Viv Graham & Lee Duffy's Parallel Lives Stephen Richards, 2002 This text presents the lives of Viv Graham and Lee Duffy, two men who fiercely resented each other and were sworn enemies. Both ran parallel lives as pub and club enforcers raging their gangland turf wars with a fierce frenzy of brutality and unrelenting cruelty. Engaging each other in a vicious organized brawl would be the ultimate challenge. Warfare and combat would mean bloodshed and carnage - both men met brutal and violent deaths.

Introduction to Charles Bronson (prisoner) Gilad James, PhD, Charles Bronson, also known as Michael Gordon Peterson, is a British criminal who is notorious for his violent behavior both inside and outside of prison. Born in 1952 in Aberystwyth, Wales, Bronson had a difficult childhood, marred by poverty, bullying and abuse. He began his criminal activities at a young age and spent his early years in and out of prison for various offenses, such as robbery and assault. Bronson's notoriety increased in the 1970s and 80s, when his violent outbursts in prison grabbed headlines and gained him infamy. He spent long periods in solitary confinement due to his aggressive behavior, and even took hostages at times. Despite his violent tendencies, Bronson became something of a cult hero, admired by some for his rebelliousness and

unconventional ways. He also developed a reputation for being physically strong, even performing as a bare-knuckle boxer and writing books about his criminal exploits. He has been in prison for over four decades, making him one of the UK's longest-serving prisoners.

Prison Diaries Charles Bronson, 2012-02-09 Charles Bronson is Britain's most notorious prisoner, a 'Category A' inmate who has spent over 30 years inside as a result of his violent and unpredictable behaviour. No one knows the system better than Charlie. Now, for the very first time, you can find out what it is really like inside a maximum security institution as Charlie blows the lid on his life in HM Wakefield. Written in diary form by Charlie himself from behind locked doors, this unique book uncovers the real Charlie; his thoughts, frustrations and true feelings about the people who inhabit 'the concrete coffin' with him. This raw, unedited text, in his own hand, comes straight from the heart and also reveals another side to the man who has spent much of his time in solitary confinement in inhuman conditions. From writing poetry and creating works of art, to keeping fit and his secret passion for the X Factor and Coronation Street, there is much more to the man dubbed 'Britain's most violent prisoner' than his reputation suggests. Charlie says that he never plans his actions and only reacts violently when provoked and he has received more than his fair share of provocation over the years. This hard hitting book tells you how it is by the man who knows. Following on from his earlier works *Loonyology* and *Respect and Reputation*, and Bronson the film about his life, *Prison Diaries* continues the unbelievable Charles Bronson story. As Charlie says, 'After reading this book you will know what its like to be me'.

Silent Scream Charles Bronson, Stephen Richards, 2003 He's taken more hostages inside of prison than any UK prisoner. He holds awards for his art and writing. He's had more prison rooftop protests than anyone alive or dead. He's the UK's most feared yet most misunderstood prisoner. In Bronson's own words, find out what makes him tick and explode.

Loonyology Charles Bronson, 2011-11-09 Lifer Charlie Bronson's reputation precedes him - 'Britain's most violent prisoner' - or does it? Do we really know the true Charlie, or are our impressions the result of media hype? Well, what is in no doubt is that *Loonyology* is 200% Bronson and will transport the reader on the dizziest no-holds-barred roller-coaster ride of their lives, from suspense and shock to laughter and tears, and from Bronson the 'Solitary King' to Bronson the Philosopher, the Poet, the Artist, the Author, the Joker, the Walking Scar and the Freedom Fighter. Now 55 years old, and having spent most of his last 34 years as a maximum security 'Bronco Zoo' inmate, he's a much wiser man as he looks back on his crazy journey of unpredictable behaviour, his ever-alert mind darting from reminiscences of his teenage years to memories of fellow-cons, the screws, the cranks, letters and news reports, prison life and procedures, and the overall madness ('loonyology') of the legal and penal systems, peppering his stories with diary entries, true gems of information, sound advice and hilarious one-liners. Together with his many supporters and with the aid of a top lawyer, Charlie is campaigning for the parole board to finally allow him his freedom, but begging is not his style: he calls a spade a spade and is determined to win

with dignity, fighting with his pen and his brain to achieve his aim of a life outside 'the cage'. In his words: "I chose to be a villain. I'm not proud of it, nor am I ashamed of it. I have paid my debt to society and it's time to go home."

The Official Charles Bronson Quiz Book Chris Cowlin, 2011-09-27 Charles Bronson is undoubtedly the most notorious prisoner in Britain and is not only a household name but also as much of an institution as the multitude of Her Majesty's establishments whose doors he has graced over the last 37 years, most of that time spent in solitary confinement. A film about Charlie's life and several no-holds-barred autobiographies have allowed us many interesting insights into the real man behind the myths - the fitness fanatic, the poet, the artist, the philosopher and the comic, to name but a few of his myriad faces. So these 100 quiz questions should be more of short brain stretch than a life sentence. Charlie remains in solitary in Wakefield Prison, having had parole refused time and time again. He still dreams of that day of freedom and, together with his friends and well-wishers, will keep fighting for life outside 'the cage'. These quiz questions, however testing, will ensure that Charlie secures a place at the forefront of our minds and is never forgotten. Born to Fight - The True Story of Richy 'Crazy Horse' Horsley Richy Horsley, 2008-06-02 I took some good shots from him and then I opened up my arsenal and we traded toe to toe. I had a burning desire in me to win and started to get him on the back foot, when I put him down with my right hand. He got up and took the count and the ref waved us to continue. I went after him like a predator, and was all over him, lefts and rights smashing into his head. The crowd loved it...To the unsuspecting, Richy Horsley could just be an unassuming thirty-something character. Yet in reality, Crazy Horse, as he is better known, is part of the underbelly of the hardman scene. Boxer, street fighter and bouncer, there are few men tougher. So tough is he that he has even accepted a challenge from Britain's most dangerous prisoner, Charles Bronson, to be his first boxing opponent on Bronson's eventual release. Richy did not become one of the staunchest fighters in the land without his fair share of turmoil. Having lost his father at an early age, he channelled his anger through his fists as he became embroiled

in run-ins with the law. It was boxing that saw him turn his rage into something more positive and his anger was used on his opponents in the ring. A true warrior in heart and mind, Richy's name is one to be feared and respected. His story shows that even in the face of overwhelming odds, it is possible to become a real champion.

