

No Feeling Is Final Rilke

Emily Silva

Rilke's Book of Hours Anita Barrows, 2005-11-01 A FINALIST FOR THE PEN/WEST TRANSLATION AWARD The 100th Anniversary Edition of a global classic, containing beautiful translations along with the original German text. While visiting Russia in his twenties, Rainer Maria Rilke, one of the twentieth century's greatest poets, was moved by a spirituality he encountered there. Inspired, Rilke returned to Germany and put down on paper what he felt were spontaneously received prayers. Rilke's Book of Hours is the invigorating vision of spiritual practice for the secular world, and a work that seems remarkably prescient today, one hundred years after it was written. Rilke's Book of Hours shares with the reader a new kind of intimacy with God, or the divine—a reciprocal relationship between the divine and the ordinary in which God needs us as much as we need God. Rilke influenced generations of writers with his Letters to a Young Poet, and now Rilke's Book of Hours tells us that our role in the world is to love it and thereby love God into being. These fresh translations rendered by Joanna Macy, a mystic and spiritual teacher, and Anita Barrows, a skilled poet, capture Rilke's spirit as no one has done before.

Being with Dying Joan Halifax, 2024-07-09 Inspiring teachings, personal stories, and meditations for those near death and their caregivers, by a respected Zen teacher who has worked with the dying for over 30 years. Everyone who lives must inevitably face death. Inspired by traditional Buddhist teachings and decades of work with the dying and their caregivers, this landmark work on death and dying by beloved Buddhist teacher Joan Halifax is a source of wisdom for all those who are charged with a dying person's care, facing their own death, or wishing to explore and contemplate the transformative power of the dying process. Relevant and powerful for people of all backgrounds, her teachings affirm that all of us can open and contact our inner strength even in the face of death, and that we can help others who are suffering to do the same. Halifax observes that millions will have to deal with the loss of parents and loved ones and that we are largely unprepared emotionally for their deaths. She presents the notion that the process of dying is a rite of passage. Halifax offers stories from her personal experience as well as guided exercises and contemplations to help readers contemplate death without fear, develop a commitment to helping others, and transform suffering and resistance into courage. Topics and exercises include: Learning to see death as a rite of passage The guiding principles of bearing witness and how self-awareness can help us to relate more fully with others How to take care of ourselves when we're taking care of others Contemplation on the

universality of death How to transform pain and fear with lovingkindness Coupled with a new foreword by Frank Ostaseski, a leader in the field of death and dying palliative care, the guidance and experiences represented in *Being with Dying* are invaluable in supporting and instilling peace as the journey of life unfolds and inevitably reaches not only an end, but also a new beginning.

No Lost Causes Club Lauren McQuistin, 2025-07-15 Brutally honest, darkly funny, and deeply empathetic, *No Lost Causes Club* is a guide to the process of sobering up when it feels like the party's just getting started, from the voice of the popular Instagram @brutalrecovery. When she was told that her life expectancy could be as low as twenty-five if she did not stop drinking, Lauren McQuistin felt absolutely nothing—then despair and disbelief. How was she here? Surely, sobriety was for middle-aged divorcees who'd lost everything, not young, struggling singers who didn't have anything to lose in the first place? Besides, when alcohol is the only medicine that makes the world feel bearable, how can you possibly stop taking it? Six years later, Lauren has found her way to an intricate answer. Entwining practical, empathetic suggestions with intimate memoir, *No Lost Causes Club* is an intrinsically vulnerable and brutally honest exploration of what it looks like to live a full life after getting clean. From delving into the social complexities that often leave people hopelessly dependent on alcohol to centering the struggles of those newly navigating sobriety, this book is a soothing balm for anyone wondering how to carve out a beautiful life in a world that never made sense before.

Lucid and compelling, *God Is Not One* offers a new understanding of religion for the twenty-first century.

Silhouettes And Shadows Adam Steiner,2023-07-15 An avant-garde pop album rich with tension and fear, 1980's *Scary Monsters (and Super Creeps)* marked a pivotal point in David Bowie's career. Standing at the bleeding edge of the new decade between the experimental *Berlin Trilogy* (*Low*, *Heroes*, and *Lodger*) and 1983's wildly successful *Let's Dance*, it was here Bowie sought to bury the ghosts of his past and the golden decade of the 1970s to become a global superstar reaching millions of new fans. Featuring fresh insights and exclusive interviews with close collaborators, Adam Steiner's *Silhouettes*

and *Shadows* uncovers the studio stories, meanings behind, and secret history of *Scary Monsters*. Steiner gives a nuanced, memorable portrait of Bowie at a personal and professional crossroads, drawing on his own struggle with addiction, growing paranoia, and political turmoil. Despite the album's confrontational themes, it included the hit singles "Fashion" and "Ashes to Ashes," with Bowie riding a new wave of inspiration, from the post-punk of Joy Division, The Specials' two-tone revolution, and the stadium synth-pop of Gary Numan. Most importantly, it marked a final goodbye to Major Tom, Ziggy Stardust, and The Thin White Duke, characters and personas that had defined his career: in this rare moment, David Bowie, the costumed clown of romance, suffering, and song, let his mask slip to reveal David Jones, the man within.

