Conrad Riker

Dragons Do It Naughtier Gemma Cates, A steamy dragon shifter romance filled with humor, second chances, and naughty, dragon-sex shenanigans. Susannah Men cheat and lie. They take more than they give. Promise the world and deliver dusty pocket lint. They're no good for the long haul of life. But sex? Sure, men are good for steamy romps and spicy hookups. I'm ready to accept that dating's for dummies, but I'm not giving up sex. No way. And look who just stopped to offer me a lift: a sexy mechanic with all sorts of skills. He's no knight in shining armor, and he's not offering a fairy-tale happily ever after. He's all about the here, the now, and the f*cking. I'm one hundred percent ready for that ride. Archer I'm a liar. My friends think I'm screwing women left and right. The truth? I've been celibate for over a hundred years. The woman I picked up on the side of the road thinks I'm a mechanic. I'm not. I just happened to live through the invention of the horseless carriage and have a knack for repairs. She thinks I'm broke. Wrong again. Centuries of living lends itself to a fat bank account. I thought I gave away my heart years ago, but evidence suggests otherwise. That sad, disused organ beats faster for a foul-mouthed history professor who drives an unreliable, shiny red Volkswagen Bug. I want to be honest, but I'm sitting on so many secrets I'm not sure where to start. Worse, I don't think she wants the truth: I'm a dragon, she's a witch, and I might be falling in love with her. A woman who's been let down by life and love meets a dragon who's ready to shine up his tarnished scales for her, but they've got one hell of a past to overcome if they're going to find their long-haul, forever love.

His Porn, Her Pain Marty Klein Ph.D., 2016-09-06 Written by an award-winning author and veteran sex therapist, this practical, innovative, and often passionate book addresses the explosion of pornography use, advises couples on defusing conflict about it, guides parents in helping their kids deal with it, advises people concerned about their use of it, and shows how honest talk about sex can resolve America's porn panic. When you first logged onto the Internet in the 1990s, did you ever wonder, What do you suppose would happen if the United States were flooded with free, high-quality pornography? We now know the answer, says Dr. Marty Klein, as this is exactly what took place 15 years ago. Written by an award-winning author and veteran sex therapist, this practical, innovative, and often passionate book addresses the explosion of pornography use, advises couples on defusing conflict about it, guides parents in helping their kids deal with it, advises people concerned about their use of it, and shows how honest talk about sex can resolve America's porn panic. So what did happen when Internet porn flooded America? The rates of sexual assault, divorce, and child molestation declined. And yet

various religious groups, politicians, some feminists, anti-trafficking activists, and many marriage counselors talk unceasingly about the damage porn viewing is doing to our society. They have created a PornPanic that has demonized the recreation of some 60 million Americans. Americans are always ready for new reasons to feel guilty and ashamed of their sexuality, and Internet porn is the newest reason. Wives and girlfriends worry that they can't compete with it; teens use it as a misguided substitute for sex education, often disturbed by intense adults-only imagery; and psychologically vulnerable people get caught up in hours of compulsive porn surfing every night, feeling isolated and inadequate as a result. Fortunately for his many readers, however, using clear reasoning, clinical expertise, and political savvy, Klein shows that for most people, porn is not the real problem. With the experience gained from 34 years of doing therapy—that's 35,000 sessions—Klein asks a simple but profound question: when we talk about porn, what are we really talking about? This book eases readers' minds as Klein addresses common concerns and debunks common myths while identifying what we should be concerned about. Most importantly, the author explains how we can heal America's obsession with porn by engaging in honest talk about sex—something he knows is neither simple nor easy. The text includes sample conversations to help adults talk to each other about pornography, and suggestions for parents on how to talk to their kids about porn—healthy discussions to help their kids develop Porn Literacy. This book offers honest, thorough, expert information desperately needed by a nation of people driven to panic about pornography.

Dragons in the Snow Ed Power, 2020-09-04 An exceptionally well done book, one that holds your interest while at the same time, offering important, and possibly life saving, lessons on avalanche safety. -- National Outdoor Book Awards National Outdoor Book Award Winner - Outdoor Literature Edward Power sets the reader down in the midst of a February 2017 blizzard that raked Utah's Uinta Range as nine snowboarders made their way into the backcountry for a day of intense adventure. As the boarders were taking their first turns, expert avalanche forecaster Craig Gordon was tracking the storm and its impact, posting one of the most dire avalanche forecasts and warnings in his career. In *Dragons in the Snow*, Power delves into the research and science behind avalanche forecasting and rescue, weaving in the art of backcountry skiing as well as dramatic tales of avalanche accidents, rescues, and recoveries. And he paints compelling portraits of the men and women who have made the study of avalanches their life's work. The tales told by these avalanche forecasters, as well as the stories of the backcountry riders who may wake the dragon make for not just a compelling read, but also a powerful tool for raising avalanche awareness in everyone who plays in the winter backcountry.

