

The Lost Temple Of The Gods

Francis William Bourdillon

The Lost Temple Tom Harper, 2008-10-28 In this historical thriller, a disgraced British soldier and a beautiful archaeologist search for a legendary artifact that could threaten the world. Greece, 1947. Europe is just beginning to heal after World War II, but the fighting in Greece continues as a civil war is waged. Sam Grant, a disgraced ex-Special Operations Executive soldier and an adventurer by trade, is lured back to the Mediterranean by a secret from his past: Six years ago, a dying archaeologist entrusted him with his life's work—a leather notebook filled with mysterious notes written in ancient Greek. Deciphered, it could lead to one of the greatest prizes in history. Which is why both the CIA and the British Secret Intelligence Service are looking for it as well . . . Grant sets out to discover the truth about what the archaeologist lost his life for—and to protect his own. Aided by a brilliant Greek professor with her own secrets to hide, Grant is plunged into a labyrinth of ancient cults, forgotten mysteries, and lost civilizations. But time is running out . . . while a dangerous prophecy is drawing near.

Tensions run high as Alyssa questions the loyalties of those around her. After all, who can you trust when betrayal lurks in the shadows?

God's Gold Sean Kingsley, 2023-12-15 In 70 AD, the Roman emperor Vespasian and his son Titus plundered the great Temple of Jerusalem, claiming for themselves a priceless hoard. The golden candelabrum, silver trumpets, the bejeweled Table of the Divine Presence—the central icons of the Jewish faith—were cast adrift in Mediterranean lands and exposed to centuries of turbulent history and the rule of four different civilizations. Only an intriguing trail of clues remains to betray the treasure's ever-changing destiny—a trail eminent archaeologist Dr. Sean Kingsley has followed on one of the most remarkable quests of this or any other age: the search for the final resting place of God's gold.

The Lost World of the Israelite Conquest John H. Walton, J. Harvey Walton, 2017-08-15 Perhaps no biblical episode is

more troubling than the conquest of Canaan. But do the so-called holy war texts of the Old Testament portray a divinely inspired genocide? John Walton and J. Harvey Walton take us on an archaeological dig, reframing our questions and excavating the layers of translation and interpretation that cloud our perception of these difficult texts.

The City of the Lost, and Other Short Allegorical Sermons. By W. A. G. ... and B. H. Pearse ... Fourth Edition, Revised and Enlarged Walter Augustus GRAY,1876

The Lost Message of the End Times Ian Miller,2021-08-05 The second coming is perhaps the most confusing, controversial, and contentious of biblical doctrines. In *The Lost Message of the End Times*, Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus's return. As he does so, he brings their powerful, hope-filled, faith-inspiring, and life-changing message to life. With clear and easily understood explanations, this book will show you how the Scriptures reveal a world of promise, not fear; a kingdom present, not to come; and the powerful bride as she is, not one that needs to be raptured away.

Finding the Lost Images of God Timothy S. Laniak,2012-03-06 Images are frequently used in the Bible to describe God and his relationship with his chosen people. Without an accurate understanding of the images, we cannot comprehend the profound biblical revelations they communicate. Understanding these cultural vehicles of communication comes by learning the cultural background of those who created them. Timothy S. Laniak illuminates this background for readers "from the ground up" with his archaeological and anthropological explanations of the contexts the authors lived in. Suitable for students, pastors, and lay leaders, the Zondervan ebook *Images of God and His People* links these cultural characteristics with the images of God with corresponding images of his people found in the Old and New Testaments. This complementary approach reveals a rich relationship between God and the people he loves and calls into his service.

The Lost Sermons of C. H. Spurgeon Volume II Charles Haddon Spurgeon,2017-10-01 *The Lost Sermons of C.H. Spurgeon* is the first critical edition of any of Spurgeon's works, shedding light on Spurgeon's early sermons which have never been published.

The Lost Data on the Chariots of the Elohim Martha Helene Jones,2008-12-31 Hebrew data on the Elohim in the Bible, the Zarathustrian Magi who followed the star as it moved across the sky, Zarathustra in the Rig Veda, murders (including Joshu/Jesus) committed by the Levite animal sacrifice cult of scribes who transcribed the Old Testament, lost continents and the Great flood; the Shemsu Hor and the winged disk of the Egyptians; the sons of the Elohim who took wives from the daughters of the Adam; mention of the little people in the bible; and the Rh negative bloodline, lacking in the earthling primate rhesus gene. and much more research.

The Lost Thread of God's Love Phyllis Gruesbeck, If you've ever wondered what day God wants us to worship on, or if He even really cares, by the time you finish this book, there will be no doubt in your mind that the seventh-day Sabbath is the

Sabbath of the Lord. The author traces the Sabbath's history from creation through the last days of this earth's history and into heaven and the new earth. Jesus said, "If you love me, obey my commandments" (John 14:15, NLT). This book details this comment and shows that keeping the Sabbath is one way to show our love to God. When we love someone, we take pleasure in doing things they ask us to or know they like. So it is with God. When we love him, it is a pleasure to obey His commandments. Obedience is never a burden when love is the motive. Another facet of this book is giving Bible proof that the God we serve is a three-in-one God—three Persons, one God. God the Father, Jesus Christ, and the Holy Spirit. Each with His own role to fulfill, yet one in purpose and one in ways humans can't begin to grasp.

