Robert Kugelmann

The Five Windows of the Soul, Or Thoughts on Perceiving Edward Hamilton Aitken,1913

Current Opinion Frank Crane,Edward Jewitt Wheeler,1916

The Windows of Soul Robert Kugelmann,1983 Applying the view that the human body as treated by the physician is somebody, the author examines the eye and one of its afflictions, glaucoma, from an imaginal perspective. Drawing on humanistic as well as scientific data, he attempts to describe the experience of glaucoma, and in doing so directs us to an understanding of the existential ground of anatomy and physiology.

Quotationary - The A-Z Book of Quotations Nasser Amiri,2024-06-27 Compiled over many years by Nasser Amiri, this is by far the most comprehensive collection ever compiled of carefully selected quotations from the world's great philosophers, writers, historians, musicians and thinkers. Quotationary is a source of inspiration for every writer, book-lover and thinker. It contains the thoughts of many of the finest minds since ancient man started to express his wit and wisdom in aphoristic form. It is inspirational, instructive, amusing and literary; alongside a dictionary and thesaurus it is a must-have purchase for any author, writer, journalist or anyone working with words.

The Christos Grail Averill Nicole Richardson,2025-03-21 What would you do if you were personally offered a psycho-spiritual destiny? The author claims this happened to her in 1994. The invitation came in the form of a channelled psychic message when she consulted a New Age healer about her husband's ill health. She was asked if she would like to become a 'teacher of teachers'. Interpreting this to mean a career move into a university or some other august institution of higher learning, the author replied, "Yes, I'd like that." Little did she understand what she'd agreed to. The Christos Grail is an autobiographical account of the adventure which followed her husband's death. She received regular channelled psychic feedback and clues from her Guiding Angel and late husband through many different human mediums. Her search for answers led her to Sophia, the Grail Goddess and the energy source of the Christos. She concluded that Christ-consciousness is another way of describing divine self-awareness, which is available to all who genuinely seek it.

Sermon on the Mount Amy-Jill Levine,2020-08-04 The Sermon on the Mount, Matthew 5-7, contains some of Jesus most profound and most memorable teachings. What might these teachings have mean to his disciples, and to the others who first heard them? How do they enhance our reading of the rest of the Gospel of Matthew, and how do they speak across the

centuries to listeners today? How, if we pay careful attention to his words, does Jesus provide us a road map to living as God would have us live? In *Sermon on the Mount: A Beginner's Guide to the Kingdom of Heaven*, Dr. Amy-Jill Levine introduces the major topics in the Sermon on the Mount, explains historical and theological contexts, and shows how the words of Jesus echo his Jewish tradition and speak forward to reach hearts and minds today. This book provides a rich and challenging learning experience for the individual reader and also makes a wonderful, six-week group study with the additional Leader Guide, DVD, and 40-day readings

Shakespeare's Sonnets Exposed: Volume 1 fisher king, 2020-01-22 Shakespeare's Sonnets, the Bard's only self-published works, are arguably the most beautiful, tragic, mystifying and crazy compilation of words in the English language. For four hundred years they've been almost exclusively the domain of scholars and academics, and for four hundred years their dark magic has passed the rest of us by. Transcribed from the podcast series of the same name, this is the first in a series analysing Shakespeare's Sonnets which is aimed as much at those who have never encountered the sonnets before as at seasoned scholars. The analysis is based on the original 1609 Quarto edition and introduces a new reading based exclusively off the text and uncontaminated by contemporary theories. All proceeds will be going towards the production of a wonderfully illustrated graphic novel adaptation of Shakespeare's Sonnets!

Allergic Eyes Water Felicia Dunbar, 2025-03-21 Have you ever wondered why your eyes water and itch relentlessly after a seemingly innocuous household task like doing laundry? **Allergic Eyes Water** delves into the often-overlooked connection between common household detergents and ocular irritation, offering a comprehensive guide to understanding, managing, and preventing detergent-induced eye allergies. This book bridges the gap between medical research and practical advice, exploring the chemical components in detergents that trigger allergic reactions, the diagnostic methods used to identify these sensitivities, and the preventative measures individuals can implement to safeguard their eye health. The book's central argument revolves around the premise that detergent-related eye irritation is a more prevalent issue than commonly acknowledged, often misdiagnosed or dismissed as simple dryness or fatigue. It posits that a significant portion of unexplained eye discomfort can be directly attributed to exposure to specific chemicals found in laundry detergents, dish