Here Be Dragons Peter C. Newman, 2011-10-12 The #1 national bestseller now revised and updated with a new Epilogue. Now aged 75, Peter C. Newman at last tells the story of his stranger-than-fiction life. Try to keep up as we follow his many lives: as a pampered child in a Czech chateau; a Jewish kid in short pants being machine-gunned by Nazi fighter planes on the beach at Biarritz, en route to the last ship to escape from France in 1940; as a refugee on an Ontario farm; as

an outsider on a scholarship at Upper Canada College; as a Financial Post journalist, then an author whose *Renegade in Power* made Canadian politics dramatic and disrespectfully exciting for the first time; as the man who revealed the secrets of the rulers of the Canadian business world in *The Canadian Establishment*, and other huge business success stories, including *The Establishment Man*, on Conrad Black; or the millionaire who turned his back on business books and tackled Canadian history (*Company of Adventurers* and other triumphs), in a career where his work has dominated the bestseller lists in politics, business, history, and current affairs. In the midst of all this were his years at the *Toronto Star* and *Maclean's* where, as editor, he took the magazine weekly – a huge accomplishment. He is still a legend there, where his columns continue to run. He knew and wrote about every prime minister from Louis St. Laurent to Paul Martin and every prominent Canadian – hero or villain – in between. Yet his most interesting character is – Peter C. Newman. Incredibly, this central figure known to millions of Canadians sees himself as a perennial outsider. In personal terms, the rich little Czech boy whose nannies never stayed talks frankly about his marriages and the women he has known before his ultimate marriage to his beloved Alvy. His enthusiasms – from jazz to the Canadian Navy, not to mention his adventures on his beloved sailboat – make for a rich portrait of an astonishing character, one who never stops being controversial.

Maps, Artifacts, and Other Arcane Magic (Dowser 5) Meghan Ciana Doidge, 2022-04-19 One treasure down, two to go ... Three months ago, I nearly lost my best friend while retrieving the first instrument of assassination. I also inadvertently released a rival who was definitely unhinged, way more powerful than me, and obsessed with harnessing the deadly power of the artifacts I'd been tasked by the guardian dragons to collect. Add a sexy sentinel and a nearly immortal vampire to the mix, and what could possibly go wrong? Knowing my luck, I was about to find out. *Maps, Artifacts, and Other Arcane Magic* is the fifth book in the Dowser series, which is set in the same universe as the *Oracle*, *Reconstructionist*, *Amplifier*, *Archivist*, and *Misfits of the Adept Universe* series. While it is not necessary to read all the series, in order to avoid spoilers the ideal reading order of the Adept Universe begins with *Cupcakes, Trinkets, and Other Deadly Magic* (Dowser 1).

The Crystal of Light Russell Hasan, 2011-01-01 Everyone is happy in the Kingdom of Imperia. Humans farm, dwarves

mine, elves craft golden items. People sing and dance in the streets. Everyone is happy! But beneath the surface, trouble is brewing. An evil wizard named the Dark Wizard seeks to steal a magical item named the Crystal of Light, with which he will have the power to summon dragons who can destroy the entire realm. The Crystal of Light is safeguarded in a heavily fortified magical temple named the Temple of Light, where it is watched over by the most powerful wizard in the realm, a legendary magic user named the White Wizard. So, to steal it, the Dark Wizard recruits six hapless, down-on-their-luck, flat-broke fantasy heroes to raid the temple, crawl the dungeon, and steal the treasure from the dungeon boss, the White Wizard. Those six heroes, a.k.a. the thieving crew, are: Yarid, a Fae King, who leads the faerie court into exile after a goblin army forces them to flee from the Fae Realm. The Dark Wizard promises to give him the money to hire mercenaries and raise an army to take back the Fae Realm. Syllis, a simple young farm wizard with a proficiency in time magic from a rural backwater town, who is forced to flee when assassins come after him and burn his farm to the ground and he barely escapes with his life. The Dark Wizard promises him the knowledge of who is hunting him and why. Nathan, a necromancer who owes a ton of gold to the necromancer who trained him and who will reclaim payment for his student loans as either gold, or blood. The Dark Wizard promises him money to pay off his debt. Rose, a wizard-thief crime boss, who is in her element stealing things from other people. She is eager when the Dark Wizard offers her a heist. Glorissa, a young female paladin cadet, whose twin sister went missing from their paladin academy one year ago, and who is on a mission to find and rescue her sister. The Dark Wizard offers her something she can't resist: information that could lead her to her sister. Kylus, a young male soldier-in-training recently expelled from his military academy after they learned about his dark secret, which the Dark Wizard offers to sell him a cure for. (Hint: his dark secret has something to do with gender and sexuality.) These six heroes are good, and innocent, and noble, and heroic, and they should know better than to take a job offered by an evil wizard. But being poor and having a prize of a huge pile of gold coins dangled in front of your eyes makes people make bad decisions. They make the poor choice to take the job offer and go on the quest to steal the Crystal of Light. And the quest begins! Author's Note: The elements of LitRPG in this novel are light/creamy, and the two romance arcs (the cishet romance arc between Yarid the fae king and Glorissa the girl knight, and the queer/gay coming-of-age romance arc between Syllis and Kylus) are a subplot to the main quest but do form an important part of the book. Mostly, the book is just the best epic high fantasy quest adventure you will ever read. It's a character-driven soap opera with plenty of action and strong motivations to move the story forward. It is a fantasy heist novel, and the edge-of-your-seat thrills of watching the six main characters face the many dangers of stealing their target make it a gripping, compelling thriller suspense novel, while also being a traditional fantasy story set in a high fantasy realm with humans, elves, goblins, wizards, a feudal society of kings and knights, and a hard magic system with six types of magic. The magic plays a central role in how the heroes try to steal their target, because they will need all six of the six different types of magic for their heist to succeed. The novel begins with standalone stories that introduce the main