Great British Eccentrics S. D. Tucker, 2015-09-15 An entertaining guide to the most eccentric characters from British history

Bronson Charles Bronson, 2008-09-01 Charlie Bronson has spent 28 of the last 30 years in solitary confinement. He has been locked in dungeons, in iron boxes concreted into the middle of cells and, famously, in a cage. When he is unlocked, up to 12 prison officers - sometimes in riot gear and with dogs - are standing by. Yet this is a man of great warmth and humour who has never killed anyone and has often dealt with his gruelling life with humour - during a siege in 1993 he demanded an inflatable doll and a cup of tea. Now his story is being turned into a Hollywood film. Now in this amazing new edition of his best selling autobiography, Charlie reveals the truth about his extraordinary life behind bars.

The Krays and Me - Blood, Honour and Respect. Doing Porridge with The Krays Charles Bronson, 2007-04-30 Two names reigned supreme in London's underworld in the sixties - Ronnie and Reggie Kray; and it wasn't until 1969 that the twins went down at Brixton Prison for murder. I was only seventeen, on remand up in Risley, Warrington, for nicking a furniture lorry. Most of the lads in there had newspaper photos of the Krays stuck up on their cell walls. They were the cream of the criminal crop, and that's why I took such an interest in 'em. Once I was put away, it wasn't long before I got to meet them, and over the next 29 years I got closer to the Krays than any self-proclaimed henchman, any autograph hunter. As their trusted friend they let me in on it all - no holds barred behind bars! Since Ronnie and Reggie died, all I've heard is a load of bollocks! 'Reggie shot my cat; Ronnie stabbed my uncle Bert 75 times; Reggie ran over my hamster; I'm Ronnie's son, I'm Reggie's daughter.' Gutless maggots spreading rumours with their sham stories for sale. The shameless rats. Well now the twins are gone and I can talk. And let me tell you, I've got a lot to say and all the time in the world to say it. No bollocks. No silly stories. Just the facts about the time I spent doing porridge with the Krays.

Tom Hardy - Rise of a Legend James Haydock, 2015-09-03 THERE IS A MAN BLAZING A TRAIL ACROSS THE SILVER SCREEN, DELIVERING PERFORMANCES OF SUCH ELECTRIC INTENSITY THAT HE HAS UNITED CRITICS AND CASUAL MOVIEGOERS ALIKE. THAT MAN IS TOM HARDY. Starring roles as Britain's most dangerous prisoner in Bronson, both Kray twins in Legend and the villainous brute Bane in The Dark Knight Rises have showcased his raw talent, edginess and ability to utterly inhabit his characters. He has also cemented his status as that rare thing: the man that women want and men want to be. His appeal is endless. But things weren't always so promising. Cloistered in a life of suburban predictability, a teenage Tom began getting his thrills from drugs and petty crime. He made his first mark in the award-winning series Band of Brothers but, in 2003, Tom collapsed on the streets of Soho, brought low by drug abuse. Yet, with the single-minded

commitment that has come to characterise his acting performances, Tom banished his demons once and for all. Now, with the title role in the long-awaited *Mad Max: Fury Road* under his belt, and Hollywood at his feet, there is just no stopping this magnetic figure. This affectionate and in-depth biography reveals all the faces of Tom Hardy: the wayward boy he was, the driven professional he now is and the all-time legend he is sure to become.

Bouncers and Bodyguards Robin Barratt, 2011-03-18 *Bouncers and Bodyguards* is a collection of astonishing true stories about the tough world of personal protection and nightclub doors from some of Britain's most notorious figures. Read how Charlie Bronson helped his friends out on the doors of his local in the early '70s before being banged up for well over 30 years; how Dave Courtney misses the violent world of the doors; how ex-football hooligan Mickey Francis ran most of Manchester's doors back in the '80s; and how an ex-Foreign Legion bodyguard spent over a week cooped up in a bleak warehouse guarding Iraqi votes in central Baghdad. By turns funny, sad and shocking, these candid accounts were written exclusively for this publication by individuals who have spent much of their working lives in what is a volatile, violent and frequently unpredictable industry. Compiled by former bodyguard, ex-mercenary and well-known nightclub bouncer Robin Barratt, *Bouncers and Bodyguards* is an exposé of an infamous twilight world about which rumours have often circulated but the truth has never really been uncovered - until now.

Bronson 2 - More Porridge Than Goldilocks Charles Bronson, 2009-12-14 Charles Bronson is the most feared and most notorious convict in the prison system. Renowned for his serial hostage-taking and his rooftop sieges, he is a legend in his own lifetime. The recent film of his life was a critically acclaimed, box-office hit. Yet he is a man of great warmth and humour; a man of huge artistic talent who exhibits his drawings around the country; a man with an overpowering urge not to let the system get him down. *More Porridge Than Goldilocks* is a crazy look into the mind of a true individual.
