The contributions brought together here explore the various facets of language to focus on metaphorical grammatical constructions, unique and specific with form and function. The Art of the English Trade Gun in North America Nathan E. Bender, 2018-07-06 Symbolic ornamentation inspired by ancient Greek and Roman art is a long-standing Western tradition. The author explores the designs of 18th century English gunsmiths who engraved classical ornamental patterns on firearms gifted or traded to American Indians. A system of allegory is found that symbolized the Americas of the New World in general, and that enshrined the American Indian peoples as noble savages. The same allegorical context was drawn upon for symbols of national liberty in the early American republic. Inadvertently, many of the symbolic designs used on the trade guns strongly resonated with several Native American spiritual traditions.

The Art of Eating In Cathy Erway, 2010-02-18 In the city where dining is a sport, a gourmand swears off restaurants (even takeout!) for two years, rediscovering the economical, gastronomical joy of home cooking. Gourmand-ista Cathy Erway's timely memoir of quitting restaurants cold turkey speaks to a new era of conscientious eating. An underpaid, twenty-something executive assistant in New York City, she was struggling to make ends meet when she decided to embark on a Walden-esque retreat from the high-priced eateries that drained her wallet. Though she was living in the nation's culinary capital, she decided to swear off all restaurant food. *The Art of Eating In* chronicles the delectable results of her twenty-four-month experiment, with thirty original recipes included. What began as a way to save money left Erway with a new appreciation for the simple pleasure of sharing a meal with friends at home, the subtleties of home-cooked flavors, and whether her ingredients were ethically grown. She also explored the anti-restaurant underground of supper clubs and cook-offs, and immersed herself in an array of alternative eating lifestyles from freeganism and dumpster-diving to picking tasty greens on a wild edible tour in Brooklyn's Prospect Park. Culminating in a binge that leaves her with a foodie hangover, *The Art of Eating In* is a journey to savor. Watch a Video
