

King David Family Tree

James Yako

Family Trees of the Bible Willard W. Pulkrabek, 2007 Simply fascinating for Bible scholar and neophyte alike, these family trees shed new light on the lineages of biblical men and women from Aaron to Zimri, their marriages, illicit affairs, and the offspring they produced. This encyclopedic study of over 130 main characters in the Christian Bible provides reference sources for Bible study as well as a better visualization of the relationships between various characters.

The Family Tree Jeanne Best, 2018-10-17 Aren't we all God's children? Don't we all belong to the family of God? Would it surprise you to learn that in the Old Testament God doesn't call Himself our father and doesn't refer to people as His children? Being a member of the human race doesn't mean we automatically qualify for membership in God's family. Before Jesus took on flesh, God revealed Himself as our Creator, Maker, and King. It's only on His terms, not ours, that we become His true sons and daughters. The Family Tree offers a fresh perspective on God's relentless love and pursuit of you and reveals how you can become part of the family that God gets back. Vignettes that explore the thoughts and feelings of Bible characters propel you through the gospel to a conclusion that demands a response.

Finding Our Fathers Dan Rottenberg, 1986 In this work Dan Rottenberg shows how to successfully trace your Jewish family back for generations by probing the memories of living relatives; by examining marriage licenses, gravestones, ship passenger lists, naturalization records, birth and death certificates, and other public documents; and by looking for clues in family traditions and customs.

King David in the Valley of the Shadow of Middle Age Sue Sandidge, 2002-09-04 King David in the Valley of the Shadow of Middle Age tells the story of the life of David of the Old Testament. David was a poet, a warrior, a politician, and a polygamist. His life story is one of the world's great sagas, full of action and adventure, love and lust, and it holds many psychological and religious lessons, particularly for those in the midst of the messy dilemmas and responsibilities of middle age.

The Missing Years of Jesus Christ James Partch, 2010-07-26 The most emotional story ever told in the history of the world today. A master's sacrifice to give to all people of universal truth and understanding freely despite the amount of authority of his own religion and local government to shut him down and finally kill him. Even in death freedom, reigns for a master who achieves ascension even though the doubting Thomas still abounds in numbers. Ascending beyond death is the sacrifice all true masters give to all people and all races, as well as unto themselves. The tree of life of Genesis and Jacobs ladder are all truths known and taught not only by Jesus/Yehoshua but for you and me and our freedom of body soul and mind personally. "YOU MUST ONLY BELIEVE"

Bloodline for the Messiah A. M. Deigloriam, 2019-09-19 This book provides a detailed analysis of the Messiah's bloodline that reveals many important concepts related to the human condition of mankind. The analysis expands our understanding of the scope of God's love for all of mankind. The bloodline includes God's patriarchs, many godly kings, many women who were gentiles, and men who were evil. The Messiah's bloodline reflects a cross section of mankind and fulfills Old Testament prophecies. The bloodline is the introduction to God's only Son, Jesus, and his life, death, and resurrection. God loves and communes with his creation on a daily basis. The only possible way for God to continue his relationship with man beyond death was to send his only Son to act as an escape for the penalty of sin. At no time has the bloodline of the Messiah been more important than now. The worship of idols and the new paganism of today are very dangerous and extremely contagious to all of mankind. 1 Peter 2:9 reads, But ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that ye should show forth the praises of him who hath called you out of darkness into his marvelous light.

The Truth Laurel, 2005 The Truth is the award-winning first book in The Oracle Institute foundational trilogy. It presents a summary of the divine messages sent to us by God through the Prophets. When studied successively, these spiritual lessons form a Tower of Truth that should not be broken or interpreted along sectarian lines. Instead, these Truths should be assimilated into a contemporary spiritual and scientific database and shared by everyone, regardless of religious affiliation. The Truth explores the five primary religions that evolved after the Prophets died: Hinduism, Judaism, Buddhism,

Christianity, and Islam, to determine whether these manmade religions have remained faithful to the Truth, including the primordial Truth that God is half masculine and half feminine energy. The Truth reveals that mankind has built a Tower of Babel with God's messages. Moreover, these now ancient religions have polarized humanity and brought us to the brink of World War III. The book also includes an objective template for measuring the adequacy of any religion, and an Appendix that shows the nexus between politics and religion and politics thought human history.
