**Sleeping Dragons Omnibus** Ophelia Bell, 2021-06 An ancient temple. Seven explorers. And eight dragons to rule them all. When Erika and her team of archaeologists break the seal on the temple they've been hunting, they unwittingly take the first step in a series of rituals designed to revive the long-sleeping denizens inside. Now, with every breath they take, they inhale air steeped in dragon magic-and perfumed with otherworldly, irresistible desire. Erika wants nothing more than to prove she's still in control. But when she sets her sights on the figure she is meant to awaken-a red dragon bound in the form of a beautiful man frozen in jade-her resolve is truly put to the test. And that's when the ambitious, pent-up expedition leader begins to think: Maybe losing control wouldn't be so bad, after all ...

*Dragon Void* Ophelia Bell, 2017-01-06 A woman born on the wind... A Turul princess, Evie North has waited long enough for her one true love - a man she's stopped believing truly exists. She throws caution-literally-to the wind and decides to take matters into her own hands. She chooses a handsome stranger from a crowd and falls into bed with him, hoping love might find her in his arms. A human man drawn to powers beyond his comprehension... The only thing Marcus Calais knows is that he's likely to die in a pointless war but also honor-bound to run into battle. At least until he meets an angel named Evie in Central Park who incites stronger desires than he's ever had and whose songs drive him to levels of passion he never imagined. After just one night with the lovely, waifish beauty, he discovers he has so much more to live for. Will he sacrifice his principles to stay alive for her? The immortal dragon who owns both their souls... Ked is what his five siblings call him, but others simply refer to the huge black dragon as The Void. But Fate has a funny way of switching things up when he least expects. What will he find when he ventures forth into the enemy's lair in search of love? What other surprises does Fate have in store?

For nearly a decade, Erika Rosencrans has carried on her dead father's legacy to prove that dragons exist, but it isn't only his old archaeology research that drives her. Dreams of a potently masculine, red-haired man haunt her sleep and leave her aching to know him in the flesh. She is only sure of one thing: the man of her dreams is a dragon locked in hibernation and she won't stop searching until she finds him. Red dragon Geva has lain in stasis

for five centuries, petrified in the form of a man awaiting release from his stone prison. All he desires is freedom, however it arrives, and has little use for love. But when his dreams become inundated by a female whose charms baffle him, he can't believe that a human woman such as her could possibly exist, much less be the mate that Fate intended to rouse him from his slumber. When the sound of Erika's voice finally breaks through Geva's dreams, he knows without a doubt that his wait is over, and that Fate has sent him a female strong enough to crack the stone walls of his ancient heart.
