too beautiful to be taken seriously by her superiors, old style cops who think this beautiful woman is more body than brains. Pushed aside, and held to the outer edge of the investigation, the team soon learns how slippery their target is, even with Laura's ability to sense his presence. Bill's own skepticism in Laura's abilities suffers a number of blows when Laura seems to know things without being told. Things about the case, and things Bill holds closely inside. He finds himself falling in love with this woman, so different from any he has ever known, and for the first time in his life thinks he might just have found the woman for him. But Robert knows the team is after him. He decides they are getting too close to figuring out who he is and decides to go after them. Amanda is taken out of the picture and Laura falls under his control. Now it's no longer just another case for Bill, it's personal. Death is coming and it wears many faces. It's down to Bill, Laura and Robert. One will live, one will die and one will never be the same. It's time to sign on line and find out. Today the password is death.

The Body Merchants Charles Nuetzel, 2007-02-01 The Body Merchants boldly used people like pawns on a chessboard, to be moved around at will! Money bought them hook, line, and as suckers, and reeled them in like dead fish.

Tales of the Continent Pierre Tá-Mar, Pierre Ta-Mar, 2007-04 This satirical social first novel is intended as a kind of European response to Armistead Maupin's *Tales of the City*. Instead of San Francisco, Pierre Tá Mar's novel is set mainly in Amsterdam (and partly in Brussels) in the 1970's and 1980's. The central thread running through the book is a bizarre murder committed at the Amsterdam's Central Station. The victim, a defrocked Priest is the administrator at a research and teaching institute at one of the city's universities. The attempts by Inspector Veenstra to find the killer bring to light many of the social and erotic peculiarities of Amsterdam and Brussels. This work is the intended as the first of a series.

Lovesick Falls Julia Drake, 2025-06-03 This queer take on *As You Like It* features first loves, friend breakups and madcap mix-ups, from award-winning author Julia Drake. Celia Gilbert is the perfect friend—loyal, trustworthy, and committed to mending her best friends' broken hearts. She's the reason the trio is spending the summer in Lovesick Falls, the idyllic little town where Touchstone's sort-of-uncle's cabin was waiting to be house-sat by three unsupervised (but totally responsible) teenagers. After all, Celia, Ros, and Touchstone have been best friends since childhood. Sure, Celia is in love with Ros, and Touchstone was once in love with Celia — but that's the beauty of a place like Lovesick Falls. If you fell in love, you could fall out. Unless you can change the other person's mind. They started the summer closer than ever. Will living together tear them apart?

The Art of Conversation Catherine Blyth, 2009 A wide-ranging, exhortatory look at the pleasures of great conversation, including strategies for how to bring it about, from the witty pen of an Englishwoman wise in its ways.

Shallow Waters Anita Kopacz, 2021-08-03 In this “captivating” (*Harper's Bazaar*) and lyrical debut novel—perfect for fans of *The Water Dancer* and the *Legacy of Orisha* series—the Yoruba deity of the sea, Yemaya, is brought to vivid life as she discovers the power of Black resilience, love, and feminine strength in antebellum America. *Shallow Waters* imagines Yemaya, an Orisha—a deity in the religion of Africa's Yoruba people—cast into mid-1800s America. We meet Yemaya as a young woman, still in the care of her mother and not yet fully aware of the spectacular power she possesses to protect herself and those she holds dear. The journey laid out in *Shallow Waters* sees Yemaya confront the greatest evils of this era; transcend time and place in search of Obatala, a man who sacrifices his own freedom for the chance at hers; and grow into the powerful woman she was destined to become. We travel alongside Yemaya from her native Africa and on to the “New World,” with vivid pictures of life for those left on the outskirts of power in the nascent Americas. Yemaya realizes the fighter within, travels the Underground Railroad in search of the mysterious stranger Obatala, and crosses paths with icons of our history on the road to freedom. *Shallow Waters* is a “riveting and heartbreaking” (*Publishers Weekly*) work of ritual storytelling from promising debut author Anita Kopacz.

A Century on New Brunswick's N.W. Miramichi George S. Mumford, 2013-11-27 This is a journal kept by my father of his first trip with my grandfather to the Northwest Miramichi River of Canada's Central New Brunswick in the summer of 1916. I love the camps on the Miramichi for the truly beautiful natural environment, for learning to fish, and the excitement and wonder of holding a salmon before releasing it back to the river, for the camaraderie with new and old friends, for a scheduled daily block of free time, for the caring camp staff, and more. I also gained insights about myself as a learner, had the luxury to observe and experience talented guides as remarkable teachers and to have the time and opportunity to reflect upon their teaching and my learning. These days were wonderful experiences and tremendous opportunities for me personally a great vacation.
