

Why Choose Romance S

Sabine Zange

Reason for different pronunciations of "lieutenant" Dec 6, 2014 · While Americans (and possibly others) pronounce this as "loo-tenant", folks from the UK pronounce it as "lef-tenant". Why? "Why ...?" vs. "Why is it that ... ?" - *English Language & Usage* ... I don't know why, but it seems to me that Bob would sound a bit strange if he said, "Why is it that you have to get going?" in that situation. *Do you need the "why" in "That's the reason why"? [duplicate]* Relative why can be freely substituted with that, like any restrictive relative marker. I.e, substituting that for why in the sentences above produces exactly the same pattern of grammaticality and ungrammaticality: the reason that he did it * the cause that he did it * the intention that he did it * the effect that he did it * the thing that ... **Why do North Americans pronounce "caramel" as "carmel"?** Feb 8, 2017 · But in my experience, North Americans (Canadians too) don't pronounce the middle "a". They pronounce it exactly like the girl's name Carmel. From my experience, all Americans pronounce it without the "a" and all other places pronounce it with the middle "a" voiced. Why is that? Can this difference in pronunciation be traced to a root cause? **Contextual difference between "That is why" vs "Which is why"?** Thus we say: You never know, which is why... but You never know. That is why... And goes on to explain: There is a subtle but important difference between the use of that and which in a sentence, and it has to do primarily with relevance. Grammarians often use the terms "restrictive" and "non-restrictive" when it comes to relative clauses. Why is "pineapple" in English but "ananas" in all other languages? Nov 7, 2013 · The question is: why did the English adapt the name pineapple from Spanish (which originally meant pinecone in English) while most European countries eventually adapted the name ananas, which came from the Tupi word nanas (also meaning pineapple). Why was "Spook" a slur used to refer to African Americans? Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos... **Why is 'c*nt' so much more derogatory in the US than the UK?** It certainly is offensive here in the US, and I'm not sure why it's considered so much worse than other "Anglo-Saxon" words. I've used all of the other ones on occasion. **terminology - Why use BCE/CE instead of BC/AD? - English** ... Why do people use the latter terminology? For one thing, I find it confusing. It doesn't help that BCE is similar to BC. But moreover, there is only one letter of difference between the two terms, whereas with BC and AD, the terms are clearly different and I find it easier to distinguish! Were BCE/CE established earlier than BC/AD? *indefinite articles - Is it 'a usual' or 'an usual'?*

Why? - English ... As Jimi Oke points out, it doesn't matter what letter the word starts with, but what sound it starts with. Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say "today was an usual day", unless your pronunciation is extremely clear, you risk being misunderstood as "today was unusual day", which will only confuse your listeners.

Eventually, you will completely discover a supplementary experience and triumph by spending more cash. yet when? get you endure that you require to get those all needs when having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more vis--vis the globe, experience, some places, with history, amusement, and a lot more?
