

# Is Elvis Alive

**Pepper Ritter**

**Is Elvis Alive?** Gail Brewer-Giorgio, 1988

*The Death and Resurrection of Elvis Presley* Ted Harrison, 2016-09-15 There is no other way to put it: Elvis is the King. Note the present tense: even though Elvis (supposedly) died nearly forty years ago, he has lived on in our hearts, as a sound, as an image, and as an especially vigorous personality. In fact, it's safe to say no other celebrity has done so quite as well. *The Death and Resurrection of Elvis Presley* is the story of that afterlife, of Elvis after he left the building. Walking the eccentrically carpeted rooms of Graceland, bidding into stratospheric sums on his auctioned relics, and mingling among the some 200,000 impersonators of his likeness, Ted Harrison offers nothing less than the ultimate Elvis tribute. Harrison begins, of course, in pilgrimage: to Graceland. He shows how Elvis's estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife, one Priscilla Presley. If Graceland seems holy, that's because it is: Harrison unveils in Elvis's allure a deeply spiritual dimension, showing how Elvis fans, over the decades, have anointed their idol with Christ-like qualities. Through Elvis's extravagance, Harrison raises fascinating links between money and faith, and through Elvis's life, he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint. Underpinning the whole story is Elvis's extraordinary charisma and—lest we forget—his astonishing musical genius. Fascinating, colorful, and deeply informative, this book is a must-have for any fan, anyone who was ever lucky enough to see Elvis alive or who hopes they might still be able to.

**Premature Burials** Philip L. Rife, 2001 THE HISTORY BOOKS ARE WRONG! \* Joan of Arc wasn't burned at the stake \* Butch Cassidy and the Sundance Kid didn't die in a South American shootout \* Amelia Earhart wasn't lost at sea \* Napoleon didn't end his days in exile \* Jesse James, Billy the Kid and John Dillinger died of old age \* The Boston Strangler was never caught \* Custer's Last Stand had a survivor \* The biggest Nazi fish escaped the net at the end of World War II \* John Wilkes Booth lived for many years after he shot Abraham Lincoln \* Anastasia and her family weren't executed \* D.B. Cooper lived to tell about his daring skyjack ...AND MUCH MORE

**Elvis After Elvis** Gilbert B. Rodman, 2013-10-18 'For a dead man, Elvis Presley is awfully noisy. His body may have failed him in 1977, but today his spirit, his image, and his myths do more than live on: they flourish, they thrive, they multiply.' Why is Elvis Presley so ubiquitous a presence in US culture? Why does he continue to enjoy a cultural prominence that would be

the envy of the most heavily publicized living celebrities? In *Elvis after Elvis* Gil Rodman traces the myriad manifestations of The King in popular and not-so-popular culture. He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave: Elvis not only refuses to go away, he keeps showing up in places where he seemingly doesn't belong. Rodman draws upon an extensive and eclectic body of Elvis 'sightings', from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp, and from Elvis's central role in furious debates about racism and the appropriation of African-American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers. Rodman shows how Elvis has become inseparable from many of the defining myths of US culture, enmeshed with the American dream and the very idea of the 'United States', caught up in debates about race, gender and sexuality and in the wars over what constitutes a national culture.

