Crying in the Bathroom Erika L. Sánchez, 2022-07-12 “Equal parts pee-your-pants hilarity and break your heart poignancy- like the perfect brunch date you never want to end!--America Ferrera, Emmy award-winning actress in *Ugly Betty* From the New York Times bestselling author of *I Am Not Your Perfect Mexican Daughter*, an utterly original memoir-in-essays that is as deeply moving as it is disarmingly funny Growing up as the daughter of Mexican immigrants in Chicago in the '90s, Erika L. Sánchez was a self-described pariah, misfit, and disappointment—a foul-mouthed, melancholic rabble-rouser who painted her nails black but also loved comedy and dreamed of an unlikely life as a poet. Twenty-five years later, she's now an award-winning novelist, poet, and essayist, but she's still got an irrepressible laugh, an acerbic wit, and singular powers of perception about the world around her. In these essays about everything from sex to white feminism to debilitating depression to the redemptive pursuits of spirituality, art, and travel, Sánchez reveals an interior life that is rich with ideas, self-awareness, and perception—that of a woman who charted a path entirely of her own making. Raunchy, insightful, unapologetic, and brutally honest, *Crying in the Bathroom* is Sánchez at her best: a book that will make you feel that post-confessional high that comes from talking for hours with your best friend.

Bittersweet Shauna Niequist, 2010 A personal memoir explores the intertwined natures of happiness and sadness, discussing how bitter experiences balance out the sweetness in life and how change can be an opportunity for growth and a function of God's graciousness.

Through to You Lauren Barnholdt, 2014-07-08 “Fans of Sarah Dessen, Lauren Myracle, Morgan Matson, and Simone Elkeles will enjoy this story told from both Harper and Penn's points of view, widening the appeal to all teens, not just females” (VOYA). It starts with a scribbled note in class: I like your sparkle. Harper had casually threaded a piece of blue and silver tinsel through her ponytail in honor of school spirit day. And that carefree, corny gesture is what grabs Penn Mattingly's eye. Penn—resident heartbreaker of the senior class. Reliably unreliable. Trouble with a capital “T.” And okay, smolderingly sexy. Harper's surprised by Penn's attention—and so is Penn. The last thing he needs is a girlfriend. Or even a friend-with-benefits. The note is not supposed to lead to anything. Oh, but it does. They hang out. They have fun. They talk. They make out. And after a while, it seems like they just click. But Penn and Harper have very different ideas about what relationships look like, in no small part because of their very different family backgrounds. Of course they could talk about

these differences—if Penn knew how to talk about his feelings. Harper and Penn understand their attraction is illogical, yet something keeps pulling them together. It's like a crazy roller coaster—exhilarating, terrifying, and amazing all at once. And neither knows how to stop the ride...

Guys Are Waffles, Girls Are Spaghetti Chad Eastham, Bill Farrel, Pam Farrel, 2009-09-13 Boy meets Girl; Boy wonders what in the world Girl is talking about and how he will ever keep up. Girl wonders what is wrong with Boy. Enter, Waffles and Spaghetti—every teen's guide to figuring out the opposite sex and understanding and valuing our unique differences. In a pivotal time of their development and social lives, teens are left to try and understand one another without much guidance. The purpose of this book is to help better understand themselves as well those from the alien gender. Guys' brains are like waffles—they keep their lives compartmentalized in boxes. Girls' brains are like spaghetti—everything in their life is connected to everything else. This book for teens includes brain development, social habits, differences in emotions, and relationship building skills for teens to develop early in their life. Loaded with humor and fun examples, this is a great way for teens to learn about healthy relationships with the opposite sex.

Somnambulist Chronicles Taryn Riddle, 2024-12-06 months of wondering what the hell happened, and if it was a dream or not. finally arriving upon an affirming decision, only to second-guess myself again. all those things they say about emotional young women: rape accuser, attention whore. why am i the one at fault? you did this to me? all i did was type it out. but you are the one who wrote me this. and you know what? let the blood boil. it was never ego going to my head. it was blood rushing to my head. just like it happened then. and all the nerves permanently stained by emotional memory; the ones that are supposed to be sacred to a woman. the ones that were mine, but you made yours. a tragic haunting: they speak to me in the night. and after years of waiting, wondering what can i do? they whispered to me, closely in my ear: write the book.

Exley Brock Clarke, 2011-09-01 For young Miller Le Ray, life has become a search. A search for his dad, who may or may

not have joined the army and gone to Iraq. A search for a notorious (and, unfortunately, deceased) writer, Frederick Exley, author of the “fictional memoir” *A Fan’s Notes*, who may hold the key to bringing Miller’s father back. But most of all, his is a search for truth. As Miller says, “Sometimes you have to tell the truth about some of the stuff you’ve done so that people will believe you when you tell them the truth about other stuff you haven’t done.” In Exley as in his previous bestselling novel, *An Arsonist’s Guide to Writers’ Homes in New England*, Brock Clarke takes his reader into a world that is both familiar and disorienting, thought-provoking and thoroughly entertaining. Told by Miller and Dr. Pahnee, both unreliable narrators, it becomes an exploration of the difference between what we believe to be real and what is in fact real.

