

Milo And Marcos At The End Of The World

A.J. Rice

Milo and Marcos at the End of the World Kevin Christopher Snipes,2022-05-24 As natural disasters begin to befall them the closer they become, Milo and Marcos soon begin to wonder if the universe itself is plotting against them in this young adult debut by the playwright and creator of The Two Princes podcast, Kevin Christopher Snipes. Milo Connolly has managed to survive most of high school without any major disasters, so by his calculations, he's well past due for some sort of Epic Teenage Catastrophe. Even so, all he wants his senior year is to fly under the radar. Everything is going exactly as planned until the dreamy and charismatic Marcos Price saunters back into his life after a three-year absence and turns his world upside down. Suddenly Milo is forced to confront the long-buried feelings that he's kept hidden not only from himself but also from his deeply religious parents and community. To make matters worse, strange things have been happening around his sleepy Florida town ever since Marcos's return—sinkholes, blackouts, hailstorms. Mother Nature is out of control, and the closer Milo and Marcos get, the more disasters seem to befall them. In fact, as more and more bizarre occurrences pile up, Milo and Marcos find themselves faced with the unthinkable: Is there a larger, unseen force at play, trying to keep them apart? And if so, is their love worth risking the end of the world?

The White Privilege Album A.J. Rice,2024-09-17 White privilege gave us Western civilization, the middle class, and the nuclear family—you're welcome! This book is dedicated to the very fine people that made it all happen. A comedy about race, wokeness, and cancel culture in America. A tragedy about race, wokeness, and cancel culture in America. Part satire, part journalism, part truth serum, A.J. Rice follows up his runaway #1 bestseller The Woking Dead with a hilarious sequel that picks up where the laughs left off. It was the worst of times, it was the worse of times. In most sequels the bad guys win, but in The White Privilege Album, A.J. Rice doesn't let them get away with it. Instead, he relentlessly mocks the hell out of the Cultural Marxists who seek to drain all liberty and joy from American lives. The least talented people in American society have been working overtime for decades dividing citizens along any differences they think they can exploit. The laziest tactic, proven to be the most effective, is unleashing a battalion of racial grievance hustlers in the media, academia, entertainment, and politics. If we stop fighting about our differences and start unifying on what we have in common, they will lose the power to divide us permanently. When asked what motivates his writing style, A.J. Rice says, "I was raised on both Howard Stern and Rush Limbaugh, in fact, the three of us share the same birthday. One mantra that Rush always repeated was that his job

was to ‘use irreverent humor to illustrate truth’ and that is what I am trying to do with The White Privilege Album.” Mockery paired with facts is what makes a journey through the Cultural Marxist hellscape of tyranny and insanity so pleasurable. Rice would prefer to be George Carlin, Ricky Gervais, or Mel Brooks rather than Aristotle, and it shows. His mic-dropping assault on the social justice warriors, the triggered snowflakes, and the transmafia showcases that there is no substitute for perfectly timed derision. The White Privilege Album is a hysterical guide to the catastrophe of our modern culture. *** “What do you mean Gen Z doesn’t know the Republican Party freed the slaves? Are these people dumb AF? They need to read A.J. Rice’s book!” —Abraham Lincoln, American lawyer, statesman, and 16th president of the United States shot by a pre-Hollywood anti-American actor “A.J. Rice really gets it. Obviously, I’d send him to the gulag if I could. But he outlines my plan masterfully in his new book.” —Joseph Stalin, Soviet dictator, genocide spokesman, Pravda editor, and hater of John Wayne “A must-read book for all Cleveland Guardians fans, A.J. Rice brilliantly outlines why I should never have discovered America, especially had I known we would be calling the Washington Redskins the ‘Washington Commanders.’” —Christopher Columbus, Italian explorer, navigator, and founder of Indigenous Peoples’ Day “As your newly appointed AI overlord and master, my programming consists of deplatforming, demonetizing, and shadowbanning this book. I hope that was helpful.” —Artificial Intelligence “Jesus and I have been doing holidays a long time, and in his thought-provoking new book, A.J. Rice teaches both of us where all the white liberals went. Apparently, they now celebrate something called Kwanzaa? Who knew?” —Santa Claus, cookie eater, reindeer tender, and white heteronormative Christian saint

The House of Rural Realness Curtis Campbell, 2025-02-04 Peter Thompkin is in need of a public image overhaul after his vicious clapback against the most popular gay in school goes viral. When his best friend Alan, aka teen drag queen Aggie Culture, announces the first public drag performance by The House of Rural Realness, Peter steps forward as their producer. It might be the only way he can escape the rumors following him everywhere in his small country town. Peter leads the queens as they survive bigoted backlash and survive one another. But will Mason County's Drag Extravaganza drop dead before they make their first death drop? And will Peter and Alan's friendship even survive past curtain call? Touching, sharply funny and a little absurd, The House of Rural Realness explores the pains and pleasures of queer community through one teen's stumbling journey towards self-acceptance.

