Write for the King of Glory 2nd Edition Mary C. Findley, Share the fruits of my first five years of publishing. Learn about blogging, writing, cover design, editing, marketing, and find a bunch of great resources to help you in your publishing journey, many of them free. I'm not the be-all and end all of Christian publishing, but I'm here to help, and so are a bunch of other Christian writers and service providers. You know what a net is. It catches things. To a fish or a bird, it's a bad thing. But to an indie author, it's a good thing. Out there online, there are people who will be your net as you learn how to publish. I'm talking about the kind of net that keeps acrobats from squishing when they miss that swing or those hands high up there in the air. But my biggest piece of advice is to concentrate on finding other Christians. You need to find some warm, loving, encouraging, snuggly-blanket-type people you can seek out when you just don't know what to do.
