

No One Rides For Free Book

Jicheng Xie

No One Rides for Free Larry Beinhart, 2012-06-12 While chasing a white-collar snitch, a New York PI finds himself embroiled in a murderous conspiracy reaching deep into the federal government in this Edgar Award-winning mystery. In his short time as partner at a prestigious Wall Street law firm, Edgar Wood manages to steal \$8 million. To avoid the hell of three years in prison, Wood turns witness for the Securities and Exchange Commission, whose mysterious investigation rankles the top brass at Wood's old firm. Desperate to learn what Wood's telling the feds, the remaining partners hire Tony Cassella, a private investigator whose past includes a year or so at Yale University's law school, a stint as a corrections officer, and a cocaine addiction. Though he's recently gotten his life back on track, Cassella is drawn to trouble, and can imagine no greater thrill than tangling with the SEC. When Wood—under witness protection—is killed in a mugging, Cassella smells conspiracy. His hunt for the real crooks will leave no one safe, no matter how blue their blood. This ebook features an illustrated biography of Larry Beinhart including rare images from the author's personal collection.

Grass, Ass or Cash...No One Rides for Free! Euftis Emery, 2025-08-09 Set in the gritty, late-night underworld of Howard University's computer labs in the 1980s, *Grass, Ass or Cash... No One Rides for Free!* follows Euftis, a hustler-minded technical assistant who blends his coding skills with streetwise negotiation. For students struggling with their programming assignments, he offers three forms of payment—money, favors, or intimate arrangements—living by his unapologetic motto that “no one rides for free.” When Claudia, a beautiful but technically challenged accounting major, seeks his help, their transaction quickly turns into a seductive battle of wills. Through flirtation, banter, and sexual gamesmanship, Euftis maneuvers the situation toward his advantage, while Claudia tests his patience, stamina, and skill. Alongside a colorful cast of friends and fellow “partners in crime,” the story unfolds as a raw, explicit, and darkly comedic memoir of hustle, sex, and survival in a world where intellect meets instinct. Blurring the line between confession and erotic performance, Euftis delivers an unfiltered portrait of an era, a mindset, and the intimate economies running just beneath the surface of campus life.

No One Rides For Free Judith Sonnet, 2022-09-08 Jodi was driving her children to college when The Man got in their car. Uninvited, unwanted, and unhinged... The Man has no name, but he does have a gun... a knife... and a bag of toys. What starts as a forced ride into the desert escalates into a disturbing series of crimes and assaults. Jodi and her children will soon

pray for death. WARNING: This novella is incredibly disturbing. It features graphic scenes of sexual violence, torture, and gore. It is not intended for easily offended readers. The print edition of this book includes an exclusive short story, which is not available on ebook. It is also gross and disturbing.

Rogue Force (A Troy Stark Thriller—Book #1) Jack Mars, 2022-05-11 “Thriller writing at its best. Thriller enthusiasts who relish the precise execution of an international thriller, but who seek the psychological depth and believability of a protagonist who simultaneously fields professional and personal life challenges, will find this a gripping story that's hard to put down.” --Midwest Book Review, Diane Donovan (regarding Any Means Necessary) “One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) From #1 bestselling and USA Today bestselling author Jack Mars, author of the critically-acclaimed Luke Stone and Agent Zero series (with over 5,000 five-star reviews), comes an explosive new, action-packed thriller series that takes readers on a wild-ride across Europe, America, and the world. When elite Navy Seal Troy Stark is forced into retirement for his dubious respect for authority, he dreads the quiet life awaiting him with his brothers and buddies in Yonkers, New York. But the quiet doesn't last long: the NYPD needs Troy's military expertise to help find and stop a major terrorist threat to New York City. To pre-empt the attack, they need him to fly to Europe and stop it at its source—using any means necessary. Troy finds himself partnered with an Interpol agent who is as different from him as can be, and their instant dislike is mutual. But they have an attack to stop, and only a few days to do it, and together they'll need each other as they criss-cross Europe in a high-octane cat-and-mouse chase to shut these terrorists down. But what starts off as a straightforward mission (and an opportunity to clear his name) soon catapults Troy headfirst into a global conspiracy. These criminals are more sophisticated than they appear, and even with Troy's unparalleled military skills, he and his team find themselves constantly one stop behind. With the fate of New York City on the line, the stakes couldn't be higher. Where will they strike? And when? And can Troy stop it before it's too late? An unputdownable action thriller with heart-pounding suspense and unforeseen twists, ROGUE FORCE is the debut novel in an exhilarating new series by a #1 bestselling author that will have you fall in love with a brand new action hero—and turn pages late into the night. Books #2-#5 in the series are now also available.

The Crime of Our Time Danny Schechter, 2010-11 Schechter goes right for the jugular in this rich and informative analysis of the financial crisis and its roots. Not errors, accident, market uncertainties, and so on, but crime; major and serious crime. A harsh judgment, but it's not easy to dismiss the case that he constructs. - Noam Chomsky Veteran journalist Danny Schechter investigates a complex web of fraud and crime that he shows played a major - if largely unreported - role in bringing the economy down. His four-year investigation focuses on three interconnected cesspools of corruption; what the

FBI calls an epidemic of mortgage fraud, predatory and deceptive securitization by Wall Street, and insurance scams.

