*Dance To My Ministry* Carl Petter Opsahl, 2016-10-10 Hip-hop is a deeply spiritual culture, a culture that since its beginnings has provided urban youth all over the world with a sense of place, being and direction, with knowledge of self and knowledge of cultural heritage. By examining a number of rap tunes and graffiti walls, Carl Petter Opsahl explores different spiritualities and religious traditions informing hip-hop culture, including, Christianity, Nation of Islam, Nation of Gods and Earths and indigenous spiritualities. By developing a theoretical framework of hybrid spirituality, Opsahl outlines spiritual strategies of survival and resistance in contexts of oppression and struggle. He provides basic introductions to recent research on spirituality, to hip-hop culture and its esthetic practices and to Islam in the USA and the teachings of Nation of Islam and Nation of Gods and Earths. Then follow in-depth analyses of hip-hop cultural expressions. One chapter is devoted to the study of graffiti murals, exploring artworks by some of New York's finest writers such as TATS CRU, TRACY 168, TOO FLY and QUEEN ANDREA. Then follows a chapter on rap and Christianity, featuring explorations of Lauryn Hill, 2Pac and a number of Christian rappers including G.R.I.T.S. Another chapter explores Islamic influences on rap, with studies on Public Enemy, Wu-Tang Clan, Erykah Badu and Mos Def. Embedded in rhythms, rhymes, colors and shapes, the exploration of hip hop spirituality expands the horizon of studies in spirituality.

**Can't Get Enough** Kennedy Ryan, 2025-05-13 Can't Get Enough balances brutal emotion, whip-smart humor, and delicious spice. Moving, romantic, and thrumming with life, this is Ryan's best work yet. —Talia Hibbert Hendrix Barry lives a fabulous life. She has phenomenal friends, a loving family, and a thriving business that places her in the entertainment industry's rarefied air. Your vision board? She's probably living it. She's a woman with goals, dreams, ambitions—always striving upward. And in the midst of everything, she's facing her toughest challenge yet: caring for an aging parent. Who has time for romance? From her experience, there's a low ROI on relationships. Anyway, she hasn't met the man who can keep up with her. Until...him. Tech mogul Maverick Bell is a dilemma wrapped in an exquisitely tailored suit and knee-melting charm. From their first charged glance at the summer's hottest party, Hendrix feels like she's met her match. Only he can't be. Mav may be the first to make her feel this seen and desired, but he's the last one she can have. Forbidden fruit is the juiciest, and this man is off limits if she plans to stay the course she's set for herself. But when Maverick gives chase—pursuing her, spoiling her, understanding her—is it time to let herself have something more? “Kennedy Ryan pours her whole soul into

everything she writes, and it makes for books that are heart-searing, sensual, and life affirming.” —Emily Henry “One of the finest romance writers of our age.” –Entertainment Weekly

**Didn't We Almost Have It All** Gerrick Kennedy, 2022-02-01 Didn't We Almost Have It All is a candid exploration of the genius, shame, and celebrity of Whitney Houston. Named a BEST BOOK OF THE YEAR . . . SO FAR by The New Yorker Named a BEST BOOK OF THE MONTH by the Washington Post On February 11, 2012, Whitney Houston was found submerged in the bathtub of her suite at the Beverly Hilton Hotel. Since then, the world has mourned her death amid new revelations about her relationship to her Blackness, her sexuality, and her addictions. Didn't We Almost Have It All is award-winning journalist Gerrick Kennedy's exploration of the duality of Whitney's life as both a woman in the spotlight and someone who often had to hide who she was. This is the story of Whitney's life—her whole life—told with both grace and honesty. Long before that fateful day in 2012, Whitney split the world wide open with her voice. Hers was a once-in-a-generation talent forged in Newark, New Jersey, and blessed with the grace of the church and the wisdom of a long lineage of famous gospel singers. She redefined “The Star-Spangled Banner.” She became a box-office powerhouse, a queen of the pop charts, and an international superstar. But all the while, she was forced to rein in who she was amid constant accusations that her music wasn't Black enough, original enough, honest enough. Kennedy deftly peels back the layers of Whitney's complex story to get to the truth at the core of what drove her, what inspired her, and what haunted her. He pulls the narrative apart into the key elements that informed her life—growing up in the famed Drinkard family; the two romantic relationships that shaped the entirety of her adult life: Robyn Crawford and Bobby Brown; her fraught relationship to her own Blackness and the ways in which she was judged by the Black community; her drug and alcohol addiction; and, finally, the shame that she carried in her heart, which informed every facet of her life. Drawing on hundreds of sources, Kennedy takes readers back to a world in which someone like Whitney simply could not be, and explains in excruciating detail the ways in which her fame did not and could not protect her. In the time since her passing, the world and the way we view celebrity have changed dramatically. A sweeping look at Whitney's life, Didn't We Almost Have It All contextualizes her struggles against the backdrop of tabloid culture, audience consumption, mental health stigmas, and racial divisions in America. It explores exactly how and why we lost a beloved icon far too soon.

**Black Women's Stories of Everyday Racism** Simone Drake, James Phelan, Robyn Warhol, Lisa Zunshine, 2024-04-09 Black Women's Stories of Everyday Racism puts literary narrative theory to work on an urgent real-world problem. The book calls attention to African American women's everyday experiences with systemic racism and demonstrates how four types of narrative theory can help generate strategies to explain and dismantle that racism. This volume presents fifteen stories told by eight midwestern African American women about their own experiences with casual and structural racism, followed by four detailed narratological analyses of the stories, each representing a different approach to narrative interpretation. The

book makes a case for the need to hear the personal stories of these women and others like them as part of a larger effort to counter the systemic racism that prevails in the United States today. Readers will find that the women's stories offer powerful evidence that African Americans experience racism as an inescapable part of their day-to-day lives—and sometimes as a force that radically changes their lives. The stories provide experience-based demonstrations of how pervasive systemic racism is and how it perpetuates power differentials that are baked into institutions such as schools, law enforcement, the health care system, and business. Containing countless signs of the stress and trauma that accompany and follow from experiences of racism, the stories reveal evidence of the women's resilience as well as their unending need for it, as they continue to feel the negative effects of experiences that occurred many years ago. The four interpretive chapters note the complex skill involved in the women's storytelling. The analyses also point to the overall value of telling these stories: how they are sometimes cathartic for the tellers; how they highlight the importance of listening—and the likelihood of misunderstanding—and how, if they and other stories like them were heard more often, they would be a force to counteract the structural racism they so graphically expose.
