

The Krampus And The Old Dark Christmas

Brenda Ayres, Sarah E. Maier

The Krampus and the Old, Dark Christmas Al Ridenour, 2016-09-12 The Krampus, a folkloric devil associated with St. Nicholas in Alpine Austria and Germany, has been embraced by the American counterculture and is lately skewing mainstream. The new Christmas he seems to embody is ironically closer to an ancient understanding of the holiday as a perilous, haunted season. In the Krampus' world, witches rule Christmas, and saints can sometimes kill.

North Sea Water in My Veins Imelda Almqvist, 2022-06-24 North Sea Water in My Veins is a quest for the reconstruction of an indigenous or native spirituality of the Low Countries and covers pre-Christian material from the Netherlands, Belgium and the region just across the German border. Seeking out and documenting ancient gods and goddesses, practices and traditions, this book asks the question: is there enough material for such a reconstruction? The conclusion is a resounding yes!

The Dead of Winter Sarah Clegg, 2024-11-12 Discover the monsters, witches, and other ghoulish creatures that make up lesser known Christmas folklore in this gleefully creepy guide—perfect for horror fans who love the wintry holidays. When you think about Christmas, you likely picture manglers, glowing fireplaces, sweet carolers, and snow-blanketed hills. But behind all this bright magic, there's something much darker lurking in the shadows. In *The Dead of Winter*, Cambridge-trained historian Sarah Clegg delves deep into the folklore of the Christmas season in Europe, detailing the way its terrifying and often debauched past continues to haunt and entertain us now in the twenty-first century. Perfect for the growing mainstream audience obsessed with horror and monsters, this guide makes the perfect gift, beautifully packaged in a stocking-stuffer-friendly trim size.

The Atlas of Christmas Alex Palmer, 2020-10-06 Discover the fascinating (and sometimes downright odd!) ways that people and nations celebrate the holiday season and share this festive compendium's unique traditions together with family and friends. Do you know that in Guatemala there's a Burn the Devil tradition to kick off the Christmas season, where revelers gather to set fire to devil-piñatas? In Sweden, a popular figure in Christmas traditions is the Yule Goat, a rowdy, menacing character who demands gifts. And in Japan, a big bucket of Kentucky Fried Chicken has become the classic Christmas Day feast. These and many other global Christmas traditions are featured here in this delightful book. From decorations and activities to feasts and special treats, there's a wide range of both lovely and unusual traditions from around

the globe.

Christmas: Tradition, Truth and Total Baubles Nick Page, 2020-10-29 Why is Christmas the way it is? How did we get from the birth of Jesus to everyone pushing their credit card and their belts to their maximum extent? Starting with the events surrounding Jesus' birth, this book takes us through centuries of commemoration, celebration and over-consumption. Along the way we'll find out why we eat turkey, how an obscure Turkish saint turned into a man flying a sleigh, and why that tree in your house should really contain an apple and a snake. Combining in-depth historical research, cheerfully irreverent humour and cutting-edge guesswork, Nick Page explores what this festival really means, and how we can get back to something real and true beneath all that wrapping.

A Scary Little Christmas Matthew C. DuPée, 2022-06-17 Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with *Silent Night, Deadly Night* (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. Psycho Santa films such as *Christmas Evil* (1980) and *3615 code Pere Noel* (1989) are examined, along with Yule-Die slashers like *The Dorm that Dripped Blood* (1982), *Black Christmas* (1974) and *Silent Night, Bloody Night* (1972). Commercial successes like *Gremlins* (1984) and *Rare Exports: A Christmas Tale* (2010) are covered, as well as more recent releases such as *Better Watch Out* (2016), *Red Christmas* (2016) and *Deathcember* (2019). Rare photographs, promotional materials and an annotated filmography are provided.

Pagan Portals - Rounding the Wheel of the Year Lucya Starza, 2023-10-27 Every month is full of magic, each day has its own energy, and the seasons rotate as part of the cycles of nature. *Pagan Portals - Rounding the Wheel of the Year* looks at ways to honour each month with folkloric customs, herb and plant lore, traditional crafts, spells, visualisations, and pagan rites that go beyond the eight festivals of Imbolc, Spring Equinox, Beltane, Summer Solstice, Lammas, Autumn Equinox, Samhain, and Winter Solstice. The wheel of the year turns smoothly, it doesn't bump over eight cogs, and that's the meaning of the title of this book. Inside these pages you will find the history behind some much-loved folklore and modern pagan customs, as well as practical suggestions for ways to celebrate the turning of the year.