True Disbelievers George Plasketes, 2018-04-17 The legion of fans who refuse to believe that Elvis Presley died August 16, 1977 has been a major force behind the ever-expanding, elusive, and enduring Elvis myth during the past seventeen years. This network of fervent true believers engages in activities that include a melange of sightings and conspiracy theories. Mass media coverage of these phenomena has evolved from the underground grass-roots level to widespread publicity with social, religious, commercial, and ideological underpinnings. In *True Disbelievers*, R. Serge Denisoff and George Plasketes examine the implications of various accounts and several perspectives on Elvis Presley's death and transfiguration. Denisoff and Plasketes also analyze the various media that those who doubt Elvis's death use to popularize their positions, including television, magazines, and books. They review the work of others who have written on the subject, such as Gail Brewer-Giorgio and Major Bill Smith, and raise provocative, yet valid questions about the phenomenon they describe. *True Disbelievers* takes a pointed look at the music industry as well, and how it has used and commercially benefitted by the continuing belief that Elvis lives. They examine common strands in the many reports of Elvis sightings since Presley's reported death. Denisoff and Plasketes describe the Elvis phenomenon in serious, objective as well as empathetic terms, placing it in the context of studies of cult figures and their followers. *True Disbelievers* contains a great deal of fascinating information about America's popular culture and the power and influence of the media in modern society. It will be of significant interest to communication studies scholars, sociologists, professionals in the music and media industries, and those interested in popular culture.

*More of Hollywood's Unsolved Mysteries* John Austin, 1991 Here is the much requested sequel to 'Hollywood's Unsolved Mysteries', which gained national attention for its controversial revelations about the mysterious deaths of Natalie Wood, Bob Crane, George Reeves, and others. In 'More of Hollywood's Unsolved Mysteries' John Austin picks up where he left off, answering the tough questions and uncovering the truth -- the truth that Hollywood doesn't want you to know.

**From The Holy Land To Graceland** Gary Vikan, 2012-10-01 Graceland is much more than a wildly popular historic house and tourist destination associated with a famous entertainer, and Elvis Presley is much more than the King of Rock 'n' Roll. As former Walters Art Museum director and medievalist Gary Vikan shows us in his fascinating new book, Graceland, the second-most visited historic house in the U.S., is a locus sanctus -a holy place-and Elvis is its resident saint, while the hordes of fans that crowd Elvis Presley Boulevard in Memphis are modern-day pilgrims, connected in spirit and practice to their early Christian counterparts, sharing a fascination for icons and iconography, relics, souvenirs, votives, and even a belief in miracles. Vikan reveals the emergence of contemporary holy places-Ground Zero in Lower Manhattan, the Lorraine Motel in Memphis, the Grassy Knoll in Dallas, Place de l'Alma in Paris-and shows us that the saints of our day are our "martyred" secular charismatics, from Elvis to John F. Kennedy, Princess Diana, Michael Jackson, and others.

*Don'T Cry Darlin'* Pepper Ritter, 2011-09-02 The author writes about her close encounter with Elvis Presley March 12, 1988; almost eleven years after it was reported he had died. She also shares a conversation Elvis had with an Anchorage disc jockey at radio station KYAK Friday morning, October 14, 1988.

**American Myths, Legends, and Tall Tales** Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales, folklore, and mythology in the United States from earliest times to the present, including stories and myths from the modern era that have become an essential part of contemporary popular culture. Folklore has been a part of American culture for as long as humans have inhabited North America, and increasingly formed an intrinsic part of American culture as diverse peoples from Europe, Africa, Asia, and Oceania arrived. In modern times, folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories, with mass media such as comic books, television, and films contributing to the retelling of old myths. This multi-volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement. Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it. Organized alphabetically, the coverage includes Native American creation myths, tall tales like George Washington chopping down his father's cherry tree and the adventures of King of the Wild Frontier Davy Crockett, through to today's urban myths. Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved. Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation. Special attention is paid to African American folklore, Asian American folklore, and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic.

Another Famous DiMaggio Robert Joseph DiMaggio, 2014-07-08 This book, in its entirety, is dedicated in memory and in honor of my beloved wife Francine Veronica DiMaggio — a very special woman and wife that I was most fortunate and

