Harlot or Holy Woman? Phyllis A. Bird, 2020-01-16 *Harlot or Holy Woman?* presents an exhaustive study of *qedēšah*, a Hebrew word meaning “consecrated woman” but rendered “prostitute” or “sacred prostitute” in Bible translations. Reexamining biblical and extrabiblical texts, Phyllis A. Bird questions how *qedēšah* came to be associated with prostitution and offers an alternative explanation of the term, one that suggests a wider participation for women as religious specialists in Israel’s early cultic practice. Bird’s study reviews all the texts from classical antiquity cited as sources for an institution of “sacred prostitution,” alongside a comprehensive analysis of the cuneiform texts from Mesopotamia containing the cognate *gadištu* and Ugaritic texts containing the masculine cognate *qdš*. Through these texts, Bird presents a portrait of women dedicated to a deity, engaged in a variety of activities from cultic ritual to wet-nursing, and sharing a common generic name with the *qedēšah* of ancient Israel. In the final chapter she returns to biblical texts, reexamining them in light of the new evidence from the ancient Near East. Considering alternative models for constructing women’s religious roles in ancient Israel, this wholly original study offers new interpretations of key texts and raises questions about the nature of Israelite religion as practiced outside the royal cult and central sanctuary.

Resheph Edward Lipiński, 2009 The excavations of the last eighty years, especially at Ugarit, Ebla, and Emar, have accumulated an exceptional amount of source material referring to the Syro-Canaanite god Resheph, whose history can now be followed during three thousand years. Chapter I deals with Resheph in the Ebla texts, already witnessing his assimilation to the Mesopotamian god Nergal, while Chapter II is dedicated to his consort Adamma. Western Asiatic sources of the second millennium B.C., in particular those from Mari, Ugarit, Ras Ibn Hani, and Emar, are presented in Chapter III, while Chapter IV concerns the Syro-Canaanite iconography of Resheph. His cult in Egypt during the second millennium B.C. is examined in Chapter V, while Chapters VI and VII deal with the first millennium B.C. and the later references to Resheph in midrashic literature. Aramaic, Phoenician, Hebrew, Egyptian, and Greek sources are surveyed in detail with a particular attention to biblical texts. Several indices help using the extensive onomastic and cultic data collected in the book, always with references to the original or most recent publications of the pertinent epigraphic, literary, and iconographic material.

The Tao of Dating Ali Binazir, 2012-06-13 The #1-Rated Dating Book by Readers on Amazon for 3+ Years Running This is what readers say: 'I have read many books about relationships and dating, but *The Tao of Dating* is one of a kind, so different and mind-blowing in its common sense and simplicity that it is impossible to put it down once you start reading.' 'Well, where shall I start? Mind blowing? Life-changing? Truly opened my eyes? No words can express how much I love this book. I wish I had read it much earlier.' 'I keep this book in a small, carefully chosen, boxed collection of 'indispensable advice I wish I had written' that I will pass along to my children as they navigate through teens, twenties, early adulthood and beyond.' 'This turned out to be one of the most transformative books I have ever read much more so than I thought it possibly could be.' 'The content is intelligent and compassionate and enriching far beyond anything to do with dating. In essence, this book somehow, magically, alchemically, brings you back to yourself. Everyday TV and other media specialize in portraying women as cheap and disposable. This book is the antidote. Just by reading it, one is restored to one's own heart. I can think of no better praise.' '1.5 reads of the book in and I can honestly say that I not only have a clear sense of the basic things that I was doing that were completely throwing off the dynamic with these men, but that I now have simple, quite beautiful little tools in mind when I'm interacting with men that make me properly excited to date. I'll admit that I bought a few books in this vein in one lump...but *'The Tao of Dating'* just completely blew them out of the water.' 'This is the most helpful dating book that I have experienced! At the time of my purchase I also downloaded two other books and after reading this I can't even get through the first chapter of the other ones.' 'Thanks to this specific book, I went from having a nonexistent dating life, with empty weeks stretching ahead to being booked every night of the week and in some cases, having two or three dates per evening... the results, for me, were dramatic: I now feel like I have my pick of the litter a slew of fabulous guys who all clamor for my attention.' Can You Have it All? Hell Yeah! I believe that smart, successful women CAN have it all -- both a great career AND a rich, warm, fulfilling love life. Do read on if you agree. See -- smart women like

yourself were having unfulfilling love lives on an epidemic scale when I was an advisor at Harvard. They either couldn't find the right guy, were with the wrong guy, had relationships that didn't last, or had given up on dating entirely. So I wrote this book to remedy the situation. This is not your grandma's dating guide. Partially because I'm not your grandma, and partially because the 21st century poses unprecedented challenges to the modern woman. With a high-powered career, it may seem that there just isn't time for love. And nowadays, lots of guys are less educated & affluent than you. What to do? Ancient Wisdom + Modern Science = Lasting Love & Happiness for You This book combines ancient wisdom with modern science to give smart, successful women like yourself a heart-centered, science-based, practical guide to finding fulfillment in your love lives -- and far beyond. I give it all to you in a progression of small, easy steps that put the fun back in dating, plus the science and reasoning behind it so you can trust where it all comes from.