Santa Claus Worldwide Tom A. Jerman, 2020-05-25 This is a comprehensive history of the world's midwinter gift-givers, showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share. It tracks the evolution of these figures from the tribal priests who presided over winter solstice celebrations thousands of years before the birth of Christ, to Christian notables like St. Martin and St. Nicholas, to a variety of secular figures who emerged throughout Europe following the Protestant Reformation. Finally, it explains how the popularity of a poem about a miniature

sleigh and eight tiny reindeer helped consolidate the diverse European gift-givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought. Although the names, appearance, attire and gift-giving practices of the world's winter solstice gift-givers differ greatly, they are all recognizable as Santa, the personification of the Christmas and Midwinter festivals. Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England, the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany, Santa has survived and prospered, becoming one of the best known and most beloved figures in the world.

Interpreting Christmas at Museums and Historic Sites Kenneth C. Turino, Max A. van Balgooy, 2024-08-19

Interpreting Christmas at Museums and Historic Sites offers a wide range of perspectives on Christmas and practical guidance for planning, research, interpretation, and programming by board members, staff, and volunteers involved in the management, research, and interpretation at house museums, historic sites, history museums, and historical societies across the United States. Packed with fresh ideas and approaches by nearly two dozen scholars and leaders in this specialized topic, as well as Hanukkah and Kwanzaa, they can easily be adapted for the unique needs of organizations of various budgets and capacities. An extensive bibliography of books and articles published in the last twenty years provides additional resources for museum staff.

Spooky Christmas S. E. Schlosser, 2023-09-08 Grab an eggnog, gather 'round the fireplace and get ready for twenty-five creepy tales of ghostly hauntings, eerie happenings, and other strange holiday occurrences from times past! Holiday folklore traditions from around the United States are kept alive in these expert retellings by master storyteller S. E. Schlosser and through artist Paul G. Hoffman's evocative illustrations. Ghosts, vampires, werewolves, and witches populate the pages of this compelling holiday collection. From Hanukkah and Christmas to Three Kings Day and New Year's, these spooky stories will have you looking over your shoulder again and again.

How Christmas Became Christmas Nathaniel Parry, 2022-10-31 In some respects, the contrasts of Christmas are what make it the most delightful time of the year. It is a time of generosity, kindness and peace on earth, with broad permission to indulge in food, drink and gifts. On the other hand, Christmas has become a battleground for raging culture wars, marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday. This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character. By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization, this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ. Chapters chronicle how Christmas's magic and misrule link to the nativity, and why the carnival side of the holiday appears so separated from traditional Christian beliefs.

The Routledge Companion to Folk Horror Robert Edgar, Wayne Johnson, 2023-10-09 *The Routledge Companion to Folk*

Horror offers a comprehensive guide to this popular genre. It explores its origins, canonical texts and thinkers, the crucial underlying themes of nostalgia and hauntology, and identifies new trends in the field. Divided into five parts, the first focuses on the history of Folk Horror from medieval texts to the present day. It considers the first wave of contemporary Folk Horror through the films of the 'unholy trinity', as well as discussing the influence of ancient gods and early Folk Horror. Part 2 looks at the spaces, landscapes, and cultural relics, which form a central focus for Folk Horror. In Part 3, the contributors examine the rich history of the use of folklore in children's fiction. The next part discusses recent examples of Folk Horror-infused music and image. Chapters consider the relationship between different genres of music to Folk Horror (such as folk music, black metal, and new wave), sound and performance, comic books, and the Dark Web. Often regarded as British in origin, the final part analyses texts which break this link, as the contributors reveal the larger realms of regional, national, international, and transnational Folk Horror. Featuring 40 contributions, this authoritative collection brings together leading voices in the field. It is an invaluable resource for students and scholars interested in this vibrant genre and its enduring influence on literature, film, music, and culture.

The Befana Is Returning Steve Siporin, 2022-08-16 On the night of January 5, in certain areas of southern Tuscany, a costumed, singing troupe of characters visits residents' homes, expecting to be fed and feted. This is the Befanata, a mumming tradition centered in Tuscany, whose main character--the Befana--is a kindly old woman or grandmotherly witch who delivers toys, candies, and gifts. *The Befana Is Returning* is a deeply researched, deftly insightful presentation of this living tradition that adds a large missing piece to the array of contemporary ethnographic scholarship on mumming.

Christmas on the Screen John A. Zukowski, 2021-12-01 "Christmas movies are revealing windows into religion, consumerism, family, and American pop culture, and Zukowski offers a compelling, highly readable guide to this long-flourishing genre. Exploring classics as well as flops, he illuminates both the resilience and the limitations of the holiday's celebration on screen." —Leigh E. Schmidt, Washington University in St. Louis, author of *Consumer Rites: The Buying and Selling of American Holidays* How the Grinch Stole Christmas weighs materialism against community. The Polar Express tests the wonder of miracles in an age of cynicism. And Die Hard (yes, Die Hard) wrestles with the impact of broken relationships on holiday joy. With *Christmas on the Screen*, journalist John A. Zukowski takes readers on an historic tour of Christmas films and changing American values to ask the question, "What does Christmas mean to us?"