blessed to know and love in my lifetime, wholeheartedly and unconditionally. I'll always love her till the end of time, and because she was very special to me. I love and miss her very much, and she was, still is, and will always be The Love of My Life. We were married for nearly fifty-two wonderful years, and during that period, I always put Francine on a pedestal, because she was a very special person, my best friend and deserved this honor. Robert Joseph DiMaggio Author of Another Famous DiMaggio Website: [www.anotherfamousdimaggio.com](http://www.anotherfamousdimaggio.com) In this book, author Robert Joseph DiMaggio tells about his fondest dream to follow the footsteps of his famous cousin, Mr. Joe DiMaggio, his adventures and the meaningful journey he lived with the love of his life, Francine. He has always focused more on 'My Message in the Music' project, entitled A Special Tribute to America, including the three special songs he wrote Peace on Earth, Our Missing Children and So Please Give With Me. Also, refer to Mr. DiMaggio's heartfelt Thank You and 3 wishes displayed at the beginning of his book. Another Famous DiMaggio is more than an autobiography. This is an inspiring life story of a man that will change the readers' view about life and motivate them to discover their own purpose in this world. The two most favorite Record Album projects released by RJD Records is A Special Tribute to America, and the second most favorite is the one displayed below. I'm not like my famous cousin, Mr. Joe DiMaggio, one of the Worlds' greatest baseball players of all time, who set some outstanding records, and hitting many home runs, but I'm hitting home runs in the music and entertainment business. God bless you Mr. Joe DiMaggio

Rights, Bodies and Recognition Daniel Breazeale, Tom Rockmore, 2006 The essays in this volume focus on Fichte's contributions in political theory as set out in his 'Foundations of Natural Right', examining such issues as Fichte's role as a social contract theorist, his theory of gender relations, and his theories on punishment and criminal law.

Conspiracies Declassified Brian Dunning, 2018-06-05 A collection of the wildest conspiracies to ever exist, from mind control experiments to lizard people, this book explores, debunks—and sometimes proves—the secret stories that don't quite make it into the history books. What's fact and what's fiction? With conspiracy theories, sometimes it's hard to get to the truth! In *Conspiracies Declassified*, author and expert skeptic Brian Dunning explains fifty true stories of famous conspiracies throughout history. From the moon landing hoax, to chemtrails, to the mind control dangers of fluoride, Dunning is here to sort the truth from the lies to tell you what really happened.

*hollywood's greatest mysteries* John Austin, 1993-11 Hollywood columnist and author John Austin takes readers well beyond the prepared and doctored statements of studio publicists to expose omissions and contradictions in police and coroners' reports. Includes information on the deaths of Elvis, Marilyn, Jean Harlow, and more.

**The Mega Book of Useless Information** Noel Botham, 2010-11-01 Continuing the sensational success of the Useless Information Series, the Official Useless Information Society bring you another essential compendium of everything you never needed but always wanted to know. If you are a lover of the wonderfully pointless, then this is the book for you.

Ordinary Reactions to Extraordinary Events Ray Broadus Browne, Arthur G. Neal, 2001 The essays in this collection present communities beset by unexpected social and physical events. Some outline immediate responses that soon pass and some that will not go away. Who would have foreseen that Elvis would be a phenomenon apparently as lasting as the faces on Mount Rushmore? Cultural history will not allow us to forget the H. G. Wells account of the Martian attack, nor can we ever forget the continued terror of the Chernobyl explosion. *Ordinary Reactions to Extraordinary Events* catalogues on the Geiger counter of human emotions societal reactions to events both earthshaking and culture-disturbing.

*Weekly World News*, 1992-06-23 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the *Weekly World News* has been the world's only reliable news source since 1979. The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site.

**The Creative Writer's Companion** Stanley J. Corwin, 2001-04-09 Whether you're sitting on one blockbuster idea or half a dozen bright possibilities, *The Creative Writer's Companion* will help you parlay what you've created into the widest number of outlets. You'll learn how your plot and characters can become a book, a movie, a television show, or even a cartoon strip, and how limiting your queries to just one of those industries can hamper your project's ultimate success. Corwin will show you how to get your ideas into the hands of decision makers, explain how proposals get noticed, and divulge tips on presentation and packaging both ideas and written material. The world of media is hungry for content, and there are more opportunities than ever to place your work. *The Creative Writer's Companion* will give you the inspiration and the strategies you need to turn your ideas into product.

