

Hearing God Dallas Willard

Becky Tirabassi

Hearing God Dallas Willard, 2024-04-23 How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

Hearing God Through the Year Dallas Willard, 2015-09-18 Being close to God means telling him what is on our hearts and understanding what he is saying to us. But how do we hear God? In these daily devotionals Dallas Willard helps us understand how we can know the voice of God and act on it, with daily Scripture readings and suggestions for prayer, journaling, and reflection.

Hearing God Dallas Willard, 2021-12-07 How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

Hearing God Bible Study Dallas Willard, 2021-12-07 How can we hear and understand God's voice? This six-session Bible study delves deeper into the biblical texts and themes contained in bestselling author Dallas Willard's beloved classic *Hearing God*. Written by longtime spiritual formation author Jan Johnson, these studies will help you encounter what Scripture says about listening to God and what it means for your today.

Hearing God, Updated and Expanded Dallas Willard, 2012-11 In this updated and expanded edition of Dallas Willard's beloved book, you'll gain rich spiritual insight into how to hear God's voice clearly and develop an intimate partnership with him. Including new material from Willard's teaching at Renovar and reformatted for easier reading, this classic is still one of today's best spiritual resources.

Summary of Dallas Willard's *Hearing God* Everest Media, 2022-06-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The author's wife, Mema, was a devout Christian who had a richly interactive life with God. However, she had never been able to relate her experience of God's presence to the idea of God speaking with her. #2 I used to be very confident in my preaching, but as I grew into the ministry, I learned to wait on the

word of God to come to me. I learned to expect his speaking through me to others. #3 The idea of God speaking to us created problems for some of the most faithful adherents of the church. They could not understand why people had trouble hearing God, except perhaps as a sign of weakness of faith or rebellion. #4 I believe that people are meant to live in an ongoing conversation with God. This can be abundantly verified in experience when rightly understood. God's visits to Adam and Eve in the Garden, Enoch's walks with God, and Moses' face-to-face conversations with Jehovah are all examples of the normal human life God intended for us.

Hearing God Dallas Willard, 2003 Dallas Willard explains how to listen for God's voice in unexpected places, how to experience the still small voice, and how to become a mature person of discernment. 1999.

Hearing God Through the Year Dallas Willard, 2004 Being close to God means communicating with him--telling him what is on our hearts in prayer and understanding what he is saying to us. The second half of this conversation is so important--and so difficult. How do we hear God? In these daily devotionals Dallas Willard helps us understand how we can know the voice of God and act on it. Each day you'll read Scripture on this topic and find suggestions for prayer, journaling and reflection to draw you into God's presence. You may be surprised--and even transformed--by what you discover.

Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down.-- Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God. Yet many might also say that they sense little meaningful relationship with God in their own lives. After all, the foundation of good relationship is communication—but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking—we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. *Hearing God in Conversation* offers simple, step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere—in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.

Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance, "hearing God's voice," is prized by Pentecostal-Charismatic Christians for its contribution to spirituality, yet remains one of the most problematic areas of church life.

Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament. Drawing on the tools of practical theology, this book presents the findings of a unique and ground-breaking study among Australian Pentecostals. With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church, many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose.

Hearing God's Voice Vern Heidebrecht, 2010-01-01 We all know we ought to be listening to the voice of God but how do we hear it? *Hearing God's Voice* identifies ways in which God speaks to his people. This book will introduce you to a simple yet profound way of recording your walk with God, and how to recognize God's wonders and miracles in your life. Eight helpful principles will show you how you can test whether you are hearing the voice of God or simply responding to thoughts and circumstances in which you find yourself. And, having heard God's voice, you'll find yourself entering each day with new radiance and God-given confidence.

How to Hear God Pete Greig, 2022-03-01 You were created to enjoy a real, conversational relationship with God. The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans. When life falls apart, we need God's comfort. In moments of cultural turmoil, we need his clarity. Facing difficult decisions, we need his guidance. Desiring a deeper faith, we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. But how do we really hear God? Nothing could possibly matter more than learning to discern his authentic voice, and yet few things in life are more susceptible to delusion, deception, and downright abuse. Having addressed God's silence in *God on Mute*, and then *How to Pray* in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience—*How to Hear God*. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus after his resurrection, Pete draws deeply from the insights of a wide range of Christian traditions; weaving together the evangelical emphasis on hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's still, small voice within. Pete transcends the Christian tribalism of our day... rooting us in something far more ancient, unchanging, timeless. What the early Christians called the Way. This ancient form of Christianity is the antidote to much of the modern church's pain. The cure for our ills. —John Mark Comer

Rest Siang-Yang Tan, 2003 Come to Me all you who labor and are heavy laden, and I will give you rest. Bringing a distinctly Christian perspective to the subject of finding true rest in the midst of daily pressures, Siang-Yang Tan diagnoses what ails us and provides thoroughly practical steps to help us respond to Jesus' invitation. In this book, Siang-Yang Tan draws from a richness of experience to write with warmth and compassion. Since he himself knows the difficulty of slowing down in these hyperactive times, he is able to give practical guidelines to others, drawn from a wealth of information found in

the Scriptures, empirical research, and psychological reports. . . . If rest is not easy for you to put into practice, learn from an author who is growing at a healthy pace and willing to bring others along on the journey. -from the Foreword, by Dr. Gary R. Collins SIANG-YANG TAN is professor of psychology at Fuller Theological Seminary. He also serves as Senior Pastor of First Evangelical Church in Glendale, California. He has authored or co-authored eight previous books, including *Disciplines of the Holy Spirit* and *Understanding Depression*. He is an associate editor of *The Journal of Psychology and Christianity*.