The Lost Message of Paul Steve Chalke, 2019-06-20 We have misunderstood Paul, badly. We have read his words through our own set of assumptions. We need to begin with Paul's world view, to see things the way he saw them. - What if 'original sin' was never part of Paul's thinking? - What if the idea that we are saved by faith in Christ, as Luther argued, was based on a mistranslation of Paul's words and a misunderstanding of Paul's thinking? 'Over the centuries,' writes Steve Chalke, 'the Church has repeatedly failed to communicate, or even understand, the core of Paul's message. Although Paul has often been presented as the champion of exclusion, he was the very opposite. He was the great includer.' Steve Chalke MBE is a Baptist minister, founder and leader of the Oasis Charitable Trust, and author of more than 50 books.

The Lost Revelation Ira Messenger, 2007-12 Providing us with the only known revelation of the Gospel according to substitution—a new and exciting interpretation of biblical truth—Ira Messenger is probably the most controversial theologian of our day. Author of the books *The Wrong Turn*, *The Fourth Dimension*, and *The Indictment*, Messenger is also a radio and television talk show host. *The Lost Revelation* offers answers to questions that his listening audience has submitted. What makes Messenger so controversial is his attack on the mantra of present-day Christianity. Messenger brings a different perspective to biblical interpretation, one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions. Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective. You may find yourself questioning much of what you believed to be true about Christianity.

New Explorations in the Lost World of Genesis John H. Walton, 2025-04-15 Updating and expanding upon his previous work on origins, this riveting volume from John H. Walton marks the eighth entry in his bestselling *Lost World Series*, which has sold more than 125,000 copies. For over a decade, John Walton's books *The Lost World of Genesis One* and *The Lost World of Adam and Eve* have shaped readers' understanding of the ancient Near Eastern world and its implications for modern scientific origins debates. But more than simply engaging the creation/evolution debate, these works explored questions related to interpretation of Genesis through ancient eyes, the theological purpose of a seven-day creation account, the historicity of Adam and Eve, and the history of interpretation of the creative narratives. In *New Explorations in the Lost World of Genesis*, Walton provides comprehensive and timely updates on the latest developments and research, including: a

summary of positions addressed in his previous books on origins new insights, clarifications, and illustrations based on current scholarship answers to frequently asked questions Engaging the latest scholarship as well as questions that his proponents and critics alike have raised, New Explorations in the Lost World of Genesis provides a relevant update that will benefit students, professors, and pastors as they continue to explore questions of origins and their implications for the Christian life.

The Lost Art of Practicing His Presence James W. Goll,2006-01-28 The presence of God is meant to be more than just an occasional event during Sunday morning Worship---you are meant to live in God's presence! In The Lost Art of Practicing His Presence, James W. Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him. Through this book you will rediscover the lost precepts of Biblical meditation, contemplative prayer, and waiting on the Lord and learn how to apply them in your own life. Most importantly, you will gain inspiration for your own intimate walk and the courage to spread the fire His presence to everyone around you! The Lost Art of Practicing His Presence also includes a modern-language translation of The Practice of the Presence of God by Brother Lawrence. An inspiration to James Goll, this 15th-century believer has inspired generations of Christians with his simple life and profound writings on the nature and presence of the Lord.

The Lost World of the Torah John H. Walton,J. Harvey Walton,2019-02-26 To modern eyes, what we call the biblical law, or Torah, seems either odd beyond comprehension (not eating lobster) or positively reprehensible (executing children). Using a consistent methodology to look at the Torah through the lens of the ancient Near East, Walton and Walton offer a restorative understanding that will have dramatic effects in interpreting the text and in discerning the significance of the Torah for today.

misunderstood teaching of Jesus

The Lost Realms (Book IV) Zecharia Sitchin, 1990-09-01 The Earth Chronicles series is based on the premise that mythology is not fanciful but the repository of ancient memories; that the Bible ought to be read literally as a historic/scientific document; and that ancient civilizations--older and greater than assumed--were the product of knowledge brought to Earth by the Anunnaki, Those Who from Heaven to Earth Came. The 12th Planet, the first book of the series, presents ancient evidence for the existence of an additional planet in the Solar System: the home planet of the Anunnaki. In confirmation of this evidence, recent data from unmanned spacecraft has led astronomers to actively search for what is being called Planet X. The subsequent volume, The Stairway to Heaven, traces man's unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids, which had served as landing beacons for it--refuting the notion that these pyramids were built by human pharaohs. Recently, records by an eye witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book's conclusions. The Wars of Gods and Men, recounting events closer to our times, concludes that the Sinai spaceport was destroyed 4,000 years ago with nuclear weapons. Photographs of Earth from space clearly show evidence of such an explosion. Such gratifying corroboration of audacious conclusions has been even swifter for The Lost Realms. In the relatively short interval between the completion of the manuscript and its publication, archaeologists, linguists, and other scientists have offered a coastal theory in lieu of the frozen trekking one to account for man's arrival in the Americas--in ships, as this volume has concluded. These experts have suddenly discovered 2,000 years of missing civilization in the words of a Yale University scholar--confirming this book's conclusion--and are now linking the beginnings of such civilizations to those of the Old World, as Sumerian texts and biblical verses. For the first time, the entire Earth Chronicles series is now available in a hardcover collector's edition.
