John Denver - The Complete Lyrics John Denver, 2002-03-01 (Book). An extremely gifted singer/songwriter, John Denver possessed the unique ability to marry melodic music with gentle, thought-provoking words that endeared him to his countless fans. Now, for the first time ever, John Denver's lyrics have been printed in their entirety: no other book like this exists! It contains lyrics to more than 200 songs, and includes an annotated discography (one that shows the songs), and an index of first lines. This collection also features a foreword by Tom Paxton, who was greatly influenced by Denver, and an introduction from Milt Okun, John Denver's first record producer, and the founder of Cherry Lane Music.

Voice of Deliverance Keith D. Miller, 1998 What made the speeches of Martin Luther King, Jr.s so inspiring to all people and enabled blacks and whites to move in harmony to action and commitment? Keith Miller shows how the skillful borrowing and blending of both black and white written traditions was the key to King's effectiveness.

The Complete Lyrics of Johnny Mercer Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs-his words have never gone out of fashion-and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

The Fifth Element Crystal Leigh Endsley, 2015-12-26 The writing and performance of spoken word poetry can create moments of productive critical engagement. In *The Fifth Element*, Crystal Leigh Endsley charts her experience of working with a dynamic and diverse group of college students, who are also emerging artists, to explore the connection between

spoken word and social responsibility. She considers how themes of activism, identity, and love intersect with the lived experiences of these students and how they use spoken word to negotiate resistance and to navigate through life. Endsley also examines the local and transnational communities where performances took place to shed light on concepts of social responsibility and knowledge production.

Martin Luther King Jr. and the Sermonic Power of Public Discourse Carolyn Calloway-Thomas, John Louis Lucaites, 2005-07-10 Critical studies of the range of King's public discourse as forms of sermonic rhetoric The nine essays in this volume offer critical studies of the range of King's public discourse as forms of sermonic rhetoric. They focus on five diverse and relative short examples from King's body of work: "Death of Evil on the Seashore," "Letter from Birmingham Jail," "I Have a Dream," "A Time to Break Silence," and "I've Been to the Mountaintop." Taken collectively, these five works span both the duration of King's career as a public advocate but also represent the broad scope of his efforts to craft and project a persuasive vision a beloved community that persists through time.

American Indian Love Lyrics, and Other Verse, from the Songs of the North American Indians, 1925

American Lyrics Edith Rickert, 1912

Then Sings My Soul Douglas Harrison, 2012-05-15 In this ambitious book on southern gospel music, Douglas Harrison reexamines the music's historical emergence and its function as a modern cultural phenomenon. Rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice, Harrison presents southern gospel as a network of interconnected messages that evangelical Christians use to make individual sense of both Protestant theological doctrines and their own lived experiences. Harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience, building up individual--and potentially subversive--meanings beneath a surface of evangelical consensus. Reassessing the contributions of such figures as Aldine Kieffer, James D. Vaughan, and Bill and Gloria Gaither, *Then Sings My Soul* traces an alternative history of southern gospel in the twentieth century, one that emphasizes the music's interaction with broader shifts in American life beyond the narrow confines of southern gospel's borders. His discussion includes the gay-gospel paradox--the experience of non-heterosexuals in gospel music--as a cipher for fundamentalism's conflict with the postmodern world.

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II, 2008-11-25 From every "beautiful mornin'" to "some enchanted evening," the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The

vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. “I know the world is filled with troubles and many injustices,” he once said. “But reality is as beautiful as it is ugly . . . I just couldn't write anything without hope in it.” All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric—“*Edelweiss*”—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.

Pacha's Pajamas Aaron Ableman, Daveed Benjamin, 2016-01-26 A tale of musical plants, dancing animals, and one little girl's dream of saving the planet—includes a special augmented-reality feature! Pacha's imagination is bigger than the Andes Mountains, homeland of her ancestors. In her dreams, the plants and animals on her PJs come alive—and she journeys with them to learn more about herself. Then after a stress-induced asthma attack, her magical pajamas carry her into an epic dream where she encounters a handful of critters lamenting the state of their home. Disguised as a little gorilla, Pacha joins in, and together they decide to organize a Nature Festival that brings all species together. Full of musical plants and dancing animals, the PACHA JAMMA festival is a worldwide call to action to save the planet from destruction. But Mr. Tick seems to be scheming to disrupt the festival. With the help of her plant and animal friends, Pacha races against time to decipher a cryptic puzzle that outlines Mr. Tick's dastardly plans. But just as she is on the verge of victory, a massive hurricane threatens them all . . . This exciting tale with a message of empowerment and environmental responsibility, including lots of fun science facts and a bonus augmented-reality animation feature, is “a critical tool in giving children a sense of themselves, the power of their dreams and the natural world around them” (Mos Def/Yasiin Bey, actor and recording artist).