Saps, Blackjacks and Slungshots: A History of Forgotten Weapons Robert Escobar, 2018-05-31

A Vindication of the Redhead Brenda Ayres, Sarah E. Maier, 2021-12-14 A Vindication of the Redhead investigates red hair in literature, art, television, and film throughout Eastern and Western cultures. This study examines red hair as a signifier, perpetuated through stereotypes, myths, legends, and literary and visual representations. Brenda Ayres and Sarah E. Maier provide a history of attitudes held by hegemonic populations toward red-haired individuals, groups, and genders from

antiquity to the present. Ayres and Maier explore such diverse topics as Judeo-Christian narratives of red hair, redheads in Pre-Raphaelite paintings, red hair and gender identity, famous literary redheads such as Anne of Green Gables and Pippi Longstocking, contemporary and Neo-Victorian representations of redheads from the Black Widow to The Girl with the Dragon Tattoo, and more. This book illuminates the symbolic significance and related ideologies of red hair constructed in mythic, religious, literary, and visual cultural discourse.

Telling the Bees and Other Customs Mark Norman, 2020-05-13 As featured in The New York Times... Throughout the history of civilisation, traditional crafts have been passed down from hand to skilled hand. Blacksmithing, brewing, beekeeping, baking, milling, spinning, knitting and weaving: these skills held societies together, and so too shaped their folklore and mythology. Exploring the folklore connected with these rural crafts, *Telling the Bees* examines the customs, superstitions and stories woven into some of the world's oldest trades. From the spinning of the Fates to the blacksmith's relationship with the devil, and the symbolism of John Barleycorn to a ritual to create bees from the corpse of a cow - these are the traditions upon which our modern world was built.

Eaters of the Dead Kevin J. Wetmore, Jr., Kevin J. Wetmore Jr, 2021-09-16 Spanning myth, history, and contemporary culture, a terrifying and illuminating excavation of the meaning of cannibalism. Every culture has monsters that eat us, and every culture repels in horror when we eat ourselves. From Grendel to medieval Scottish cannibal Sawney Bean, and from the Ghuls of ancient Persia to The Texas Chainsaw Massacre, tales of being consumed are both universal and universally terrifying. In this book, Kevin J. Wetmore Jr. explores the full range of monsters that eat the dead: ghouls, cannibals, wendigos, and other beings that feast on human flesh. Moving from myth through history to contemporary popular culture, Wetmore considers everything from ancient Greek myths of feeding humans to the gods, through sky burial in Tibet and Zoroastrianism, to actual cases of cannibalism in modern societies. By examining these seemingly inhuman acts, *Eaters of the Dead* reveals that those who consume corpses can teach us a great deal about human nature—and our deepest human fears.

Segregation in Language Education Ann Wand, 2023-10-18 This book sets out to try to understand why segregated schooling still exists, especially in northern Italy in South Tyrol where they practice 'separate but equal' education. Supported by the UN, the Austrian and Italian governments, the province is considered a 'peace model' due to its consociational approach to dealing with the region's Nazi and Fascist past, which has led to a 'negative peace'. The autonomy statutes, which derived from this 'peace', resulted in an education system that is linguistically segregated for the purposes of protecting South Tyrol's ethnolinguistic minorities. Broken into two parts, the book begins with the background history of the province, before describing the region's geographical layout, demographics, local identity, and its three-part schooling system. By examining responses to South Tyrol's education system, and its impact on local group dynamics, this

book explores the implications that segregated schooling may have on second language acquisition. This case study will be of interest to students and scholars of Italian studies, anthropology, linguistic ethnography, sociolinguistics, and second language education.

Llewellyn's 2023 Sabbats Almanac Llewellyn, 2025-08-05 Discover all new tips, tricks, recipes, and crafts as well as articles filled with fascinating ideas and lore. Llewellyn's 2023 Sabbats Almanac shares brilliant new perspectives on each sabbat, complete with hands-on rituals and activities to help deepen your practice and sense of the sacred. Call on Krampus to release shadows during Yule. Invite new things into your life with a meaningful choice of wood for your Beltane fire. Honor death and decay deities through a compost ritual for Samhain. This almanac also provides crafts for each sabbat, including a decorated watering can for Ostara, a face of the forest mask for Lammas, and a gratitude box for Mabon. Featuring some of the best writers in the Witch and Pagan communities, this almanac is a treasury of magic.
