Francesca Flores

The Witch and the Vampire Francesca Flores,2023-03-21 Francesca Flores's The Witch and the Vampire is a queer Rapunzel retelling where a witch and a vampire who trust no one but themselves must journey together through a cursed forest with danger at every turn. Ava and Kaye used to be best friends. Until one night two years ago, vampires broke through the magical barrier protecting their town, and in the ensuing attack, Kaye's mother was killed, and Ava was turned into a vampire. Since then, Ava has been trapped in her house. Her mother Eugenia needs her: Ava still has her witch powers, and Eugenia must take them in order to hide that she's a vampire as well. Desperate to escape her confinement and stop her mother's plans to destroy the town, Ava must break out, flee to the forest, and seek help from the vampires who live there. When there is another attack, she sees her opportunity and escapes. Kaye, now at the end of her training as a Flame witch, is ready to fulfill her duty of killing any vampires that threaten the town, including Ava. On the night that Ava escapes, Kaye follows her and convinces her to travel together into the forest, while secretly planning to turn her in. Ava agrees, hoping to rekindle their old friendship, and the romantic feelings she'd started to have for Kaye before that terrible night. But with monstrous trees that devour humans whole, vampires who attack from above, and Ava's stepfather tracking her, the woods are full of danger. As they travel deeper into the forest, Kaye questions everything she thought she knew. The two are each other's greatest threat—and also their only hope, if they want to make it through the forest unscathed.

Forbidden Legacy Karen Kelley, 2017-06-02 A stubborn witch is forced to team up with an obstinate vampire in their

quest to find the stolen Book of Spells that could destroy the witches. When Logan's grandfather is brutally murdered by a rogue vampire he must find the killer before the stolen Book of Spells leads him to the Blood Stone, which would destroy the witches, but after a week of searching, he has uncovered no clues and the council of witches and vampires bring in a tracker. Even as he argues he can find the killer on his own, his witch blood is stirred by the beautiful vampire. That alone was reason enough not to work with her. Too much of a distraction. Makala isn't just any vampire tracker. Before she was turned, she had the gift of second sight. After she was made vampire, her gift became stronger. It still doesn't mean she wants to work with a stubborn witch. Especially one she's attracted to. She prefers to work alone, but his witch spells and ability to read the witch signs might come in handy. When she discovers the identity of the rogue vampire, she realizes they have a shared enemy in the murderer. Makala knows it won't be easy stopping him, and could very well cost them their lives. *Forbidden Legacy* is the second book in the *Forbidden* series. If you enjoy fast-paced, exciting adventure, witches and vampires, and a steamy love story, then pick up your copy of the latest in this paranormal series.

The Witch's Vampire R. Gibbs, 2017-12-14 (From my collection of very sweet lesbian love stories but with enough action, romance, and adventure for everyone.) The Sequel we have all been waiting for! Re-join Tammy and Lauren as their journey continues. Watch them grow as they discover love, sacrifice, power, and the constant struggle between good and evil. Janie and I have been friends for about three years, but now we have become best friends after having all the same classes throughout our senior year. I still find it refreshing to have a human friend. It's kind of hard to explain. All I know is that her oblivious zest for life fascinates me. However, all she actually knows about me is that I live with Lauren and her father in this creepy old house and that Lauren is a professor. She also knows I travel back home once a month, but I don't know if she put it together with the full moon or not. I never said, and she never asked. Because of the whole teacher-student thing, Lauren and I do not show affection in front of others so I don't even know if she knows I'm gay or not. She hasn't asked me, and I haven't asked her. We are simply friends, and we accept each other exactly as we are so it really isn't important. You see, I could never tell her that Rose and Sophia are vampires, let alone the Vampire Council. Not only are there vampires in the world but an entire society of them, and let's not forget about Heather. She is the High Priestess of the Witches Coven of the East - the most powerful Coven there is. Oh, as for me and Lauren, we just happen to be both which is a whole other long story that I'm sure I could never ever tell her either.