Myth Shattering Timothy Harada,2008-03-25 A semi-autobiographical novel about a punk rock teenager in Wutherington Beach, Southern California. With his punk rock friends, he steals marijuana plants from his neighbor's backyards, smokes them in the group's underground club house, and shop lifts for munchies on a daily basis. However, on one summer afternoon, while trying to hide a large bag of marijuana in his family's apartment's garage, he discovers his dead father's revolutionary book collection. The things he reads in these books open his eyes wide to the nefarious history of the US government and the nefarious nature of their foreign and domestic policy. This awakening causes him to search for other like books, which further awaken him to the need for revolutionary change in his country. However, the more he learns, the more bewildered he becomes, and the more withdrawn he becomes from school and social life, until he is on the brink of total despair. What finally saves him are the books in his father's collection about Buddhism.

The Way It Was Barbara M. Sobey, RN, CCE, former IBCLC,2023-10-02 About the Book Barbara Sobey was always

curious as to how women gave birth and cared for their babies centuries ago, or on wagon trains heading west with little water available. Having had babies 29 years apart, she lived through many changes in birth and infant care herself and decided to. Today, mothers automatically expect their partner will be with them for the birth and baby will room-in. It was the last generation of women in the 1980s and 1990s who fought for those rights. Barbara is now eighty years old. In many small ways she was involved with aiding those changes in childbirth to occur. There is still more to do in humanizing birth, but she leaves that up to the current generation. About the Author Barbara M. Sobey, RN, CCE, former IBCLC, attended a LaLeche League meeting the first Tuesday in May 1965, an organization that gives support and practical advice on breastfeeding. It was a meeting that changed so many things in her life. She became a Leader herself and Barbara's experience as a LaLeche Leader prepared her to take the Lactation Consultant exam in 1986. She recertified every five years until 1996. As an International Board-Certified Lactation Consultant and RN, Barbara was able to work for thirty years as a hospital lactation consultant. Because of a speech that she gave at a La Leche League conference, she was asked to speak at a Metropolitan New York Childbirth conference, which encouraged her to become a childbirth instructor. Her children became involved with 4-H, which resulted in Barbara becoming a leader for 25 years. She has had a busy life, but her biggest satisfaction is her family. She always wanted a dozen children. The Lord blessed her with fifteen babies, but he took back two and her oldest son at the age of 31. Thus he left her with twelve very precious people, and she wishes she could go back in time to when her house was full of noise and laughter. Barbara now spends her time at more age-appropriate activities. She works at her church thrift shop and crochets Afghans that she donates to a local hospital at Christmas for those who have no family. After raising thirteen children, Barbara has been blessed with 21 great-grandchildren and two great-grandchildren.

She cherished her great array of friends and enjoyed the past six years of weekends with a man she adored. Life was perfect, until one day in a bizarre twist of fate, her boyfriend, her life partner very suddenly left her. While her devastation was earth shattering, her strength and fierce determination reset her compass to move forward. After a few months of mourning, then refocusing, and with support from her family, friends and an amazing therapist, Debbi found the courage to take a stab at internet dating again, but had no idea that one click of her mouse would have such far reaching karmic effects that would change her life forever. This is the true story of two 50-something souls who were trying to find their way, and on the way, found each other. Theirs is the kind of love we all dreamt of in our youth and would never expect it to grace our hearts after weve experienced mid-life crisis. Just when Debbi reached an age when she thought she figured it all out life, love and the workings of her entire universe, she meets someone who shakes up her life and the universe she thought she knew so well. If it happened to you, would you still believe in love at first sight, or that a love can transcend any obstacle including death? Can the depth of that love permeate your soul so deeply

and completely, that against any and all odds you could live a lifetime together in seven weeks? Well this is Debbis story. It is possible, because it happened, its real and its all true.

Zachary's Cry Michael Chalk,2025-07-07 Born in secrecy. Left to die. But, against all odds, Zachary survived. BORN IN SECRECY. LEFT TO DIE. BUT AGAINST ALL ODDS, ZACHARY SURVIVED. When a terrified young woman gives birth alone in a locked farmhouse bathroom, the consequences are catastrophic. The new born child is left with severe brain damage. The on-call doctor — a newly arrived Zimbabwean GP, still adjusting to Australia's rural health system — is refused entry to the bathroom and follows protocol. But years later, his decision will come back to haunt him. The baby is placed into State care and given the name Zachary. At a young age, he finds hope in the arms of foster parents Anne and Ian Prince-Smith, whose love, grit, and quiet heroism transform his life. But Zachary's story isn't over. Years later, he becomes the centre of a staggering \$23.5 million medical negligence lawsuit — one that threatens to destroy Dr Clive Cloete's career and unearth secrets long buried in silence and guilt. Set in outback South Australia, Zachary's Cry is a haunting, hopeful novel about trauma — and how we define justice when things go horribly wrong.

It gets a little a harder when you're busy protecting a little sister against a father whose goal is to make you hurt. Even harder when you start trying to have your own life and nearly impossible when you do find your own life. Just a little too hard for a sixteen year old boy I suppose. This is a story about trying to find yourself in a home that was meant to destroy you. -Trevor Knight