Exploring Identities of Psychiatric Survivor Therapists Alexandra L. Adame, Matthew Morsey, Ronald Bassman, Kristina Yates, 2017-10-19 This book is about people that are uniquely situated between the realms of activism, within the Psychiatric Survivor Movement, and their careers as mental health professionals. Red Letters Michael MacCambridge, Neil Atkinson, 2021-11 For those obsessed with Premier League soccer, following your favorite team is a true collective experience, where it is easy to feel as one with thousands of others. It is also an individual one, in which the emotions you feel are your emotions, the experiences you feel are your experiences, and nobody else can perfectly understand. Over the course of the 2019-20 season, two longtime Liverpool FC followers wrote to each other about those emotions and experiences. American writer Michael MacCambridge, living in Austin, Texas, is a devoted

Liverpool follower. Five thousand miles away, his friend Neil Atkinson, Liverpool resident and a longtime season ticket holder, is the host of the popular podcast The Anfield Wrap. Each week throughout the historic season, Atkinson and MacCambridge exchanged letters, contemplating Liverpool's progress, comparing and contrasting their different perspectives on the club and the sport, meditating on the manner in which their shared obsession for Liverpool works its way into nearly every corner of their personal lives, and discussing the differences between how the game is consumed in the United States and the United Kingdom and the role modern media plays in shaping our views of sport. Their collaboration was both timely and serendipitous, as Liverpool marched toward its first ever Premier League title and its first league title in thirty years, with a charismatic manager and the most entertaining team in the sport. In March, of course, the soccer story was overtaken by the larger story of the COVID-19 pandemic wreaking havoc throughout the world, including sports events. In the course of their correspondence, Red Letters provides a real-time account of the pandemic that threatened the very existence of the season that Liverpool followers had been waiting more than a generation to experience. Red Letters provides a different way to examine the culture of a worldwide sport and development of a soccer season--game by game, in real time, with hopes and expectations tested and altered as the season progresses to Liverpool's Premier League championship, with insight from two avid supporters.

The Director of Minor Tragedies Ronald W. Pies, 2014-04-24 Adam Levtov teaches drama at a small college in the tiny town of Hope Falls. He usually gets stuck with directing one of Shakespeares minor tragedies, but this year, he is staging Othello, and the pressure is mounting. Unfortunately for Levtov, his students are rebelling; his teenage son is wearing eyeliner; and a hulking man with a Russian accent is stalking him. All the while, Levtov is struggling with his guilt over a lie he has lived for fifteen years; a household roiled by his demented father-in-law; and a wife who may be flirting with one of Levtovs colleagues. Is all this why Adam Levtov feels like a ghost walking through life? The Director of Minor Tragedies takes the reader into a world of tragedy and treachery, wrongdoing and redemption, in which low comedy crouches stealthily behind high art. In his debut novel, Ronald Pies creates a compelling family drama filled with love, compassion, humor and a keen understanding of the human condition...A pleasure from the opening sentence through the satisfying conclusion, this book left me hoping for a sequel. - Richard Berlin, MD, Author of How JFK Killed My Father, and Secret Wounds

Particles: New and Selected Poems Dan Gerber, 2018-05-01 Gerber has a gentle touch and an unaffected, articulate voice that can be smart, funny, wise—sometimes all at the same time.—Library Journal [Gerber] is one of the most adept and accessible of the poets who explore the meaning of humans' relation with earth and existence itself.—ForeWord Into a frenzied world that hurtles ever faster somewhere, Dan Gerber's poetry offers a necessary and reflective presence. Drawing upon eight previous collections, and including a book-length selection of new poems, this retrospective tunes its senses to the natural world and a provenance that includes the influence of Buddhism, English Romanticism, and a deep reading of Rainer

Maria Rilke's oeuvre. Pastoral and expansive, Gerber's poetry is concerned with the universe just outside each of our windows—the immediately viewable landscape in front of us and the mysterious vastness beyond. From *Dark Matter*: The visible drapes itself around the invisible, the way my jacket takes its shape from my shoulders. An unseen gravity whirls near the center of our galaxy, an unseen heart near the center of the bodies in which we desire. I seldom think of Neptune out there, way beyond my pointing to it on a summer night . . . Dan Gerber is the author of eight collections of poetry, three novels, a book of short stories, and two books of nonfiction. A former professional race-car driver, he has traveled extensively as a journalist, particularly in Africa. He lives in Santa Ynez, California.

