Akos Banfalvi, Timothy Remus

I'm Tattoo Model Aldis, 2016

World's Best Tattoo Models Ákos Bánfalvi, 2015-10-01 Beauty comes in many forms, and at least three of those are represented here. First, there are the beautiful women - some of the most beautiful women in the world. Next, there's the beauty of an art form - the art of the tattoo. The tattoos seen here represent some of the best tattoo art done to date. Finally, there's the beauty of another art form entirely - the beautiful photography.

The Colorful World of Tattoo Models Akos Banfalvi, Timothy Remus, 2012-09-15 The Colorful World of Tattoo Models is an intimate and, yes, colorful look at some of the world's best tattoo models. Representing the US, the UK and various European countries, each model wears tattoos that range from the traditional to the avant-garde. Over 25 models fill this book, each with her own chapter. The book uses extensive interviews with each of the models to flesh out who they really are. Questions include the type of modeling they prefer, how they become a model, when they first become intrigued by tattoos, and the stories behind some of their favorite tattoos. But as good as the interviews are, it's the photos that carry this book. In each case the lighting is superb, the poses unusual and unusually intriguing. Sexy, sometimes subtle and often erotic, these photos are exceptional. Each chapter provides up to 30 images of each model. Photos taken outside under natural light, and photos created inside with carefully positioned studio lights. The photographers, and there are a number of talented men and women who've contributed to this book, have captured the models at their most alluring, and in some cases, most open and vulnerable. Presented in a large, 10X10 format and printed on heavy, high quality paper, this book is one that you can pick up and open to any page. Each presents the world's most beautiful models in a format that invites examination. Page through it quickly the first time, then come back again and again to read and wonder at the words and images that spill off the page.

Ink 'N Girls Ákos Bánfalvi, 2014 This alluring, enlightening assemblage of tattoo art demystifies the personalities of today's top tattoo models and offers a fresh take on the modern pin-up. The impressive body art shown here is just the beginning of a fascinating look into the minds and hearts of gorgeous, intelligent, and confident women hailing from around the world. In candid interviews these inked beauties open up to the author about their upbringings, first tattoos, favorite and most challenging modeling experiences, and more. Enjoy a colorful variety of photos that include hypnotic portraits,

provocative poses, and interesting themes, creatively and tastefully showcasing mesmerizing body art. Also read about how each model was discovered, who their most trusted tattoo artists are, and how they launched their careers. This includes work by professional photographers with experience shooting for Skin & Ink, Playboy, and other publications.