characters, and then after all main characters are introduced, the characters meet by chance at an inn and tavern where they meet the Dark Wizard, and the main plot arc begins.

sure I'm going to heaven? How do I hear God speak to me? Why do I believe what culture says about me instead of what God's Word says? In her book *Daughter of the King*, Andrea shares personal experience and biblical truth in ways you are able to understand, relate to, and apply to your everyday life. It is her prayer in writing this and the Father's heart that every one of his daughters will see themselves the way God sees you! You are royalty, the Daughter of the King, and your inheritance awaits you. God wants you to know your true identity and that he created you on purpose for a purpose. God wants you to know he has given you an inheritance as his daughter to accomplish your purpose. God wants you walk in the authority of the believer and to enforce the victory Jesus died to give you in ALL areas of your life. God wants you to know the difference between religion and relationship. It's time as believers that we don't just say what we believe, but actually live it out in our everyday lives. It's time to make Jesus know, to be led by his Holy Spirit and to expose man-made religion and false doctrine. It's time to build His kingdom here on earth and be the overcomer and world changer you were created to be.

The Erotic Engine Patchen Barss, 2010-09-07 Pornography: The force for change that has been written out of the history of world culture. From cave painting to photography to the internet, pornography has always been at the cutting edge in adopting and exploiting new developments in mass communication. And in so doing, it has helped to promote and propel those developments in ways that are rarely acknowledged. Without pornography, the internet would not have grown so quickly. The e-commerce payment systems that are now commonplace would be at a far more primitive stage security and usability. Without video streaming software developed for pornography sites, CNN would be struggling to deliver news clips. Without advertising from sex sites, Google could not have afforded YouTube. This smart, witty and well-researched history shows how a vast secret trade has bankrolled and shaped mainstream culture and its machines.

The Young Widower's Handbook Tom McAllister, 2017-02-07 "Funny, sad, and smart . . . Part wacky road novel, part romantic comedy, McAllister's debut flies along yet reaches deep." —Stewart O'Nan, author of *West of Sunset* For Hunter Cady, meeting Kaitlyn is the greatest thing that has ever happened to him. Whereas he had spent most of his days accomplishing very little, now his life has a purpose. Smart, funny, and one of a kind, Kait is somehow charmed by Hunter's awkwardness and droll humor, and her love gives him reason to want to be a better man. And then, suddenly, Kait is gone, her death as unexpected as the happiness she had brought to Hunter. Numb with grief, he stumbles forward in the only way he knows how: by running away. He heads due west from his Philadelphia home, taking Kait's ashes with him. Kait and Hunter had always meant to travel. Now, with no real plan in mind, Hunter is swept into the adventures of fellow travelers on the road, among them a renegade Renaissance Faire worker; a boisterous yet sympathetic troop of bachelorettes; a Midwest couple and Elvis, their pet parrot; and an older man on an endless cross-country journey in search of a wife who walked out

on him many years before. Along the way readers get glimpses of Hunter and Kait's lovely, flawed, and very real marriage, and the strength Hunter draws from it, even when contemplating a future without it. And each encounter, in its own peculiar way, teaches him what it means to be a husband and what it takes to be a man. Written in the spirit of Jonathan Tropper and Matthew Quick, with poignant insight and wry humor, *The Young Widower's Handbook* is a testament to the enduring power of love.
