Which has been included in this book, leading people to credit repair and an easier life based on the author's own experiences. Follow the journey of a black male with ADHD, some substance abuse, bouts of depression and suicidal thoughts in his youth to eventually defeating THE BLACK IN THE BOX MENTALITY. Ranger Games Ben Blum, 2017-09-12 A gloriously good writer... *Ranger Games* is both surprising and moving... A memorable, novelistic account.—Jennifer Senior, *New York Times* Intricate, heartrending, and morally urgent, *Ranger Games* is a crime story like no other Alex Blum was a good kid, a popular high school hockey star from a tight-knit Colorado family. He had one goal in life: endure a brutally difficult selection program, become a U.S. Army Ranger, and fight terrorists for his country. He poured everything into achieving his dream. In the first hours of his final leave before deployment to Iraq, Alex was supposed to fly home to see his family and beloved girlfriend. Instead, he got into his car with two fellow soldiers and two strangers, drove to a local bank in Tacoma, and committed armed robbery... The question that haunted the entire Blum family was: Why? Why would he ruin his life in such a spectacularly foolish way? At first, Alex insisted he thought the robbery was just another exercise in the famously daunting Ranger program. His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult. In the midst of his own personal crisis, and in the hopes of helping both Alex and his splintering family cope, Ben Blum, Alex's first cousin, delved into these mysteries, growing closer to Alex in the process. As he probed further, Ben began to question not only Alex, but the influence of his superior, Luke Elliot Sommer, the man who planned the robbery. A charismatic combat veteran, Sommer's manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test.

Joe Hustle Richard Lange, 2024-06-25 From an award-winning author, Joe Hustle has never had much luck—but things start looking up when he meets an intriguing new woman and scores a rare windfall. Can he outrun disaster long enough to turn things around? Joe Hustle is a survivor. A Gulf War vet and ex-con always one stumble away from catastrophe, he manages to scrape together enough money from various jobs to eke out a precarious existence on the darker fringes of Los Angeles. When he meets Emily, the black-sheep daughter of a wealthy family, the two spark an instant connection—she seems like the best thing to happen to him in a while. But their whirlwind romance is put to the test when what starts out as a simple favor for a friend leaves Joe homeless, unemployed, and on the wrong side of a vengeful drug dealer. An impulsive offer to go on a road trip with Emily promises to take them out of harm's way—but may only lead to more chaos. Part hard-boiled love story, part thriller, part portrait of a tormented yet resilient soul, Joe Hustle ratchets up the tension as it rockets from the after-hours clubs and dive bars of the mean streets of L.A. to the mansions of the Hollywood Hills and, finally, to the desolate highways of the Southwest. What emerges is a gritty portrait of a man who may be down but can never be counted out.

My Life's Ride Rick Valente, 2025-06-05 Life is the ultimate workout. It tests your strength, pushes your limits, and

demands everything you've got. In *My Life's Ride*, Rick Valente—former Mr. Los Angeles and host of ESPN's *BodyShaping*—shares his story of turning challenges into fuel for growth and building a life rooted in strength, resilience, and positivity. In this memoir, Rick takes you through his rise in bodybuilding, his success as a fitness model, and his time shaping lives on TV. But this isn't just a highlight reel—it's a raw and honest account of the adversity that tested his mental and physical endurance, including the devastating losses of so many loved ones along the way. Through it all, Rick discovered that the most important muscle to strengthen is the mind. The principles of fitness—discipline, consistency, and the ability to push through the pain—apply just as much to life as they do to the gym. Whether you're chasing your next PR, navigating personal setbacks, or striving to build a stronger mindset, *My Life's Ride* will inspire you to stay focused, stay positive, and never stop moving forward. Rick's powerful story calls for its readers to embrace life's challenges, be grateful every day, and always be committed to being the best version of yourself. Are you ready to ride?
