Defeating the Python Spirit Prayer M. Madueke, 2025-06 □ Discover the Python Spirit's Ultimate Purpose, it's Primary Target, and Vital Strategies for Victory and Walk in Total Freedom! □ Python spirit is one of the principal agents of Satan, under Leviathan. It has remarkable evil qualities. Given these gruesome qualities which Python, serpents and Cobras possess, there is no way this archenemy of humankind and God can be sympathetic towards his victims. Human messengers of Python spirit look down on everyone and instills fearlessness in his agents everywhere. His covenant with any human being is unto death and always take preeminence in any relationship dictating and giving orders. When Python spirit is programmed into the sea of your life, body organs are troubled, swell or shrink in size (Job 26:12, 13). People possessed with Python spirit are never submissive. They make trouble wherever they are until they get to the top to divert divine orders. In times of war, they rule and reign by causing anguish without mercy with the strength of lions, vipers and fiery serpents (Isaiah 30:6; Ecclesiastes 10:8-11). Python spirit monitors God's children who commit errors, break hedges, or disobey God's commandments in order to bite them without negotiating with God. While Leviathan causes and controls international wars, Python Spirit causes and monitors local wars and brings his victims to untold hardship and painful sufferings with all manner of problem and impossibilities. This book reveals his tricks and weapons of operation and equips every believer with potent tools to counter them. FREE BONUS! Get my four power-packed book series when you purchase this book. Breaking Your Childhood Altars Prophetess Nhyira Wallace, 2021-11-07 Christianity is not a religious construction, but rather accepting the man Jesus Christ as personal Lord and Saviour. This is the reason for which deliverance from placenta, umbilical cord, first water and sponge birth captivity is a thing to look at. "And as for thy nativity, in the day thou wast born thy navel was not cut, neither wast thou washed in water to supple thee; thou wast not salted at all, nor swaddled at all" (Ezekiel 16:4). Now indigenous and modern sciences states that by cutting the umbilical cord, the child is freed after birth from the blood of the mother, with which it was nourished in the womb. If the cutting is not done, as well as the tying off of the navel-string, which takes place at the same time, the child will death when the decomposition of the placenta begins. The fact is that many people are still bound by generational curses. Because these curses that have been passed down from one generational to the next are passed down through the umbilical cord. We are bound by birth and early

childhood experiences. There are instances in the bible, in the lineage of Abraham, their first son's never make it to inheritance, if you trace the case, you will be shock on what happened between Jacob, Joseph and his sons even to David and his sons. They were attached by the umbilical cord. There was a curse in operation and yet was almost undetected. Foundation issues can travel for generations unnoticed. Circle of imitations, failures, hardships, poverty can be traced to family foundations due to agreements with demons when these altars were setup, some of our forefathers may have said, "take wealth and protect me and my children". How then, can this family experience prosperity when the devil holds this as a legal agreement against them? Some suffer affliction because they refuse to continue in the worship of these idols or some its generational curses. Nevertheless, some may manage to be doing well, because they engage in evil practices. So the devil will leave them alone. This is the reason for which this book has come at the right time to us help understand the manipulative act of the placenta witchcraft targeted against our destiny. We should be delivered from every umbilical cord, first water and sponge birth captivity. If you are seeking for deliverance in any area of your life, business, ministry, then this book will help to point you in the right direction.

Let God Arise and Let My Enemy Be Scattered Tella Olayeri, 2025-08-24 Let God arise and let my enemy scatter is a spiritual warfare manual and prophetic guide for believers who are tired of stagnation, oppression, and limitation. This book is written for those who know they are called for more but feel hindered by unseen forces. With a bold declaration rooted in Psalm 68:1, it ignites a fire in the heart of the reader to invite God into every battle and expect visible victory. The book addresses invisible forces holding you back from breakthrough. It is not news that we feel surrounded by battles we can't

explain or fighting enemies we can't see. This book will equip you with fire-filled prayers, deep spiritual insight, and practical tools to confront and conquer every power standing in the way of your destiny. This is not just another book on prayer, it is a divine battle cry for total deliverance and victory. One of the major focuses of this book is breaking invisible barriers that hinder progress. Many people are battling forces they can't explain in the form of ancestral curses, foundational bondage, or spiritual embargoes placed over their destinies. Through powerful prayer points and biblical revelations, this book exposes the tactics of the enemy and releases divine keys to shatter every barrier. With prayer of understanding, you will walk above protocol powers that say you must follow their rules before you can rise. But the God we serve is a protocol breaker. When God arises, natural laws are suspended, gates open on their own accord, and kings lose their sleep until God's will is done. This book empowers the reader to walk in boldness, to break out of the expectations of men, and to move by divine leading and favor that overrules earthly limitations. In a time when compromise and sin are rampant, this book does not shy away from the call to righteous living. Victory in spiritual warfare is not just about aggressive prayers; it's about living a life that pleases God. Holiness is power. Obedience is a weapon. The book will teach you that righteousness is not weakness; it is strength in the spirit realm. Your hand is trained to war and your finger to battle once you start praying with the acidic, fire-filled prayers, practical teachings, and spiritual insights drawn from Scripture. These are not gentle prayers for the comfortable believer; they are weapons for warriors, for those who refuse to bow to the enemy's oppression. You will be trained to recognize your enemies, confront them with authority, and enforce your victory through the power of God. This is a wonderful book that will make you grow in spirit and in real life in the following areas: You will be baptized with divine empowerment to confront and defeat hidden enemies in life. The Lord will give you biblical strategies for breaking invisible barriers that hinder progress. God will reveal foundational powers that keep people in cycles of failure and how to break free. It is a book of revelation on how to live above man-made and spiritual protocols that limit destiny. This book is loaded with fire-filled, targeted prayer points to destroy satanic oppression. It has a deep understanding of spiritual warfare and how to win every battle. It will empower you with the ability to break free from ancestral and generational limitations. You will experience freedom from the fear of witchcraft, manipulation, and evil altars. The book will empower your restoration of stolen glory, blessings, and opportunities. Heavenly power will anoint you to walk in dominion and authority as a child of God. I believe this book will not just inform you, it will transform you.
