

# Piero Di Cosimo De Medici

Janet Ross

*The Library and Manuscripts of Piero Di Cosimo De' Medici* Francis Ames-Lewis, 1984

The Maecenas and the Madrigalist Anthony M. Cummings, 2004 Musicologists are increasingly focusing upon less formal private institutions and traditions of patronage: informal acad. and soc, the activities of individuals, and convivial aristocratic co. Early 16th-cent. Florence was characterized by the practices of a series of these vital institutions. Such informal institutions had considerable virtues as agents of patronage; their less routinized practices freed them to engage in experimentation that the more formal institutions would not support. This study reconstructs the memberships, cultural activities, and musical exper. of these informal Florentine institutions and relates them to the emergence of the madrigal, the foremost musical genre of early-modern Europe. Richly illus. with visual materials and musical examples.

*Lives of the Early Medici* Janet Ross, 1911

The Rise and Decline of the Medici Bank, 1397-1494 Prof. Raymond de Roover, 2018-03-12 The roots of modern capitalism go back to the Italian banking system of the late Middle Ages and the Renaissance. In the fifteenth century, the Medici Bank succeeded in overshadowing its competitors, the Bardi and the Peruzzi, who were the giants of the fourteenth century, and grew into a vast establishment with branches in most of the large cities of Western Europe. A study of its operations is essential to an understanding of the economic conditions in Europe in the fifteenth century. From a careful study of pertinent documents, including a set of libri segreti (confidential ledgers) discovered in 1950, Professor de Roover has reconstructed the details of the bank's organization and operating methods; its loan policies, which reflected the Church's doctrine on usury; its trading and industrial investments; its roles within the Florentine gild system and tax structure; and its activities as financial agent of the Church. He covers every aspect of the bank's history, from its early years under the management of Giovanni di Bicci de' Medici to its collapse with the expulsion of the Medici from Florence. "An invaluable contribution to the economic history of the period....A splendid book."—Harry A. Miskimin, *The American Economic Review* "The most important work in English on a medieval or Renaissance bank."—*The Economist* "The best book ever written on the medieval banking system."—John T. Noonan, Jr., *Harvard Law Review* "The most authoritative treatment of its subject in any language."—Rondo Cameron, *The Accounting Review*

*Jesuit Foundations and Medici Power, 1532-1621* Kathleen Comerford,2016-11-07 Jesuit Foundations and Medici Power, 1532-1621 focuses on the cooperation between two new foundations, the last Medici state and the Society of Jesus, spanning nearly a century, concentrating on the Jesuit foundations in Florence, Siena, and Montepulciano. As the Medici built and centralized their power in the Grand Duchy of Tuscany, they sought to control both the civic and religious behavior of their citizens. They found partners in the Jesuits, whose educational program helped establish social order and maintain religious orthodoxy. Via a detailed investigation of both minor and major Italian Jesuit colleges, and of multiple Medici rulers, Kathleen M. Comerford provides insight into church/state cooperation in an age in which both institutions underwent significant changes.

Lucrezia Tornabuoni De' Medici and the Medici Family in the Fifteenth Century Maria Grazia Pernis,Laurie Adams,2006 Lucrezia Tornabuoni de' Medici and the Medici Family in the Fifteenth Century is a fresh, new biography of a Renaissance woman who lived during the heyday of Medici power. A remarkable person in her own right, the author of religious poems and sacred narratives, as well as an accomplished businesswoman, Lucrezia was the mother of Lorenzo the Magnificent, the grandmother of two popes, and the great-great grandmother of Catherine de' Medici, Queen of France. This glimpse of her life and times is a window onto the political intrigues and intellectual achievements of Medici Florence.

Lorenzo de' Medici and the Art of Magnificence F. W. Kent,2007-02-01 In the past half century scholars have downplayed the significance of Lorenzo de' Medici (1449-1492), called the Magnificent, as a patron of the arts. Less wealthy than his grandfather Cosimo, the argument goes, Lorenzo was far more interested in collecting ancient objects of art than in commissioning contemporary art or architecture. His earlier reputation as a patron was said to be largely a construct of humanist exaggeration and partisan deference. Although some recent studies have taken issue with this view, no synthesis of Lorenzo as art patron and art lover has yet emerged. In *Lorenzo de' Medici and the Art of Magnificence* historian F. W. Kent offers a new look at Lorenzo's relationship to the arts, aesthetics, collecting, and building—especially in the context of his role as the political boss (*maestro della bottega*) of republican Florence and a leading player in Renaissance Italian diplomacy. As a result of this approach, which pays careful attention to the events of his short but dramatic life, a radically new chronology of Lorenzo's activities as an art patron emerges, revealing them to have been more extensive and creative than previously thought. Kent's Lorenzo was broadly interested in the arts and supported efforts to beautify Florence and the many Medici lands and palaces. His expertise was well regarded by guildsmen and artists, who often turned to him for advice as well as for patronage. Lorenzo himself was educated in the arts by such men, and Kent explores his aesthetic education and taste, taking into account what is known of Lorenzo's patronage of music and manuscripts, and of his own creative work as a major Quattrocento poet. Richly illustrated with photographs of Medici landmarks by Ralph Lieberman, *Lorenzo de' Medici and the Art of Magnificence* offers a masterful portrait of Lorenzo as a man whose achievements might have rivaled

his grandfather's had he not died so young.