No one rides for free Larry Beinhart, 2017-01-26

Wag the Dog Larry Beinhart, 2009-04-29 Once upon a time there was a mean, dying GOP chairman who had a brilliant scheme to assure that his man would retain the office of president of the United States of America. And the only man who could pull off this elaborate plan was a celebrated Hollywood director. Add to the mix a left-coast gumshoe named Broz who is trapped among cover-ups, undercover work, and his own morality, a cast of bicoastal desperate characters, and the stage is set for a powerful D.C./L.A. production. From Edgar award winning author Larry Beinhart, *Wag the Dog* was the most brilliant political satire of the last decade. It was made into a classic film by Barry Levinson, and, fortunately, is now back in print.

The Librarian Larry Beinhart, 2004-08-26 How on earth did nebbish university librarian David Goldberg end up on Virginia's Ten Most Wanted Criminals list for bestiality? And how did he get ensnared in a vast right-wing conspiracy to steal the presidency? It all begins so innocently when Goldberg starts moonlighting for eccentric, conservative billionaire Alan Carston Stowe as an archivist. But Goldberg's appointment worries a cabal of ruthless right-wingers -- ostensibly allies of Stowe, whose money lubricates their zany scary conspiracies -- with very close ties to the White House. They fear that Goldberg will find something in Stowe's records that will compromise the dirty tricks involved in re-electing Augustus Winthrop Scott, the dim scion of a powerful Republican political family, for a second term. As the presidential election heads into its final stretch, the hunt is on to remove Goldberg from his position -- by any means necessary. The acclaimed, Edgar-winning mystery writer Larry Beinhart returns with this timely novel. In the tradition of Carl Hiassen, Elmore Leonard, and Joe Klein, *The Librarian* is a frenetic, scary and hilarious thriller that goes deep into the dark heart of election year politics.

Ski, 1993-03

You Get What You Pay For Larry Beinhart, 2012-06-12 Tony unearths a corruption scandal linking the mafia to the inner circle of the president himself. In New York, some tenants will do anything to land a rent-controlled apartment. Tony Cassella is investigating one such tenant—a man who's defrauding his building owner. The case is interesting, but something even better is about to drop in the private investigator's lap. Cassella has just landed a real estate case that could bring down the right hand man of the president of the United States. Rumors are swirling that the freshly appointed US attorney general used mob muscle to evict tenants from apartments he owns in the Bronx. After one of the attorney general's alleged mafia contacts dies in an ugly gangland hit, Cassella finally has the thread tying the South Bronx real estate scam to Washington. But his search for the truth will land him squarely in the mob's cross hairs—a deadly reminder of the evil some men will do to squeeze money from choice property. This ebook features an illustrated biography of Larry Beinhart including rare images from the author's personal collection.

Grass or Gas M'Lynn Alston Childers, 2017-03-25 An idealistic young woman is seduced by the promise of a creative and spiritual renaissance which the 60's and 70's rebels touted to be their goal. She moved from a stable midwestern community where morality was enforced by the impact of families being known to each other for generations. She arrived in a dizzying metropolis of strangers unknown even to themselves. She spent thirty years testing, rejecting and coming to terms with her own beliefs. She was well past her 50's when she first read Betty Friedan's, *FEMININE MYSTIQUE* but in her youth she felt the dissatisfaction with the lack of opportunity for creativity and growth midwestern women suffered. When she finally read the book, she was surprised to learn Ms. Friedan had not meant to start a political movement, but was making a case for growth movement.

Thumb Flagger Jerome Peterson, 2010-02 Young, kindhearted Jay Patterson meets confident, free-spirited Willy Jacobs. Their unforgettable cross-country journeys by hitchhiking and riding the rails lead them to extraordinary situations beyond their imaginations. The vagabonds meet with unexpected encounters and come face-to-face with themselves and the harsh realities of the open highway.

And Night Descends (The Third Book of the Small Gods) Bruce Blake, When days of peace approach their end... Without knowing the consequences, the royal siblings unwittingly put into motion an ancient plot destined to bring the return of the banished Small Gods. When Danya spoke the words on the long-forgotten scroll, the countdown began. And wounds inflicted are too deep to mend... A mysterious healer brought Teryk back from the brink of death, but at what cost? Could he still be the firstborn of the rightful king meant to prevent the fall of man? A Barren Mother... Rescued from a place she never imagined herself in, she still struggles to find her way without sight, without help. But worst of all, without faith. The Seed of Life... Hidden in a pouch at the princess' hip, it speaks to her. But if she doesn't understand what it says, how can she fulfill her part of destiny? Living statue... The ominous golem has found that for which it searched. The first ingredient for the return of Those Who Watch From the Sky is nearly complete and man's time is drawing to its end. One must die to raise them all... The Evenstar's patience grows thin, for soon the stars will fall, and then night will descend. Then he will rule again.

No One Rides For Free Book Introduction

In today's digital age, the availability of No One Rides For Free Book books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of No One Rides For Free Book books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of No One Rides For Free Book books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing No One Rides For Free Book versions, you eliminate the need to spend money on physical copies. This not only saves you

money but also reduces the environmental impact associated with book production and transportation. Furthermore, No One Rides For Free Book books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing No One Rides For Free

Book books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for No One Rides For Free Book books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical

manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, No One Rides For Free Book books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of No One Rides For Free Book books and

manuals for download and embark on your journey of knowledge?

FAQs About No One Rides For Free Book Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper

lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