**Race and the Subject of Masculinities** Harry Stecopoulos, Michael Uebel, 1997 Although in recent years scholars have explored the cultural construction of masculinity, they have largely ignored the ways in which masculinity intersects with other categories of identity, particularly those of race and ethnicity. The essays in *Race and the Subject of Masculinities* address this concern and focus on the social construction of masculinity--black, white, ethnic, gay, and straight--in terms of the often complex and dynamic relationships among these inseparable categories. Discussing a wide range of subjects including the inherent homoeroticism of martial-arts cinema, the relationship between working-class ideologies and Elvis impersonators, the emergence of a gay, black masculine aesthetic in the works of James Van der Zee and Robert Mapplethorpe, and the comedy of Richard Pryor, *Race and the Subject of Masculinities* provides a variety of opportunities for thinking about how race, sexuality, and manhood are reinforced and reconstituted in today's society. Editors Harry Stecopoulos and Michael Uebel have gathered together essays that make clear how the formation of masculine identity is never as obvious as it might seem to be. Examining personas as varied as Eddie Murphy, Bruce Lee, Tarzan, Malcolm X, and André Gidé, these essays draw on feminist critique and queer theory to demonstrate how cross-identification through performance and spectatorship among men of different races and cultural backgrounds has served to redefine masculinity in

contemporary culture. By taking seriously the role of race in the making of men, *Race and the Subject of Masculinities* offers an important challenge to the new studies of masculinity. Contributors. Herman Beavers, Jonathan Dollimore, Richard Dyer, Robin D. G. Kelly, Christopher Looby, Leerom Medovoi, Eric Lott, Deborah E. McDowell, José E. Muñoz, Harry Stecopoulos, Yvonne Tasker, Michael Uebel, Gayle Wald, Robyn Wiegman

What Will They Say About You When You're Gone? Daniel Cohen, 2017-01-31 This book is a beacon of light and a touchstone for the timeless values of leading a purposeful life. --From the Foreword by Senator Joseph Lieberman There's not one person alive who hasn't confronted their own mortality. Each of us, at some point, wakes up to the reality that our time on Earth is limited. But how do we lead our lives with a sense of urgency every day? How do we develop the courage to make choices not based on pressure but on principle? How do we create the sacred space to reflect on who we are and who we want to be so we can realize our innermost goals and dreams? *What Will They Say About You When You're Gone?* points the way. Esteemed Rabbi Daniel Cohen will help you rise above the distractions to tap into the best version of yourself. Through a unique blend of storytelling, practical exercises, and profound wisdom, he will teach you seven transformative principles to reverse engineer your life so that you are living with purpose and passion, so that the person you are today more closely aligns with the person you aspire to be.

Sacred Science? Simen Andersen Øyen, Tone Lund-Olsen, Nora Sørensen Vaage, 2012-05-19 Science and religion are often viewed as dichotomies. But although our contemporary society is often perceived as a rationalization process, we still need broad, metaphysical beliefs outside of what can be proven empirically. Rituals and symbols remain at the core of modern life. Do our concepts of science and religion require revitalization? Can science itself be considered a religion, a belief, or an ideology? Science's authority and prestige allows for little in the way of alternate approaches not founded in empirical science. It is not unusual to believe that technology and science will solve the world's fundamental problems. Has truth been colonized by science? Have scientific disciplines become so specialized and operationally closed that they have constructed barriers to other disciplines as well as the general public? The writers of this book set out to investigate whether the symbols of academia may in some cases take on a quality of sacrality, whether the rule of experts can be said to have the character of a priesthood of knowledge, whether religion has a place in scientific contexts, and a selection of other questions concerning science and its relations to religious belief.

Reviewing **Is Elvis Alive** : Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound

prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