The Pollaiuolo Brothers Alison Wright,2005-01-01 Painters, draftsmen, goldsmiths, sculptors, and designers, the Pollaiuolo brothers of fifteenth-century Florence produced some of the most beautiful works of the Italian Renaissance.

The Return of Lucretius to Renaissance Florence Alison Brown,2025-09-01 Brown demonstrates how Florentine thinkers used Lucretius—earlier and more widely than has been supposed—to provide a radical critique of prevailing orthodoxies. She enhances our understanding of the “revolution” in sixteenth-century political thinking and our definition of the Renaissance within newly discovered worlds and new social networks.

*Social World of Florentine Humanists, 1390-1460* Lauro Martines,2015-12-08 A picture of representative humanists of the Quattrocento, based on manuscript material in the Florence state archives. Originally published in 1963. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

*An Art Lover's Guide to Florence* Judith Testa,2012-09-15 No city but Florence contains such an intense concentration of art produced in such a short span of time. The sheer number and proximity of works of painting, sculpture, and architecture in Florence can be so overwhelming that Florentine hospitals treat hundreds of visitors each year for symptoms brought on by trying to see them all, an illness famously identified with the French author Stendhal. While most guidebooks offer only brief descriptions of a large number of works, with little discussion of the historical background, Judith Testa gives a fresh perspective on the rich and brilliant art of the Florentine Renaissance in *An Art Lover's Guide to Florence*. Concentrating on a number of the greatest works, by such masters as Botticelli and Michelangelo, Testa explains each piece in terms of what it meant to the people who produced it and for whom they made it, deftly treating the complex interplay of politics, sex, and religion that were involved in the creation of those works. With Testa as a guide, armchair travelers and tourists alike will delight in the fascinating world of Florentine art and history.

**Singing to the Lyre in Renaissance Italy** Blake Wilson,2020 The first comprehensive study of the dominant form of solo singing in Renaissance Italy prior to the mid-sixteenth century.

**The Longman Companion to Renaissance Europe, 1390-1530** Stella Fletcher,2014-02-04 This new Companion is the ideal reference guide. It fills a gap by providing an authoritative but accessible reference on political, economic, religious, social, as well as cultural developments in this crucial period. It contains information on all major topics including

the church, war and diplomacy, civic life, learning and letters, printing, the economy, science and technology, the arts, across Europe and the wider world.

Savonarola Donald Weinstein,2011-11-22 Girolamo Savonarola, the fifteenth-century doom-saying friar, embraced the revolution of the Florentine republic and prophesied that it would become the center of a New Age of Christian renewal and world domination. This new biography, the culmination of many decades of study, presents an original interpretation of Savonarola's prophetic career and a highly nuanced assessment of his vision and motivations. Weinstein sorts out the multiple strands that connect Savonarola to his time and place, following him from his youthful rejection of a world he regarded as corrupt, to his engagement with that world to save it from itself, to his shattering confession—an admission that he had invented his prophesies and faked his visions. Was his confession sincere? A forgery circulated by his inquisitors? Or an attempt to escape bone-breaking torture? Weinstein offers a highly innovative analysis of the testimony to provide the first truly satisfying account of Savonarola and his fate as a failed prophet.

*Michelangelo Drawings* Hugo Chapman,Michelangelo (Buonarroti),Michelangelo Buonarroti,2005-01-01 Presents a catalog to accompany an exhibition of drawings by Michelangelo.

**The Renaissance Portrait** Patricia Lee Rubin,2011 Published in conjunction with an exhibition held at the Bodleian Library, Berlin, Aug. 25-Nov. 20, 2011, and at the Metropolitan Museum of Art, New York, Dec. 21, 2011-Mar. 18, 2012.

*Fifteenth-century Dance and Music: Choreographic descriptions with concordances of variants* A. William Smith,1995 Vol. 1: Treatises and music ; vol. 2: choreographic descriptions with concordances of variants.

*Florence and its University during the Early Renaissance* Jonathan Davies,2021-10-25 This book makes a substantial contribution to the study of Florentine history. It answers an important but hitherto unresolved question: why did the Florentine Republic keep a university in its capital city between 1385 and 1473 rather than follow the example of other Italian states in maintaining a university in a subject town? Based on a wide range of newly-found sources, it discloses that the University owed its survival to the support of the Florentine elite, especially the Medici family and its followers. It reveals systematically the close ties between the University and major developments in the social, economic, political, ecclesiastical, and cultural life of Florence and Florentine Tuscany. The appendices fill some of the greatest gaps in our knowledge of the University, identifying administrators, students, examiners, and teachers.

## Piero Di Cosimo De Medici Introduction

In today's digital age, the availability of Piero Di Cosimo De Medici books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now

access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Piero Di Cosimo De Medici books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Piero Di Cosimo De Medici books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Piero Di Cosimo De Medici versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Piero Di Cosimo De Medici books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-

improvement, these digital resources provide an efficient and accessible means of acquiring knowledge.

Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Piero Di Cosimo De Medici books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Piero Di Cosimo De Medici books and manuals

is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Piero Di Cosimo De Medici books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Piero Di Cosimo De Medici books and manuals for download and embark on your journey of knowledge?

## FAQs About Piero Di Cosimo De Medici Books

**What is a Piero Di Cosimo De Medici PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document,

regardless of the software, hardware, or operating system used to view or print it. **How do I create a Piero Di Cosimo De Medici PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Piero Di Cosimo De Medici PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Piero Di Cosimo De Medici PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG,

etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Piero Di Cosimo De Medici PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
