About the Novel: Where the Red Fern Grows tells the heartwarming tale of a young boy and his two little hunting hounds. Billy wants two dogs to hunt raccoons along his family's property in the Ozarks. Not just any dogs, but redbone coon hounds. The problem is, his father can't afford dogs like that. Billy decides to take it on himself and save the money he needs. It takes two years, but Billy finally has enough for his dogs. When they arrive, Billy is overwhelmed and sets about training them. Soon, Billy and his dogs become proficient hunters—good enough to enter a county-wide championship. Throughout this time with his dogs, Billy learns many hardships. He faces guilt, grief and loss, as well as love and laughter. The story culminates into a final lesson of acceptance and moving on as he deals with the inevitable loss of his best friends.

Sadness Z.B. Hill, 2014-11-17 Learn from your sad feelings. We all feel sad sometimes. Maybe your best friend moved away. Maybe you failed to do as well as you had hoped at something. Maybe it's just one of those gray days when everything seems sad! Those sad feelings come from chemical reactions inside your brain. They may not feel very pleasant—but all your emotions, including sadness, are actually designed to help you. Find out what triggers sadness and why. Discover how you can cope with sadness—and what you can learn from it.

Only a Bridesmaid Haley Donnell,2024-05-14 A fake bridesmaid, a socially anxious bride, and an unexpected love—what could go wrong? It's the strangest job that actress Meli has ever been offered—posing as a bridesmaid for an apparently friendless woman at her upcoming Caribbean wedding. Then she meets the shy bride-to-be, Hannah, and feels an instant connection that makes her put her doubts aside. She's not only doing this because Hannah is gorgeous, even though she really is. Too bad she's straight. Hannah is ten steps beyond shy. Even connecting with her fiancé is difficult, despite how badly her religious parents want her to marry. But something about Meli makes her feel safe. A close encounter with Meli at the bachelorette party leaves Hannah shivery and warm, and wondering if she's making a mistake by getting married. To chase her real happily-ever-after, Hannah has to not only defy expectations she's conformed to all her life, but also risk her heart getting broken and find the words—and the courage—to be her true self.

The Neighborhood Paul H. Price,2021-10-22 Childhood is the very foundation of adulthood. The ideals and expressions of life we hold in our adulthood have their origins and rudiments in the ideals and expressions of life we encounter and gather and live out in our youth. Be they feelings of worth or worthlessness, the vigor and hope of making something of ourselves, or an acquiescence to the belief that things of consequence are beyond our reach, or the lens of optimism or of doubt with which we view our own existence, all have their budding and beginnings in the experiences, or lack of experiences, of our childhood. And growing up in the 1950s and 1960s was at a very unique convergence of circumstances of combined societal, economical, political, spiritual, and cultural seismic shifting perhaps unlike any other era. We were a nation barely emerging from decades of world-wide wars and economic ruin and social survival, trying now to find our footing and our own stride and our equilibrium and our very identity. Never were we more communally encased and even secure in, and at the same time struggling to break out of, our traditions, our superstitions, our ignorance, our fears, our limitations, and our collective innocence.

Kiss My Book Jamie Michaels,2007-09-11 RUBY CRANE IS a rising star. At 15, she sold her first book, got a movie deal, scored the hottest guy in school, and became the most popular student at Frasier High. Now, as a soon-to-be junior and published author, she's ready to make waves in New York's literary world. But every star falls back to earth one day. Ruby's accused of plagiarism - on national television. And the worst part is that the proof of her literary lies is indisputable. Her friends won't return her phone calls. Her boyfriend's gone AWOL. The media vultures are flying low, and they want answers. So Ruby does what any self-respecting headline would do. She disappears. And that's when her story really begins.

Service Before Self Don J. Fessenden,2023-01-24 Service before Self: The autobiography of Master Sergeant Don J. Fessenden (U.S. Air Force Retired) (Orphan, High School Dropout, College Scholar, Firefighter, Nurse, EMT, Lawyer, Educator, Patriot, Dreamer, Father, and Husband.) A patriotic life dedicated to service and defined by how he successfully overcame the challenges of childhood poverty, never having a father, being an orphan, and being labeled a high school

dropout, as well as living through extraordinary hazing while in the USAF Pararescue pipeline, and much more.

The Routledge Companion to Literature of the U.S. South Katharine A. Burnett, Todd Hagstette, Monica Carol Miller, 2022-07-11 The Routledge Companion to Literature of the U.S. South provides a collection of vibrant and multidisciplinary essays by scholars from a wide range of backgrounds working in the field of U.S. southern literary studies. With topics ranging from American studies, African American studies, transatlantic or global studies, multiethnic studies, immigration studies, and gender studies, this volume presents a multi-faceted conversation around a wide variety of subjects in U.S. southern literary studies. The Companion will offer a comprehensive overview of the southern literary studies field, including a chronological history from the U.S. colonial era to the present day and theoretical touchstones, while also introducing new methods of reconceiving region and the U.S. South as inherently interdisciplinary and multi-dimensional. The volume will therefore be an invaluable tool for instructors, scholars, students, and members of the general public who are interested in exploring the field further but will also suggest new methods of engaging with regional studies, American studies, American literary studies, and cultural studies.

Strategies for Teaching Writing Roger Caswell, 2004 Writing is the vehicle for communication. In addition to promoting the need for good communication skills, the teaching of the writing process provides opportunities for students to develop clear thinking skills. Writing is also a developmental process that each student can successfully experience at different levels when approached systematically. Based upon this premise, this Action Tool presents the five stages of writing: prewrite, write, revise, edit, and publish in a manner that allows writing to be taught as a process. *Strategies for Teaching Writing: An ASCD Action Tool* makes writing in the classroom manageable. The tools provide a step-by-step approach to teaching the writing process. The tools include complete how-to-use instructions, suggestions, classroom examples and cross-curricular activities. Using the tools, teachers can grant students time to write, to process their thoughts and develop a way to analyze their thinking using cognitive reasoning instead of impromptu thought. The Action Tool also provide teachers with assessment strategies to assess students participation and progress at each stage of the writing process.