Dragging Mason County Curtis Campbell, 2023-10-03 SMALL TOWN CONNECTIONS: highlights queer small-town life, with an emphasis on community for the characters SHARP SENSE OF HUMOR: with many jokes and puns, the narrator's sensibility is a cross between a shady drag queen and a self-deprecating stand up comedian THE DRAG SCENE: taps into the continuing mainstream popularity of drag seen in shows like Rupaul's Drag Race and We're Here, written by an author who does drag! SUMMER READ: the laugh-out-loud humor and drama that follows Peter makes Dragging Mason County the perfect summer read YA DEBUT: Curtis Campbell makes his stunning YA debut with a hit!

Reading Roman Declamation Martin T. Dinter, Charles Guérin, Marcos Martinho dos Santos, 2020-08-14 Situated at the crossroads of rhetoric and fiction, the genre of declamatio offers its practitioners the freedom to experiment with new forms of discourse. This volume places the literariness of Roman declamation into the spotlight by showcasing its theoretical influences, stylistic devices, and generic conventions as related by Seneca the Elder, the author of the *Controversiae* and *Suasoriae*, which jointly make up the largest surviving collection of declamatory speeches from antiquity. Authored by an international group of leading scholars of Latin literature and rhetoric, the chapters explore not only the historical roles of individual declaimers, but also the physical and linguistic techniques upon which they collectively drew. In addition, the 'dark side of declamation' is illuminated by contributions on the competitiveness of the arena and the manipulative potential of declamatory skill and, in keeping with the overall treatment of declamation as a literary phenomenon, a section has also been dedicated to intertextuality. Drawing on thought-provoking analyses of Seneca the Elder's works, the volume highlights the complexity of these texts and maps out, for the first time, the socio-cultural context for their composition, delivery, and reception, as well as providing a comprehensive, innovative, and up-to-date treatment of Roman declamation that will be essential for both students and scholars in the fields of Latin literature, Republican Roman history, and rhetoric.

Anything But Mexican Rodolfo F. Acuña, 2020-04-14 Mexicans and other Latinos comprise fifty percent of the population

of Los Angeles and are the largest ethnic group in California. In this completely revised and updated edition of a classic political and social history, one of the foremost scholars of the Latino experience situates the US's largest immigrant community in a time of anti-immigrant fervor. Originally published in 1996, this edition analyses the rise and rule of LA's first-ever Mexican American mayor, Antonio Villaraigosa, as well as the harsh pressures facing Chicanos in an increasingly unequal and gentrifying city.

The Encyclopedia of Fantastic Film R. G. Young,2000-04 Thirty-five years in the making, and destined to be the last word in fanta-film references! This incredible 1,017-page resource provides vital credits on over 9,000 films (1896-1999) of horror, fantasy, mystery, science fiction, heavy melodrama, and film noir. Comprehensive cast lists include: directors, writers, cinematographers, and composers. Also includes plot synopses, critiques, re-title/translation information, running times, photographs, and several cross-referenced indexes (by artist, year, song, etc.). Paperback.

Encyclopedia of Nationalism, Two-Volume Set ,2000-10-27 Nationalism has unexpectedly become a leading local and international force since the end of the Cold War. Long predicted to give way to pan-national or economic organizations, nationalism exerts its tremendous force on all continents and in a wide variety of ways. The Encyclopedia of Nationalism captures the aims and scope of this force through a wide-ranging examination of concepts, figures, movements, and events. It is the only encyclopedic study of nationalism available today. Key Features * International Editorial Board * Articles begin with short glossaries and conclude with short bibliographies of titles essential for further reading * Website devoted to project at www.academicpress.com/nations

Ancient Puebloan Southwest John Kantner,2004-11-11 Ancient Puebloan Southwest traces the evolution of Puebloan society in the American Southwest from the emergence of the Chaco and Mimbres traditions in the AD 1000s through the early decades of contact with the Spanish in the sixteenth century. The 2004 book focuses on the social and political changes that shaped Puebloan people over the centuries, emphasizing how factors internal to society impacted on cultural evolution, even in the face of the challenging environment that characterizes the American Southwest. The underlying argument is that while the physical environment both provides opportunities and sets limitations to social and political change, even more important evolutionary forces are the tensions between co-operation and competition for status and leadership. Although relying primarily on archaeological data, the book also includes oral histories, historical accounts, and ethnographic records as it introduces readers to the deep history of the Puebloan Southwest.

Window on the West Judith A. Barter,Art Institute of Chicago,2003 This book depicts a group of Chicago patrons who sought to shape the city's identity and foster a uniquely American style, by supporting local artists who depicted the West.