Can You Hear God Now? Susan Roberts, 2019-04-02 “Based firmly on biblical truth . . . Practical steps to enter into an interactive relationship with God—where we talk to Him, and yes, He talks to us” (Dr. Craig Von Buseck, editor at Inspiration.org). *Can You Hear God Now?* addresses the specific question of whether or not Christians believe God speaks to them individually. Many people pray, but few listen to God. Susan Roberts surveyed hundreds of people from various backgrounds, religious affiliations, genders, and ages, from twenty-four states and three foreign countries, to determine if and how they communicate with God. The survey reveals interesting trends in today’s thinking about hearing God and how God speaks in a variety of fascinating ways. Many of those surveyed even share stories about their personal interaction with God. *Can You Hear God Now?* combines these stories with Biblical principles to encourage readers to develop their own two-way communication with God, making their spiritual lives come alive. “The world is full of noise, but Susan Roberts’s prayerful *Can You Hear God Now?* cuts through it all to find some needed holy clarity . . . It imparts confidence that hearing God’s voice is a result of preparedness and openness to hearing what God has to say.” —Foreword Reviews “May be one of the most useful recent books on Christian faith and living . . . A book very much worth reading, studying, and applying.” —Col. Alexander Shine (ret. army), lay leader for military chapels and Officer Christian Fellowship “Susan Roberts’ stories are credible and provide inspiring examples of God’s interactions with normal and sane people. Her book brings acuity to our ears.” —Dr. Marshall Shelley, director of the Doctor of Ministry Program, Denver Seminary

How to Hear from God Timi Adamson, *How to Hear from God: A Practical Guide to Recognizing His Voice* Many Christians struggle with knowing if God is speaking, how to recognize His voice, and how to grow in spiritual sensitivity. The truth is, God is always speaking—the real question is: Are you listening? This practical, biblical guide will help you: □ Recognize the different ways God speaks today (through His Word, the Holy Spirit, dreams, and more) □ Discern God’s voice from your thoughts, emotions, and distractions □ Overcome common obstacles to hearing God clearly □ Develop a lifestyle of hearing and following divine direction □ Grow in spiritual sensitivity and deepen your relationship with God Packed with biblical insights, real-life testimonies, and practical exercises, this book will transform your ability to hear God and help you walk in His perfect will. Are you ready to hear God’s voice more clearly? This book will show you how. Get a copy right now!

Let God Talk to You Becky Tirabassi, 2010-09 Shows readers how to connect with God in a two-way conversation that will satisfy the longing of their souls to know God and be loved by Him.

The Power of Group Prayer Carolyn Carney, 2022-11-22 Praying together has the power to transform you and the world around you. Drawing from decades of ministry experience, this practical guide for group prayer from Carolyn Carney offers stories and practices for corporate prayer, reflection questions, and supplemental resources to help pastors and ministry leaders build powerful intercession groups.

Christian Scholarship in the Twenty-First Century Thomas M. Crisp, Steve L. Porter, Gregg Ten Elshof, 2014-09-19 The Christian tradition provides a wealth of insight into perennial human questions about the shape of the good life, human happiness, virtue, justice, wealth and poverty, spiritual growth, and much else besides -- and Christian scholars can do great good by bringing that rich tradition into conversation with the broader culture. But what is the nature and purpose of distinctively Christian scholarship, and what does that imply for the life and calling of the Christian scholar? What is it about Christian scholarship that makes it Christian? Ten eminent scholars grapple with such questions in this volume. They offer deep and thought-provoking discussions of the habits and commitments of the Christian scholar, the methodology and pedagogy of Christian scholarship, the role of the Holy Spirit in education, Christian approaches to art and literature, and more. CONTRIBUTORS Jonathan A. Anderson Dariusz M. Brycko Natasha Duquette M. Elizabeth Lewis Hall George Hunsinger Paul K. Moser Alvin Plantinga Craig J. Slane Nicholas Wolterstorff Amos Yong

Knowing God's Voice Kenneth C. Ulmer, 2011-09-01 If you are doing all of the talking, it is likely that you will not hear what others have to say, let alone gain from their counsel, insight and wisdom—if this is true with humans, isn't it even more so with God? It is difficult sometimes, in our era of financial collapse, ongoing war and increasing alienation from each other, to feel confident that the Almighty takes a personal interest in our lives. *Knowing God's Voice* is the assurance so many people are waiting for: God is interested. He has a lot to say! Readers will learn to discern God's voice from the background noise of internal anxiety and external circumstances, and to trust His guidance and revelation even in trying times. God is speaking to His people, if only they will have ears to hear!

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Hearing God Dallas Willard**

In some sort of inundated with displays and the cacophony of immediate interaction, the profound power and mental resonance of verbal art often disappear into obscurity, eclipsed by the regular assault of noise and distractions. Yet, situated within the lyrical pages of **Hearing God Dallas Willard**, a fascinating function of fictional splendor that impulses with organic emotions, lies an unique journey waiting to be embarked upon. Published with a virtuoso wordsmith, that interesting opus courses visitors on an emotional odyssey, gently revealing the latent possible and profound impact embedded within the elaborate internet of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is key subjects, dissect its charming writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
