**365 Days Until ...** Ahesha Catalano,Alexander Catalano,2011-09-15 Every married couple has their own meaningful talesand occasionally horror storiesof wedding preparation. Few couples, however, have that time as intricately and intimately documented as Alexander and Ahesha Catalano. 365 Days Until : The Journey to Our Wedding details the year-long journey to the Alexander and Ahesha Catalanos wedding day. Every night, for 365 days prior to their wedding, they recorded everything they did in preparation for the wedding. They chronicled all of the foolishness, the things they learned about each other, and the things they learned about marriage, each in their own journal. They considered everything from mundane details to what it would take for them to reach their golden anniversary. Most importantly, they wrote about all the fun they had coordinating their wedding and how much they truly adore one another. But theres a twistneither of them read each others journal until after they were married. Independent of each other, they captured all of their emotions at each step in the process of organizing their most important day. What began as a way for them to keep everything organized for their wedding accidently turned into something much, much more important. 365 Days Until : The Journey to Our Wedding offered an opportunity for Alex and Esha to share all of their most intimate thoughts and fears about getting married with each other, and it will encourage others in preparation for their own wedding day.

*Everything Is Horrible and Wonderful* Stephanie Wittels Wachs,2018-02-26 In the style of The Recovering, and Educated: A Memoir, Stephanie Wittels Wachs delves into the dark world of loss, grief, and addiction in a heartbreaking but hopeful memoir With a captivating foreward by Aziz Ansari One phone call was all it took to change Stephanie Wittels Wachs's life forever... Her younger brother, Harris, a comedy star known for his work on Parks and Recreation and for introducing the world to the art of the humblebrag, died of a heroin overdose. How do you make sense of such a tragic end to a life full of so

much hilarious brilliance? In beautiful, unsentimental, and surprisingly funny prose, Stephanie Wittels Wachs alternates between her brother's struggle with addiction, which she learned about three days before her wedding, and the first year after his death, in all its emotional devastation. This compelling portrait of a comedic genius and a profound exploration of the love between siblings is *A Year of Magical Thinking* for a new generation of readers. Everything is Horrible and Wonderful will make you laugh, cry, and wonder if that possum on the fence is really your brother's spirit animal. A touching memoir that delves into addiction, grief recovery, and healing after loss, this poignant story ultimately showcases the enduring love we have for those we lose too soon.

Approach of the Epoch DANICA RAYEN, 2021-06-30 The APPROACH OF THE EPOCH is a collection of writings on the theme MOST IMPORTANT DAY IN MY LIFE. This collection will take you to the diary of each of our co-authors, which highlights the unknown pages of their magnificent life. Despite the fact that we have many days, each of us will have a memorable day. This anthology evokes recollections of earlier days and emphasizes the significance of situations via their actual emotions. Overall, 32 writers presented their excellent works in two different languages (English & Tamil) from various parts of India. **A Path Less Traveled** Jenny Jae Cory,2023-02-23 *A Path Less Traveled* is a thought-provoking true story that transitions beautifully between Jenny Jae Cory's personal journey and some of the larger societal issues that face the transgender community today. This book shares it all in the hopes of making a difference in what seems like a harsh and cruel world for transgender people. It is a very courageous account of someone trying to live an honest and true life, whatever the consequences. The book follows Jenny, from a shy boy who didn't like to talk to an awkward teenager to a career in retail, a brief encounter with politics, and a destructive Facebook post. She takes one path after another, trying to find her true self and establish a good reputation, only to tear it all back down. Jenny realized that being transgender had the ability to destroy relationships with family, friends, career, and literally force her to rebuild a new life all over. She knew making so many hard decisions would change her life like never before, turn everything inside out, and nothing would ever be the same. The one thing that remains the same is that Jenny is the same person on the inside that she has always been, the same person who spent twenty-six years with the same company, trying to make something of herself and keep the local Ben Franklin Store

open in her hometown for generations to come. The same person who gave others a chance to prove themselves, even hiring a convicted felon once to give her a chance to turn her life around. Jenny is the same person who loved someone who would continue to hurt her over and over again, and the same person who even though her family thinks she doesn't love them, does with all her heart.
