Caroline Peckham, Susanne Valenti

The Fated Throne Caroline Peckham, Susanne Valenti, 2025-06-29 Fate has torn us apart. Without my sister, the world seems darker than ever before and the shadows loom thicker, rising up to answer the call of the Shadow Princess and changing the face of Solaria for good. Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him. Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing. But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time. Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end. One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns. A war is coming. The throne is calling for a new monarch. And someone must answer its call.

Warrior Fae Caroline Peckham, Susanne Valenti, 2025-07-01 I've been thrown into the den of a monster. I once thought one of my ruthless boys could be the killer I'm hunting. They're all dark, deadly and more than capable of brutality. But now I'm held by the King I've been stalking in the shadows and when I unmask him, he'll realise he made a huge mistake in taking my brother from this world. My Kings are coming for me, I know that in my soul. They're on their way to rip me from my enemy's arms and tear him apart for me. My heart beats to the sound of their names. But I won't wait around to be rescued. Everything has led me to this moment and I'm ready to destroy the Fae who stole my brother from me. Secrets will be uncovered. Destiny will be decided. Death will deliver us all in the end. No one will escape the conclusion of this story without blood on their hands. I guess it's a good thing I'm a Vampire then, because I just so happen to have a taste for blood.

The Heartless Sky Caroline Peckham, Susanne Valenti, 2025-06-30 The winds of fate are shifting. And it finally seems like they've been twisted in our favour. On the run and cast out from society, we've been forced to hide from the mad man who stole our throne. But as more secrets come to light and my sister and I work harder than ever before to reach our potential and claim our birth right, the end is finally drawing closer. There is no turning from this path now. The curse chases on our heels as time rushes by and the blood drenched destiny of the man I love looms ever closer just like the monster who stole our throne. We must prepare for the final battle, but three things are clear now. The cards have already been dealt. Blood will spill for a new future to rise. And the stars themselves can't help us. The fight for the throne is upon us. All hail the heartless sky.

Shadow Princess Caroline Peckham, Susanne Valenti, 2025-06-26 The shadows are in my blood. I can feel them crawling through me, slithering under my skin and taking me hostage. But the darkness within me isn't nearly as bad as the darkness that lives around me. The four Celestial Heirs will stop at nothing to destroy the lives of me and my sister. But they haven't figured out yet, that we're the strongest creatures they've ever known. And when that secret comes out, we need to be ready to face them as well as any other cruel Fae who rises against us. It's us or them. And it damn well won't be us.

The Awakening Caroline Peckham, Susanne Valenti, 2025-06-26 I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a

letter to Hogwarts? ***This is a enemies to lovers romantasy - don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride***

But what if we could find a way to answer their pleas? What if we could find a way to help them from this side of the divide? And what price would such a thing come at? ***This is a bridging book which takes place beyond The Veil (in the land of the dead) during the events of book 8 in the Zodiac Academy series. It should be read after book 8 to avoid spoilers for that book and holds the answer to what takes place for the characters who are held within the clutches of death by this point in the story, as well as vital clues to the conclusion of this epic series***