soaps, and even certain cleaning products. This argument is critical because it empowers individuals to take proactive steps towards identifying and mitigating potential allergens in their home environments, improving their overall eye health and quality of life. *Allergic Eyes Water* is structured to provide a thorough understanding of the subject matter. First, it introduces the basic principles of eye anatomy and physiology, outlining how the eye's delicate surface interacts with external substances. Second, it explores the chemical composition of common detergents, pinpointing the specific ingredients most likely to cause allergic reactions, such as fragrances, dyes, and preservatives. Third, the book examines the diagnostic procedures employed by medical professionals to identify detergent sensitivities, including skin prick tests, patch tests, and conjunctival provocation tests. Fourth, it provides a detailed overview of preventative strategies, ranging from selecting hypoallergenic detergents to implementing proper rinsing techniques and employing protective eyewear during cleaning activities. Finally, the book culminates in a discussion of treatment options for detergent-induced eye allergies, encompassing both over-the-counter remedies and prescription medications. The evidence presented in *Allergic Eyes Water* is drawn from a variety of sources, including peer-reviewed medical studies, clinical case reports, and epidemiological data on the prevalence of allergic eye conditions. It also incorporates insights from interviews with ophthalmologists, allergists, and dermatologists, providing a multi-faceted perspective on the issue. Furthermore, the book analyzes product safety data sheets (SDS) to identify potentially harmful chemicals in commonly used detergents. The book connects to the fields of environmental health, immunology, and public health. The environmental health connection involves understanding how chemical exposures in the home environment can impact human health. The immunology connection relates to the study of allergic reactions and the body's immune response to specific substances. The public health connection explores the broader implications of detergent-related allergies for overall health outcomes and healthcare costs. A unique aspect of *Allergic Eyes Water* is its emphasis on practical, actionable advice. Unlike purely academic texts, this book is designed to empower readers to take control of their eye health. It provides step-by-step instructions for identifying potential allergens, modifying household cleaning practices, and communicating effectively with healthcare professionals. The tone of the is informative and accessible, avoiding technical jargon while maintaining scientific accuracy. Real-life examples and case studies are used to illustrate key concepts, making the information relatable and engaging for a broad audience. *Allergic Eyes Water* is targeted towards individuals who experience recurrent eye irritation, allergy sufferers seeking to identify potential triggers, and environmentally conscious consumers interested in minimizing their exposure to harmful chemicals. It is also a valuable resource for healthcare professionals seeking to expand their knowledge of detergent-related eye allergies. As a non-fiction medical general and health book, it relies on scientific accuracy, clarity, and practical advice, adhering to established guidelines for presenting medical information to the public. The scope of *Allergic Eyes Water* is limited to detergent-induced eye allergies, focusing primarily on the chemicals found in common household cleaning products. It does

not delve into other causes of eye allergies, such as pollen or pet dander, which are covered in greater detail in other resources. The information presented can be applied by readers through diligent label reading of products, creating an allergy-safe home environment, and improving communication with medical professionals. While the link between detergents and eye allergies is supported by medical research, ongoing debates exist regarding the specific chemicals that are most likely to cause reactions and the optimal strategies for preventing and treating these allergies. The book will address these controversies transparently, presenting different perspectives and outlining areas for future research.

Opening the Windows of Your Soul James Cantelon, 2024-01-10 Have we forgotten how to pray? Have we forgotten the purpose of prayer? There is a huge need to rediscover prayer--to rediscover the genius of the greatest template ever presented to mankind: the Lord's Prayer. Why? Because Jesus is the ultimate teacher, who brings us back to the basics and coaches us in praying the Lord's will--not ours. This book will encourage the reader to confidently pray God's will, not theirs. Meditating on the Lord's Prayer will lead the reader from a frustrating exercise in wish fulfillment to faith in the Lord's sovereignty that God does what is best. Prayer as a means to instant gratification or a pleading for a cause will yield to prayer as an expression of partnership with the Lord, providing a calm sense of spiritual security. Those who pray will be secure in the knowledge that the Lord's will is being done. James Cantelon's reaffirming of the power of the Lord's Prayer is informed by more than fifty years of Christian ministry, researching the scriptures, and ministering to the needy and spiritually insecure. His perspective is informed by four decades of praying with various and foreign cultures (Israel, many African nations, and India).

