grammar - Is it correct to use "most" + "-est" together? - English ... Welcome to the most wildest show on earth. Someone pointed out the most wildest and I was wondering if it was OK to use most with a word that ends in -est together. *superlative degree - How/when does one use "a most"? - English ...* I've recently come across a novel called A most wanted man, after which being curious I found a TV episode called A most unusual camera. Could someone shed some light on how to use "a most" and wh... **verb agreement - "Most of what" and "is" or "are" - English ...** Jul 30, 2017 · In your example, books ARE what you have read most, so I would agree that in diagrammatic reasoning most of what you've read ARE books. Of all of the various materials I've read, most ARE books. Therefore, because MOST refers to books, and BOOKS is a plural noun, I'm sorry to say that your friend is correct. **grammar - Is it "most" or "the most" or "most of time"? - English ...** Jan 8, 2015 · These are questions that most people could answer. Another way to look at it: "What TV show do you spend most of the time watching?" is a loaded question. It already implies that I spend most of my time watching TV. Compare it to "What spills do you spend most of the time cleaning up?" which will annoy me because I don't spill anything. **What does the word "most" mean? - English Language & Usage ...** Oct 24, 2016 · Most is defined by the attributes you apply to it. "Most of your time" would imply more than half, "the most time" implies more than the rest in your stated set. Your time implies your total time, where the most time implies more than the rest. I ... **meaning - Is "most" equivalent to "a majority of"? - English ...** Here "most" means "a plurality". Most dentists recommend Colgate toothpaste. Here it is ambiguous about whether there is a bare majority or a comfortable majority. From the 2nd Language Log link: I searched on Google for the pattern "most * percent", and picked out of the first 150 hits all the examples like these: **"Most of which" or "most of whom" or "most of who"? Apr 1, 2022** · Since "most of ____" is a prepositional phrase, the correct usage would be "most of whom." The phrase "most of who" should probably never be used. Another way to think about the difference between the subjective/objective pronouns is to revise the sentence to include a personal pronoun and see which form (he/him or she/her or they/them) fit. **What letter pairs are the most frequent in English written text? Sep 17, 2020** · Just as there is a common frequency of single letter occurrences which is very easy to find, is there a list of the most common letter pairs in English? I'm looking for a concrete list. **grammar - When to use "most" or "the most" - English Language ...** Jul 7, 2015 · The adverbial use of the definite noun the most synonymous with the bare-adverbial most to modify an entire clause or

predicate has been in use since at least the 1500s and is an integral part of English. *Most is vs most are - English Language & Usage Stack Exchange* Most is what is called a determiner. A determiner is "a word, such as a number, article, personal pronoun, that determines (limits) the meaning of a noun phrase."