Singing in the Spirit Ray Allen, 2016-11-11 Draws on field recordings and interviews with dozens of local New York singers to tell the story of sacred quartet singing in New York City's African-American church community, tracing its evolution and its role in worship and culture.

Considering Doris Day Tom Santopietro, 2008-08-05 The biggest female box office attraction in Hollywood history, Doris Day remains unequalled as the only entertainer who has ever triumphed in movies, radio, recordings, and a multi-year weekly television series. America's favorite girl next door may have projected a wholesome image that led Oscar Levant to quip I knew Doris Day before she was a virgin, but in *Considering Doris Day* Tom Santopietro reveals Day's underappreciated and effortless acting and singing range that ran the gamut from musicals to comedy to drama and made Day nothing short of a worldwide icon. Covering the early Warner Brothers years through Day's triumphs working with artists as varied as Alfred Hitchcock and Bob Fosse, Santopietro's smart and funny book deconstructs the myth of Day as America's perennial virgin, and reveals why her work continues to resonate today, both onscreen as pioneering independent career woman role model, and off, as a recipient of the Presidential Medal of Freedom, the United States' highest civilian honor. Praised by James Cagney as my idea of a great actor and by James Garner as the Fred Astaire of comedy, Doris Day became not just America's favorite girl, but the number one film star in the world. Yet after two weekly television series, including a triumphant five year run on CBS, she turned her back on show business forever. Examining why Day's worldwide success in movies overshadowed the brilliant series of concept recordings she made for Columbia Records in the '50s and '60s, Tom Santopietro uncovers the unexpected facets of Day's surprisingly sexy acting and singing style that led no less an observer than John Updike to state She just glowed for me. Placing Day's work within the social context of America in the second half of the twentieth century, *Considering Doris Day* is the first book that grants Doris Day her rightful place as a singular American artist.

The New Territory Marc C. Conner, Lucas E. Morel, 2016-06-20 Contributions by Herman Beavers, Robert Butler, John Callahan, Marc C. Conner, Bryan Crable, Steven D. Ealy, Lena Hill, Lucas E. Morel, Timothy Parrish, Ross Posnock, Patrice Rankine, Grant Shreve, Eric J. Sundquist, and Steven E. Tracy Ralph Ellison once said, "We're only a partially achieved nation." In *The New Territory*, scholars show how clearly Ellison foresaw and articulated both the challenges and the possibilities of America in the twenty-first century. Indeed, Ellison in these new essays appears more and more to be a cultural prophet of twenty-first century America. As literary scholar Ross Posnock states, "If in our global, transnational age the renewed promise of cosmopolitan democracy has emerged as an animating ideal of popular political, and academic culture, this is a way of saying that we are only now beginning to catch up with Ralph Waldo Ellison." In this collection, the editors offer fourteen original essays that seek to examine and re-examine Ellison's life and work in the context of its meanings for our own age, the early twenty-first century, the age of Obama, a period that is seemingly post-racial and yet all

too acutely racial. Following a careful introduction that situates Ellison's writings in the context of new approaches and interest in his work, the book offers new essays examining Ellison's 1952 masterpiece, *Invisible Man*. It then turns to his vast, unfinished second novel, *Three Days Before the Shooting . . .*, with detailed readings of that powerful and elusive narrative. These essays are the first sustained treatments of that posthumous work. The *New Territory* concludes with five chapters that discuss Ellison's political, cultural, and historical significance, probing how he speaks to the contemporary moment and beyond.

Words, Music and Propaganda Tjaša Mohar, Victor Kennedy, 2023-12-20 Music is used to sell everything from cars to political candidates. How can words and melody so successfully manipulate us? This volume provides answers by examining the ways in which music of various genres, including folk, popular music, rock, and rap, is used to protest and to promote structures of political, commercial, and religious authority. Students, teachers, musicians, historians, policy makers, and fans of music and popular culture will find answers to questions such as: How does music help to build national identity, foster a sense of patriotism, and reflect changes in society? What role did music play in building socialism in Czechoslovakia and in Belarus' 2020 democratic movement? What are the most important features of Ukrainian songs of resistance? The book

highlights the role of music in the feminist movement by analysing the Riot Grrrl movement and the history of Olivia Records, as well as the use of music as propaganda in the education system and as “purity propaganda” in religion. Two chapters focus on famous American protest singers, Woody Guthrie and Phil Ochs, and one highlights an ex-socialist society’s response to David Bowie’s music.