From the excitement of new beginnings to the calamity of loss, this book liberates the full spectrum of human emotions. It is a must-read for anyone seeking to experience and understand life and our place in the universe. “a profoundly humane and heart-warming book!” – Dr. Dimitrios Zardavas. “the work of a true physician and a natural photographer.” – Shankar Marthand. Film Director. “The tone of confidence, insight, and kaleidoscopic expression of ideas will make any thinking, sensitive human being emotional.” – Dr. Bhuvaneswaran JS. “a lesson about life and how to have faith, find joy, keep hope alive, and be at peace.” – Janet Lech. “A deeply personal and humble collection of reflections. Her thought-provoking photography captures the visible truth of how we are all connected by nature, each other, and the Divine.” – Heidi Schoenecker.

Sailing through Cassiopeia Dan Gerber, 2013-04-23 Gerber has a gentle touch and an unaffected, articulate voice that can be smart, funny, wise—sometimes all at the same time.—Library Journal The thing itself carries the weight of [Gerber's] poems, which recall the deep imagery of Vallejo, Neruda, and Wright.—Rain Taxi Dan Gerber's mastery of layered imagery and crystalline vision marry European Romanticism with American Zen. These meditative poems engage the natural landscape of California's oak savannas and memories of childhood, while calling upon an array of literary progenitors—from Robinson Jeffers and Rainer Maria Rilke to the classics of the Chinese canon—exploring what it means to be linguistically alive in an animal world. As *ForeWord* magazine wrote, Dan Gerber's poems are quick, graceful, alert to their surroundings, and rarely wasting a motion. The Word is the Picture of Things Looking down at the lights of Earth, its constellations of lives, however unaware, signal back to the watching galaxies that have their seeing inside us. I praised flight and got stuck. I

praised gravity and got lost. Along the way my life decays, and ripens . . . Dan Gerber is the author of seven collections of poetry, three novels, a book of short stories, and two books of nonfiction. A former racecar driver, he has traveled extensively as a journalist, particularly in Africa. His books have earned a Michigan Author Award and the Mark Twain Award. He lives in Santa Ynez, California.

Soulcraft Bill Plotkin, 2010-10-05 Since 1980, depth psychologist Bill Plotkin has been guiding women and men into the wilderness — the redrock canyons and snow-crested mountains of the American West — but also into the wilds of the soul. He calls this work soulcraft. There's a great longing in all people to uncover the secrets and mysteries of our individual lives, to find the unique gift we were born to bring to our communities, and to experience our full membership in the more-than-human world. This journey to soul is a descent into layers of the self much deeper than personality, a journey meant for each one of us, not just for the heroes and heroines of mythology. A modern handbook for the journey, *Soulcraft* is not an imitation of indigenous ways, but a contemporary nature-based approach born from wilderness experience, the traditions of Western culture, and the cross-cultural heritage of all humanity. Filled with stories, poems, and guidelines, *Soulcraft* introduces over 40 practices that facilitate the descent to soul, including dreamwork, wilderness vision fasts, talking across the species boundaries, council, self-designed ceremony, nature-based shadow work, and the arts of romance, being lost, and storytelling.

We All Live Here Jojo Moyes, 2025-02-11 The #1 New York Times bestselling author, whose books so many love, brings us a fresh, contemporary story of a woman and her unruly blended family "Nobody writes women the way Jojo Moyes does." —Jodi Picoult Lila Kennedy has a lot on her plate. A broken marriage, two wayward daughters, a house that is falling apart, and an elderly stepfather who seems to have quietly moved in. Her career is in freefall and her love life is . . . complicated. So when her real dad—a man she has barely seen since he ran off to Hollywood thirty-five years ago—suddenly appears on her doorstep, it feels like the final straw. But it turns out even the family you thought you could never forgive might have something to teach you: about love, and what it actually means to be family.

In the Company of Rilke Stephanie Dowrick, 2011-11-10 Connecting to your inner life through the transformative poetry of Rainer Maria Rilke. *In the Company of Rilke* is a rare book about a rare poet. Rainer Maria Rilke was a giant of twentieth-century writing who remains a visionary voice for our own time, captivating readers not only with his brilliance but also his fearlessness about the deepest things. Speaking through his own contradictions and ambivalences, he gives readers a profound understanding of the complex beauty of human existence. Here, questions matter more than answers. Here, a poet can speak directly to God while also doubting God. Astonishingly, this is the first major study of Rilke from a spiritual perspective, even though the greatest of Rilke's gifts was to show how inevitably life centers upon a profound mystery-to which we can freely open ourselves. Drawing on her deep understanding of the gifts of Rilke's writings, as well as her own

personal spiritual seeking, Stephanie Dowrick offers an intimate and accessible appreciation of this most exceptional poet and his transcendent work.