Three in One Mark Anthony Grubb, 2022-05-19 Do you have questions about certain mysteries in the Bible that confuse you? If your answer is yes, then *Three in One* may be a definite game-changer for you. Mark Anthony Grubb wrestled with the same issues for years. After praying for spiritual wisdom and knowledge his entire adulthood, God has given Mark the keys to spiritual insight to unlock some of the most controversial mysteries of our time and for all time. Suddenly, the seeker has become the pathfinder.

Unholy Magic Stacia Kane, 2010-07-06 BONUS: This edition contains an excerpt from Stacia Kane's *City of Ghosts*. ENEMIES DON'T NEED TO BE ALIVE TO BE DEADLY. For Chess Putnam, finding herself near-fatally poisoned by a con psychic and then stopping a murderous ghost is just another day on the job. As an agent of the Church of Real Truth, Chess must expose those looking to profit from the world's unpleasant little poltergeist problem—humans filing false claims of hauntings—all while staving off any undead who really are looking for a kill. But Chess has been extra busy these days, coping with a new “celebrity” assignment while trying on her own time to help some desperate prostitutes. Someone's taking out the hookers of Downside in the most gruesome way, and Chess is sure the rumors that it's the work of a ghost are way off base. But proving herself right means walking in the path of a maniac, not to mention standing between the two men in her

life just as they—along with their ruthless employers—are moving closer to a catastrophic showdown. Someone is dealing in murder, sex, and the supernatural, and once again Chess finds herself right in the crossfire.

The God Who Hears James Merritt,2024-03-05 Praying for God's Power in Your Times of Need Life's storms serve as sharp reminders of our profound need for God's strength. But how do we pray when the trials we face bring us to our knees? And how do we cry out to God when we don't know how to put our heart's trouble into words? From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need. No matter the challenges you face, *The God Who Hears* is an inspiring reminder of the power and privilege the Lord has given us through prayer. Rooted in Scripture, this encouraging devotional provides insightful teaching and practical takeaways, equipping you to pray through hardship with clarity and confidence.

Embers of the Nephilim: Ghost Girl and the Ghost Giant Andrew R. H. Quinn,2024-10-31 Thirteen-year-old Olivia Linda Wade has been plagued by a ghost that no one else quite seems to believe exists. But when things come to a head, she'll get swept up in a police investigation looking into a recently apprehended vigilante from Detroit and cross paths with others who've come face-to-face with the ghost along the way. Will she and her ragtag team come together and rise to the occasion to defeat her tormentor once and for all before time runs out?

Our Creator's Work Bill Price,2025-07-29 Teaching young minds was such a joy for Bill Price. The ability to let his students become creative and imagine words used to paint a picture was a reason to love writing and to teach poetry. It also allowed him to express his thoughts about the world and about his God. It became easier to understand the Bible and God's creation. Through poetry anyone can realize Our Creator's Work as an outline for salvation.

A Cubism Reader Mark Antliff,Patricia Dee Leighton,2008 This definitive anthology covers the historical genesis of cubism from 1906 to 1914, with documents that range from manifestos and poetry to exhibition prefaces and reviews to articles that address the cultural, political, and philosophical issues related to the movement. Most of the texts Mark Antliff and Patricia Leighton have selected are from French sources, but their inclusion of carefully culled German, English, Czech, Italian, and Spanish documents speaks to the international reach of cubist art and ideas. Equally wide-ranging are the writers represented--a group that includes Guillaume Apollinaire, Gertrude Stein, Jean Metzinger, Albert Gleizes, Fernand Léger, Francis Picabia, André Salmon, Raymond Duchamp-Villon, Henri Le Fauconnier, and many others.--Publisher description.

Religion and Contemporary Art Ronald R. Bernier, Rachel Hostetter Smith, 2023-05-11 Religion and Contemporary Art sets the theoretical frameworks and interpretive strategies for exploring the re-emergence of religion in the making, exhibiting, and discussion of contemporary art. Featuring essays from both established and emerging scholars, critics, and artists, the book reflects on what might be termed an accord between contemporary art and religion. It explores the common strategies contemporary artists employ in the interface between religion and contemporary art practice. It also includes case studies to provide more in-depth treatments of specific artists grappling with themes such as ritual, abstraction, mythology, the body, popular culture, science, liturgy, and social justice, among other themes. It is a must-read resource for working artists, critics, and scholars in this field, and an invitation to new voices curious about its promises and possibilities.

Collective Choice Fred Shorten, 2016-02-24 Jessica enters a world filled with non-human beings outside the standard concepts of good and evil. She has little time to understand, let alone adjust to this world before she must fight for her life and for all of humanity.
