Charismata Uche Aligwekwe, 2015-06-02 Secularism and unbelief threaten today to sweep away all Christian influence in society and blind people to eternal salvation in Christ. This aggressive agenda is gaining ground everywhere: in education, politics, medicine—even marriage and family. The urgency of this hour demands more than a gospel of words only. It calls for a demonstration of power, as seen in Acts 4:33: With great power the apostles gave witness to the resurrection of the Lord Jesus (NKJV). God has provided us with His charismata, or divine endowments of His Holy Spirit, to make us effective witnesses of His power amid this crooked and perverse generation. Charismata: The Power and the Witness will show you how to receive the power of the Holy Spirit—and how to begin changing the eternal destinies of people everywhere. God would have each of us be a witness of His power in this crucial hour. Charismata: The Power and the Witness will equip you to demonstrate the presence of the Holy Spirit in your daily life.

They Shall Lay Hands on the Sick and the Sick Will Recover Evangelist Dan Nolan, 2018-06-01 What does the Bible say about healing? Christians have been empowered by God to pray for (and minister healing to) others! This ranges from physical ailments and mental disabilities to emotional wounds and deficiencies. However, there are certain things all Christians MUST learn if they want to get the maximum results possible when it comes to healing—whether it's for themselves, or for someone else. It is God's desire that all should be healed! *They Shall Lay Hands on the Sick and the Sick Shall Recover* is an enticing collaboration of testimonies, scripture and commentaries to help you effectively assist those in need of God's healing power. Learn how to... Make more power available to you to deal with demonic influences affecting health, Discern the source of the sickness, Flow in the gifts of the Spirit to administer healing, and Live a consecrated life so God can use you as He desires.

Miracles in the Glory Amy Shamp, Jesse Shamp, 2018-11-20 You will be equipped to overcome the barriers that present themselves to walking in the power of God and how to access the power of God already inside of you and manifest it in your own life through the power of revelation and intimacy in the secret place.

Apostles Today Benjamin G McNair Scott, 2014-12-25 Are apostles amongst us today? According to a growing section of the church, the answer is yes. This book investigates and appraises the idea, seeking answers to the following questions in the context of the church in Britain and the USA: Is there a robust scriptural justification for the charismatic apostolate (CA) that most charismatic groups are proclaiming? How widespread is this belief and why has it become more commonplace? What kind of apostles are being advocated by influential popular teachers? What does church history and tradition have to offer to this idea? Is there a way to endorse and embrace the CA ecumenically? Does the CA have a future in the universal church? These are important questions to answer for the sake of the church's mission and health.

Divine Healing: The Formative Years: 1830-1890 James Robinson, 2011-04-13 Divine healing is commonly practiced today throughout Christendom and plays a significant part in the advance of Christianity in Latin America, Africa, and Asia. Such wide acceptance of the doctrine within Protestantism did not come without hesitation or controversy. The prevailing view saw suffering as a divine chastening designed for growth in personal holiness, and something to be faced with submission and endurance. It was not until the nineteenth century that this understanding began to be seriously questioned. This book details those individuals and movements that proved radical enough in their theology and practice to play a part in overturning mainstream opinion on suffering. James Robinson opens up a treasury of largely unknown or forgotten material that extends our understanding of Victorian Christianity and the precursors to the Pentecostal revival that helped shape Christianity in the twentieth century.

Bold Faith Ben Pugh, 2017-03-09 Bill Johnson, Joyce Meyer, Heidi Baker. The fame of these names is evidence enough that, though the controversies are less intense, the Charismatic Movement is alive and well today. It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling. Now, for the first time, all that is most theologically innovative about the movement is synthesized into five distinct and original ideas. These five brand new theologies have been created, not by theologians, but by practitioners who believed their concepts were inspired by the Spirit: Inner Healing, Shepherding, Word of Faith, Spiritual Warfare, and Signs and Wonders. Plenty of studies have been written by Pentecostal scholars about Pentecostal theology, but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals. Bold Faith aims to analyze and evaluate the ways in which practitioners

within independent Charismatic networks, especially in their Anglo-American expressions, have responded to the challenges of secular modernity.

The Holy Spirit Billy Graham, 2002-11 An informative, clarifying, and unifying book on the Holy Spirit Who is the Holy Spirit and what does he do The world-renowned evangelist Billy Graham offers a sensitive and comprehensive portrait of the much discussed but often-misunderstood member of the Trinity.
